RE: Docket No. GE17-003

Dear Ms. Van Gerpen:

MidAmerican Energy Company ("MidAmerican") hereby submits the electric and gas Clause TERM – Tax Expense Refund Mechanism (TERM) reconciliations for the initial effective period July 2019 through December 2019.

In accordance with MidAmerican's electric tariff, Section No. 3, Sheet Nos. 75.10 - 75.11, new factors have been calculated for the Residential and Industrial classes. The effective period for the new TERM factors will be the billing month of May 2020. MidAmerican proposes that the Commercial and Lighting classes be considered within an acceptable tolerance and therefore does not recommend calculating new factors for those classes as they should be considered complete and require no additional refund. Included in the electric filing are the following items:

1. SD Electric – TERM Reconciliation Workpapers
2. Redlined and Revised versions of the following electric tariff sheet:

MidAmerican Energy Company
South Dakota Electric Tariff Schedule No. 2
Section No. 3

1st Revised Sheet No. 75.13 Canceling Original Sheet No. 75.13

Effective May 1, 2020
