~~X~~ I am a supporter of wind energy. I am writing to you to share my support of the Crocker Wind Farm a Geronimo Energy Wind Farm development located in Clark County, South Dakota.

- I support the Crocker Wind Farm because it will provide economic benefits to the local economy, tax base, schools and local residents and county and town. Our community, county and state need the economic benefits.
- I support the Crocker Wind Farm because I support green energy and the numerous benefits for the local and broader environment, including water consumption savings and carbon dioxide emissions reductions.
- I support the Crocker Wind Farm because I support the rights of landowners, which allows the landowners to use their land to the fullest protentional allowing them to harvest the wind a plentiful and valuable resource in South Dakota.

Other comments for support:

My fullest support is given for this project not only to benefit the economy but to help support our family for generations to come. As owners of the land, "we" should have the say to do with it as we please opposed to the non land owners it doesn't affect. My family has worked very hard to get this bill passed and I will do so also.
