We submit this report in compliance with the Commission's February 19, 2020 ORDER in the above-referenced docket.

CREDIT SUMMARY

In compliance with the Commission's Order, we began posting bill credits from the tenth DOE settlement payment to our electric customers on April 17, 2020 with all credits applied to customer accounts as of April, 20, 2020. Including accrued interest and less bank fees, a total amount of \$1,726,317 was credited to South Dakota retail electric customers.

As summarized in Attachment A to this filing, the total amount credited included the South Dakota jurisdictional retail portion of \$1,709,442, under-credit from the ninth DOE credit of \$10,243, interest of \$5,928 (less \$266 in bank fees), resulting in a total calculated bill credit of \$1,725,348.
