RE: MidAmerican Energy Company

Dear Ms. Van Gerpen:

As agreed to in the Settlement between MidAmerican Energy Company ("MidAmerican") and the City of North Sioux and the North Sioux City Economic Development Corporation, and approved by the South Dakota Public Utilities Commission in their Order issued on February 6, 2020 in Docket No. CE19-001, MidAmerican transmits the accompanying electric tariff sheet for filing:

MidAmerican Energy Company
South Dakota Electric Tariff Schedule No. 2
Section No. 5

1st Revised Sheet No. 81

Canceling Original Sheet No. 81

Effective: February 21, 2020

With this filing, MidAmerican is proposing to expand the language regarding refundable advances in its electric tariff to also allow for refunds when a new distribution system expansion is proposed off of a previous non-refunded distribution system expansion. These changes will align the refundable advance provisions of MidAmerican's tariff with the tariffs of other utilities in South Dakota.

In order to apply these new tariff provisions to a pending expansion project, MidAmerican is requesting that the South Dakota Public Utilities Commission approve these tariff changes on less than 30 days' notice with an effective date of February 21, 2020.

Please contact me at (563) 333-8382 or dlvotino@midamerican.com if you have any questions.

Sincerely,

/s/ Diane Votino
