I hereby grant Michael J. Bollweg, agronomist with Bollweg Farms the right to use the infrared satellite imagery a provided him through Landsat which is free to the public. This imagery was with regard to 4 wind turbines in Hyde County over a series of years before and after they were erected. There are no copyright infringements due to the nature of its availability.

Sincerely,

A handwritten signature in blue ink, appearing to be 'DLH', with a large, looping flourish at the end.

Daniel L Haberling

Agronomist
