Gentlemen,
I just wanted to let you know that after inspection today, that all civil reclaim and reseeding outstanding items have been completed.

Nick Dooley
Superintendent Hughes County Highway Department
Hughes / Stanley Counties Assistant Director , Emergency Management

Subject: North Bend road repairs

CAUTION: This email originated from outside of the organization.

Nick,

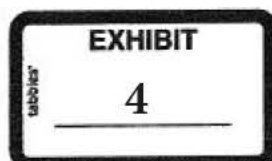

If you could just email myself and J.P. a letter stating that all civil reclaim and reseeding outstanding items have been completed that would work for us.

Also, please see our updated site map, the red dots are North Bend and the Yellow dots are Triple H.

Thank You,

JD Hanson
Wind Technician
