

Triple H Wind Project

Figure 3a Environmental Constraints and Setbacks

Hyde County, South Dakota

- Project Area
- Proposed Turbine
- Potential Permanent MET Tower Location
- Proposed Access Road
- Proposed Collector Line
- Potential Collection Substation Location
- Potential Interconnection Switching Station Location
- Potential Laydown Area Location
- Municipal Boundary
- County Boundary
- State Highway
- Local Road
- Bat Habitat (1,000 foot Buffer)
- Wetlands (250 foot Buffer)
- USFWS Conservation Easement
- Grassland
- Grassland (Top)
- Wetland
- State Lands
- Game Production Area
- Hunting Walk in Area (WIA)

Siting Setbacks

Hyde County, South Dakota

- Project Area
- Proposed Turbine
- Potential Permanent MET Tower Location
- Proposed Access Road
- Proposed Collector Line
- Potential Collection Substation Location
- Potential Interconnection Switching Station Location
- Potential Laydown Area Location
- County Boundary
- State Highway
- Project Interior Setback
- Parcel Boundary Setback
- Road with Setback Buffer
- Existing Transmission Line and Setback Buffer
- Microwave Beam Path and Setback Buffer
- Residence and Setback Buffer
- Unoccupied Structure and Setback Buffer
