Xcel Energy

Data Request No. 1-2

Docket No.: EL21-006

Response To: South Dakota Public Utilities Commission

Requestor: Joseph Rezac

Date Received: March 9, 2021

Question:

Will Xcel be receiving aid from the customer to extend and provide electrical services to the site? What sort of contribution would be required from the customer if Sioux Valley were to serve the customer?

Response:

Xcel Energy received \$1,433 from the homeowner, which included winter construction and excess footage charges as applicable to the installation. Sioux Valley Energy had an estimated cost of \$10,500 to the homeowner if they were to serve plus winter construction charges, if applicable between November 1st and May 1st, that could increase the cost up to \$30,000.

Preparer: Eric Pauli, Xcel Energy
