Question:

See revised Attachment C page 2 in response to DR1-2. On the very bottom right had side of the page the \$1,914.94 didn't change from the previous version and the math for that being the total of all the numbers left of it doesn't quite add up. Explain why this total on the revised calculation doesn't add up. Supplement with new pages if necessary.

Response:

Attachment C page 2 should have included a total of **[CONFIDENTIAL DATA BEGINS HERE      CONFIDENTIAL DATA ENDS HERE]**. We have enclosed an updated version of the 2017 Actual Tracker as part of this information request.
