Thank you for your message regarding the South Dakota Public Utilities Commission's work.

Deuel Harvest Wind Energy South filed a siting permit request with the commission on June 28, 2024, resulting in the opening of docket EL24-023. This Energy Conversion & Electric Transmission Siting Guide, posted on the PUC's website home page and in this docket, explains the commission's processing of this type of docket. Informal comments such as yours are reviewed and considered by the PUC commissioners and staff and are posted under Comments and Responses in the publicly available docket.

You are encouraged to follow along as more information is received and posted in this docket by the parties involved.
