Subject: Docket EL 19-003

Dear PUC Commissioners and Staff,

I am writing to voice my strong opposition to the waiver request of Crowned Ridge Wind.

Crowned Ridge Wind is NOT in compliance with the permit issued by the PUC. They are not even CLOSE to being in compliance.

As a person who lives near a large wind generation project (Beethoven and Prevailing Winds) where agreements, rules and **regulations** have been ignored, I demand the commission

enforce every provision in the permit. There was a process and decisions were made and agreed to. We expect compliance.

Sincerely,

James and Julie Kaufman
