Xcel has agreed to two of our three requests so we agreed to withdraw the complaint. We had major concerns about changes to what they agreed to initially, but spoke to Xcel's Jim Wilcox-Principal Manager in Sioux Falls and he assured us that two of our requests would be honored. Please withdraw our complaint. Thank you very much for assisting us in this process and keeping us informed as to timelines. Very appreciated.

Mr. Goeman,

Do you still intend to withdraw your complaint, or should we go ahead and schedule the matter for a hearing? Please advise.
