Dear P.U.C.

Attn: HP 14-002

As a resident of Lincoln County, I am not in favor of the PUC giving a permit to Dakota Access LLC. The proposed pipe line would go thru growth areas of Sioux Falls, Tea & Harrisburg. Why? That would pose a threat to local environment, water safety & future inhabitants. Please do not allow Dakota Access LLC a permit to go thru S.D. Iowa isn't allowing them either.

Sincerely,
Rhoda Strasser
