Re: Central Electric Cooperative, Inc. and NorthWestern Corporation dba NorthWestern Energy – Verification of Shared Electric Service Territory Boundaries and Updated Mapping Data

Dear Ms. Van Gerpen:

This filing is submitted in regard to the ongoing efforts of the PUC to verify electric territory mapping data for conversion to electronic format and use in a Geographic Information System (GIS) database. With the assistance of the above-referenced utilities, Commission Staff has confirmed the service territory boundaries shared by the utilities and has prepared updated mapping information. Included as part of this filing please find:

1. A contract signed by the parties confirming service territory
2. A legal description of the shared boundaries
3. Updated territory maps.

Commission Staff requests the Commission open a docket and approve this agreement with accompanying mapping data.

Sincerely,

Lorena Reichert
