BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA

IN THE MATTER OF THE GRAIN DEALER'S BONDS OF WHEETCO, INC.	)	ORDER FOR AND NOTICE OF HEARING
	)	GD01-003
	)	(Civ. 01-807)

On August 24, 2001, the Public Utilities Commission (Commission) filed with the Fifth Judicial Circuit a Petition to Appoint South Dakota Public Utilities Commission as a receiver of Wheetco, Inc. (Wheetco) pursuant to SDCL 49-45-16 and SDCL Chapter 21-21, to take possession of the cash proceeds of the following grain dealer's bonds: (1) the bond commencing July 1, 1998, and ending June 30, 1999; (2) the bond commencing July 1, 1999, and ending June 30, 2000; and (3) the bond commencing July 1, 2000, and ending June 30, 2001. On September 20, 2001, the Commission was appointed receiver by the Honorable Judge Larry H. Lovrien of the Fifth Judicial Circuit of South Dakota.

The Commission has jurisdiction over this matter pursuant to SDCL Chapters 21-21 and 49-45, specifically 49-45-13, 49-45-16, and 49-45-18. Pursuant to the order of the Court, the Commission shall determine claims against the cash proceeds of the following grain dealer's bonds: (1) the bond commencing July 1, 1998, and ending June 30, 1999; (2) the bond commencing July 1, 1999, and ending June 30, 2000; and (3) the bond commencing July 1, 2000, and ending June 30, 2001, with Star Insurance Company, being the surety. A hearing shall be held on the claims against the bonds as described above on January 16, 2002, beginning at 1:00 p.m., at the Department of Labor Meeting Room, 420 South Roosevelt, Aberdeen, South Dakota.

The issue at the hearing will be to determine claims against the cash proceeds of the following grain dealer's bonds: (1) the bond commencing July 1, 1998, and ending June 30, 1999; (2) the bond commencing July 1, 1999, and ending June 30, 2000; and (3) the bond commencing July 1, 2000, and ending June 30, 2001, with Star Insurance Company, being the surety.

All potential claimants have the right to be present, to be represented by an attorney, and to present evidence of their claims. Evidence may include, but is not limited to, such documents as scale tickets, settlement sheets, bad checks, or other evidence of a sale of grain to Wheetco which has not been paid. These and other due process rights will be forfeited if they are not exercised at the hearing or by submitting a proof of claim with the Commission. After the hearing, the Commission, as receiver, will consider all evidence and testimony that was presented at the hearing. As a result of the hearing, the Commission shall determine claims against the cash proceeds of the grain dealer's bonds. The Commission will then enter proposed Findings of Fact, Conclusions of Law, and a Final Decision regarding this matter which will be submitted to the Fifth Circuit of the State of South Dakota. The Final Decision made by the Circuit Court may be appealed to the state Supreme Court as provided by law.

It is therefore

ORDERED, that the hearing shall be held on January 16, 2002, beginning at 1:00 p.m., at the Department of Labor Meeting Room, 420 South Roosevelt, Aberdeen, South Dakota.

PUBLIC UTILITIES COMMISSION HEARING

At Aberdeen, South Dakota

January 16, 2002

APPEARANCES:

Jim Burg, Commissioner
Pam Nelson, Commissioner
Bob Sahr, Commissioner
Rolayne Ailts Wiest, General Counsel
Greg Rislov, Advisor
Bob Knadle, Division Director
Kelly Frazier, Staff Attorney
Mark Arndt, Counsel for Star
Insurance Company

MR. BURG: I'll begin the hearing for Docket GD01-003 in the matter of the grain dealer's bonds of Wheetco, Inc. The time is approximately 1:00 p.m. The date is January 16, 2002, and the location of the hearing is the Department of Labor Meeting Room, 420 South Roosevelt, Aberdeen, South Dakota.

I'm Jim Burg, Commission Chairman. Commissioners Pam Nelson and Bob Sahr are also present. I will preside over this hearing. The hearing was noticed pursuant to the Commission's Order for and Notice of Hearing issued November 30, 2001.

The issue at this hearing will be to determine claims against the cash proceeds of the following grain dealer's bonds: (1) the bond commencing July 1, 1998 and ending June 30, 1999; (2) the bond commencing July 1, 1999 and ending June 30, 2000; (3) the bond commencing July 1, 2000 and ending June 30, 2001, with Star Insurance Company being the surety.

All parties have the right to be present and to be represented by an attorney. All persons so testifying will be sworn in and subject to cross-examination by the parties. The

Commission will make a proposed decision to the Circuit Court. The Circuit Court s decision may be appealed to the State Supreme Court.

Rolayne A. Wiest will act as Commission Counsel. She may provide recommended rulings on procedural and evidentiary matters. The Commission may overrule its Counsel's preliminary rulings throughout the hearing. If not overruled, the preliminary rulings will become final rulings. At this time, I will turn it over to Rolayne to conduct the hearing.

MS. WIEST: First I'll take any appearances.

MR. FRAZIER: Kelly Frazier, Staff Attorney.

MR. ARNDT: Mark Arndt, May & Johnson Law Firm in Sioux Falls, on behalf of the insurer, Star Insurance Company.

MS. WIEST: Would anyone else like to be in the appearances? Before we begin, let me just explain the procedure to you. Generally, what happens is a staff person, Mr. Knadle, will put in the claims that have been submitted to the Commission and then I believe he has a recommendation that he has made up to the

Commission. You can listen to all of that testimony.

After that time period, it will be possible for any other such claimants to put any testimony on the record also. You don't have to make that decision right now. You can wait until you've heard Mr. Knadle's testimony. Does anybody have any procedural questions at this time before we begin? If not, I believe you may call your first witness, Mr. Frazier.

MR. FRAZIER: Yes, I would call Bob Knadle.

BOB KNADLE

after first being sworn to tell the truth, the whole truth, and nothing but the truth, upon his oath testified as follows:

QUESTIONS BY MR. FRAZIER:

Q Good afternoon, Bob. Would you please state your name and spell it for the record?

A Good afternoon. Bob Knadle, K-N-A-D-L-E.

Q What's your educational background, Bob?

A I received a Bachelor or Science Degree from South Dakota State University in Commercial Economics in December of 1979.

Q Where are you currently employed?

A The South Dakota Public Utilities Commission.
Q How long have you been employed there?
A Since March of 1980.
Q What's your position with the PUC?
A I am currently a director in the Transportation Warehouse Division of the Commission.
Q Is it part of your job with the PUC to monitor licensed grain dealers?
A Yes, it is.
Q In the process of doing so, did you become familiar with a company called Wheetco, Incorporated?
A Yes, I did.
Q Did Wheetco apply to become a licensed grain dealer with the PUC?
A Yes, they did.
Q Did they do so?
A Yes, they did.
Q I'm handing you what has been premarked as Staff Exhibit No. 4. Would you please describe that document, Bob?
A Yes. This is a South Dakota Grain Dealer's License, Non-Storage, for Wheetco, Incorporated; License No. 1517. It was issued on July 10, 2000

and expired at midnight on June 30, 2001.
Q Does this appear to be the same license that was issued to Wheetco?
A Yes, it does.
Q Same contents?
A Yes.
MR. FRAZIER: I would move to enter Staff Exhibit No. 4.
MS. WIEST: Any objection? If not, Staff Exhibit No. 4 is admitted.
QUESTIONS BY MR. FRAZIER:
Q In order to obtain this license, was Wheetco required to post a bond?
A Yes, they were.
Q I'm handing you now what has been premarked Staff Exhibit Nos. 5A, 5B, and 5C. Would you please describe these documents?
A Yes. Staff Exhibit No. 5A is a Grain Dealer's Bond for Wheetco, Incorporated. It was issued by Star Insurance Company in the amount of $75,000 for the grain dealer's bond. It is for the year commencing July 1, 1998 and ending June 30, 1999.
Staff Exhibit No. 5B is the Bond for Use by Public Grain Warehousemen and Grain Dealers issued to Wheetco Incorporated by Star Insurance

Company. It is in the amount of $75,000 for the Grain Dealer's License for the period commencing July 1, 1999 and ending June 30, 2000.

Staff Exhibit No. 5C is the Bond for Use by Public Grain Warehousemen and Grain Dealers issued to Wheetco, Incorporated by Star Insurance Company. It is in the amount of $75,000 for the Grain Dealer's License for the period commencing July 1, 2000 and ending June 30, 2001.

Q To the best of your recollection, do these appear to be the same bonds with the same contents that you recall when they were issued?

A Yes, they do.

MR. FRAZIER: If there's no objections, I would move to enter Staff Exhibit Nos. 5A, 5B, and 5C.

MS. WIEST: Are there any objections to those? If not, they'll be admitted.

QUESTIONS BY MR. FRAZIER:

Q To your knowledge, did there come a time when Wheetco, Inc. ultimately went out of business?

A Yes.

Q Could you describe your recollection of those events?

A Yes. On September 7, 2000, Wheetco, Inc.

filed a petition for reorganization pursuant to Chapter 11 of the U.S. Bankruptcy Code in U.S. Bankruptcy Court, District of South Dakota. On April 19, 2001, the Chapter 11 Case was converted to a Chapter 7 case in the U.S. Bankruptcy Court, District of South Dakota.

Wheetco entered into a stipulation with the Commission where Wheetco voluntarily relinquished its Grain Dealer's License to the Commission, including all rights and benefits bestowed with such license effective as of April 19, 2001.

Q After or simultaneous with the conversion of Chapter 11 to the Chapter 7, is it your understanding that the PUC entered into an agreement with the Trustee for Wheetco regarding the stay that's imposed when a company goes bankrupt? To refresh your memory, I'll show you what's been premarked as Staff Exhibit No. 6. Could you describe that document?

A Yes. Staff Exhibit No. 6 is the stipulation regarding the Grain Dealer's License of Wheetco, Incorporated. Basically, what this does is Wheetco voluntarily relinquished its Grain Dealer's License to the Commission including all rights and benefits

bestowed by such license.

This was effective as of April 19, 2001. This is the stipulation I just referred to in my previous statement. It was signed by Larry Wheeting on April 24, 2001.

Q So this is the stipulation between the PUC and Wheetco, correct?

A That's correct.

Q Not the Trustee?

A That's correct.

Q Does this stipulation where he's relinquished his license appear to be the same stipulation, the same contents as when you last saw it?

A Yes, it does.

MR. FRAZIER: If there's no objection, I would move to enter Staff Exhibit No. 6, which is the Stipulated Agreement between the PUC and Wheetco, Inc., Larry Wheeting.

MS. WIEST: Are there any objections? If not, Staff Exhibit No. 6 will be admitted.

QUESTIONS BY MR. FRAZIER:

Q At this point, did the PUC enter into an agreement with the Trustees of Wheetco in the Federal Bankruptcy Court?

A Yes, they did.
Q As a result of that agreement, did the PUC then file with the Federal Court to have the stay lifted so it could hold a hearing to administer claims against the bond?
A Yes, they did.
Q As a result of that motion, is it your understanding that the PUC entered into a stipulated agreement with the Trustee regarding the stay that's imposed when a company goes bankrupt?
A Can you rephrase that question please?
Q To your recollection, once Wheetco went bankrupt there in Federal Court, PUC then filed a motion to have the stay lifted so it could administer claims against the bond, right?
A Yes, we did.
Q Once that motion was filed, did the PUC enter into an agreement with the Trustee regarding the stay that had been imposed?
A Yes, they did.
Q Is it your understanding that the Trustee agreed not to resist the motion to have the stay lifted so the PUC could proceed against the bond?
A That would be correct.
Q Pursuant to that stipulated agreement then,

was an order signed lifting the stay against the PUC?

A Yes, there was.

Q I'm showing you what's been premarked as Staff Exhibit No. 7. Could you describe that document?

A This Staff Exhibit No. 7 is an order granting the South Dakota Public Utilities Commission motion for relief from automatic stay in the United States Bankruptcy Court, District of South Dakota, Northern Division. It is signed by the Honorable Irvin N. Hoyt, Bankruptcy Judge, the first day of August, 2001.

Q Does this order appear to be the same order with the same contents as you last recall it?

A Yes, it does.

MR. FRAZIER: Then I would move to enter the order lifting the stay against the PUC.

MS. WIEST: Any objections? If not, then it is admitted.

QUESTIONS BY MR. FRAZIER:

Q Once the stay was lifted, did the PUC then file with the Circuit Court to be appointed receiver of Wheetco to determine the merit of claims against the bond?

A Yes, they did.

Q I'm showing you now what's been premarked as Staff Exhibit No. 8. Could you please describe this document?

A Yes. This is a petition to appoint South Dakota Public Utilities Commission as receiver. That was filed in the Circuit Court, Fifth Judicial Circuit, dated August 24, 2001.

Q Does this appear to be the same document with the same contents as you remember the PUC filed?

A Yes, it does.

MR. FRAZIER: I would move to enter Staff Exhibit No. 8, Petition for Receivership.

MS. WIEST: Any objection? If not, it is admitted.

QUESTIONS BY MR. FRAZIER:

Q As a result of this motion, was a hearing held?

A Yes, it was.

Q As a result of that hearing, did the Circuit Court then sign an order granting the petition to be appointed receiver?

A Yes, it did.

Q I'm showing you now what's been premarked as Staff Exhibit No. 9. Will you please describe that document?

A Yes. This is an order appointing South Dakota Public Utilities Commission as receiver in the Circuit Court, Fifth Judicial Circuit. It has been signed by Judge Larry H. Lovrien, Circuit Court Judge, on September 20, 2001.

Q Does it appear to be the same document with the same contents as you last recall?

A Yes, it does.

MR. FRAZIER: I would move to enter Staff Exhibit No. 9, Order Appointing Receivership.

MS. WIEST: Any objections? If not, it is admitted.

QUESTIONS BY MR. FRAZIER:

Q As a result of this order, was today's hearing scheduled?

A That's correct.

Q What type of notice did you give to known potential claimants?

A The potential claimants were mailed a copy of the Order For Notice Of Hearing for today's hearing. There were approximately 55 potential claimants that were mailed this notice.

Q Did you do any other type of notice?

A Yes. A notice was published in the Sioux Falls Argus Leader, the Aberdeen American News, the

Groton Dakota Press, and the Groton Independent.
Q So you sent the letter to everybody that you thought might have a claim and then, just to be safe, you published it in the newspapers to make sure that anybody else out there might receive notice of today's hearing; is that correct?
A That's correct. We sent notice of the hearing that is being held today.
Q In preparation for today's hearing, did you review the proof of claims which were supplied by the various patrons per letter from the Commission dated August 7, 2001?
A Yes, I did.
Q I'll direct your attention to Staff Exhibit No. 1. Could you please describe what Staff Exhibit No. 1 is please?
A Yes, I can. Essentially, what Staff Exhibit No. 1 is is the proof of claims that were filed with the Commission pursuant to the Commission's request dated August 7, 2001. It would include the August 7, 2001 letter that was previously mentioned. It would also include proof of claims filed by the different potential claimants in this matter.
Q Does this exhibit appear to be the same

exhibit with the same contents as when you prepared it?

A Yes, it does.

Q Within this exhibit, you have what's marked Staff Exhibit No. 1A; is that correct?

A That's correct.

Q Does this letter appear to be the same letter with the same contents as when you sent it out to the patrons?

A Yes. This is the August 7, 2001 letter that I sent to the potential claimants in this matter requesting that they file proof of claims with the Commission in this matter.

Q And then following Exhibit No. 1A is Exhibit Nos. 1B through 1BA; is that correct?

A That would be correct.

Q Do these appear to be the claims that were submitted by the patrons as a result of the letter, Exhibit No. 1A?

A That would be correct.

Q And all of these appear to be the same claims and the same letters you recall when you put this exhibit together?

A Yes, they are.

MR. FRAZIER: I would move to enter

Exhibit No. 1, including Nos. 1A through No. 1BA.

MS. WIEST: Does anyone have any objections to the admission of all these exhibits? If not, they will be admitted.

QUESTIONS BY MR. FRAZIER:

Q Have you reviewed the claims that were filed by the patrons in this case, Bob?

A Yes, I have.

Q Did you review the claims and compare them to the company records in order to make the recommendations that this hearing was noticed for today?

A Yes, I did.

Q Did you prepare a summary of those recommendations?

A Yes, I did.

Q Staff Exhibit No. 2 is a summary of all the claims and recommendations. Are you familiar with this document here?

A Yes, I am.

Q Could you please describe it?

A What this Staff Exhibit No. 2 essentially does is it presents the filed claims and staff recommendations on those claims for the different bonding periods in this matter.

Q Does this appear to be the same exhibit and same contents as when you prepared it?

A Yes, it does.

MR. FRAZIER: I would move to enter Staff Exhibit No. 2.

MR. SAM SCHAUER: I object.

MS. WIEST: What is your objection?

MR. SAM SCHAUER: I'm Sam Schauer from Leola. I object. I represent Jake Schauer, that's my brother. We're partners. And Sam, that's me. We got on this stock and we weren't issued any stock.

MR. FRAZIER: I would submit that this exhibit is not being entered for the purpose of proving whether he did or did not have stock. I think that would go to the particular claim itself. We're merely entering this as evidence of the summary of the recommendations and not a claim of whether the stock is or is not valid. I believe that's an issue that could be raised before the Commission at the time that the claim itself is being presented.

MR. ARNOLD SCHURR: I raise the same objection. I'm Arnold Schurr. I would object for the same reasons as Mr. Schauer did. I represent

myself and my son, Steve. We were never issued any stock. Some people came to see us, Cody. He was an ex-secretary of agriculture and they came and put the hard sell on us and talked us into converting over to this stock business, but it never was done to my knowledge. Yet, in your document, it says that ours was converted to stock.

I don't think that's fair. It's not right. We delivered sunflowers. We never were paid.

MS. WIEST: At this point, I believe, since this is a recommendation, the Commission will allow it into evidence. Of course, Mr. Schauer and Mr. Schurr will have an opportunity to put your testimony on the record, what actually happened in that case. Staff Exhibit No. 2 will be admitted.

QUESTIONS BY MR. FRAZIER:

Q As in this particular circumstance, were there instances where your recommendations didn't match the claim form that was filed by the patrons in this case?

A Yes, there were.

Q Did you prepare anything to document your reasons why your recommendations varied from the

patrons' claims?
A Yes, I did.
Q This document is what's been premarked as Staff Exhibit No. 3. Does this document look familiar to you?
A Yes, it does.
Q Could you please describe it?
A Staff Exhibit No. 3 is documentation for staff changes to file proof of claims by the potential claimant or would be additional clarification to proof of claims that were filed by the potential claimants in this matter.
Q Does this exhibit appear to have the same contents, be the exact same exhibit that you prepared?
A Yes, it does.

MR. FRAZIER: I would move to enter Staff Exhibit No. 3.

MS. WIEST: Are there any objections to Staff Exhibit No. 3? If not, it will be admitted.

QUESTIONS BY MR. FRAZIER:

Q Given that you prepared these exhibits for the purpose of making recommendations, are you prepared to proceed to make the formal recommendations?

A Yes, I am.
Q I would direct your and everybody's attention to Staff Exhibit No. 2 where you have prepared a detailed summary of your specific recommendations. Skipping No. 2A first, I'd like to move on to No. 2B. Could you please describe what Staff Exhibit No. 2B is, Bob?
A Yes. Staff Exhibit No. 2B is the filed claims of staff recommendations for the bonding period of July 1, 1995 through June 30, 1996.
Q So Staff Exhibit No. 2B is just for one specific bonding period, July 1, 1995 to June 30, 1996?
A That would be correct.
Q As we go through Staff Exhibit Nos. 2B, 2C, and 2D, you'll be basically walking us through the specific bonding periods; is that correct?
A That's correct.
Q The only name on Exhibit No. 2B is Bert Raap. Could you please give your recommendation regarding the claim of Bert Raap?
A Yes, I can. Bert Raap is claiming an amount of $33,848.33 for seed wheat on Deferred Payment Contract Nos. 2437 and 4497; in an amount of $11,179.43 for sunflowers on Deferred Contract

Nos. 2439 and 4497. The company records would support these amounts.

The company records will also show that these amounts were converted to subscription agreement for common stock. Deferred payment contracts are not protected from South Dakota statutory bond coverages per SDCL 49-45-9.

It is also staff's opinion that once the grain payables were converted to common stock, they are no longer a grain payable. Per SDCL 49-45-1.1, subsection 2, the definition of grain will not include grain that has been cleaned, processed, and specifically identified for intended use of planting for reproduction and for which a grain warehouse receipt has not been issued.

It is staff's opinion that the seed wheat would fall in this category and would not be covered by the Grain Dealer Bond. Staff would recommend that Mr. Raap does not have a valid claim.

Q And your documentation from the company records would then be found in Exhibit No. 3A; is that correct?

A That would be correct.

Q Is that it for this bonding period?

A Yes, it is.
Q I'd like to direct your attention to Staff Exhibit No. 2C. Could you describe this exhibit?
A Yes. Staff Exhibit No. 2C are filed claims and staff recommendations for the bonding period of July 1, 1996 through June 30, 1997.
Q The first name is Bert Raap. Could you describe your recommendation there?
A Yes. Bert Raap is claiming an amount of $17,741.97 for sunflowers on Deferred Payment Contract Nos. 4497 and 4496 in an amount of $10,888.93 for sunflowers on assembly sheet Nos. 1839 and 1954. The company records would support these amounts but the company records show that Mr. Raap entered into Deferred Payment Contract No. 4479 for the sunflowers in the amount of $10,888.93 per assembly sheet Nos. 1838 and 1854.

The company records also show that the amount $17,741.97 was converted to a subscription agreement for common stock. Deferred payment contracts are not protected by South Dakota statutory bond coverages per SDCL 49-45-9 entitled to the grain passage to buyer upon delivery.

It is also staff's opinion that once

the grain payables were converted to common stock, they are no longer a grain payable. Staff would recommend that Mr. Raap does not have a valid claim.

Q Would documentation for that be found in Staff Exhibit No. 3A?

A That would be correct.

Q Jerry Raap?

A Jerry Raap is claiming an amount of $22,235.55 for sunflowers on Deferred Payment Contract Nos. 2449 and 4463. The company records would support this amount. The company records also show that this amount was transferred to a promissory note on September 20, 2000. Per a phone conversation with Larry Wheeting on August 30, 2001, Mr. Wheeting indicated that the promissory notes were entered into with the understanding that if the financing package did not go through, the debt would revert back to a grain payable. In addition, the company via a letter dated October 30, 2000 to all current note holders stated that an exact commencement date on the note payments is not listed and until confirmation and completion of a loan application is done, no certain date can be listed.

This wording substantiates Mr. Wheeting's statement that the promissory notes would not be effective unless the financing package was approved. Deferred payment contracts are not protected by South Dakota statutory bond coverages per SDCL 49-45-9 entitled to the grain passage to buyer upon delivery. Staff would recommend that Mr. Raap does not have a valid claim.

Q Would documentation for that be found in Staff Exhibit No. 3B?

A That would be correct.

Q Is that it for this bond period?

A Yes.

Q On to Staff Exhibit No. 2D, could you please describe this exhibit, Bob?

A Staff Exhibit No. 2D is filed claims and staff recommendations for the bonding period of July 1, 1997 through June 30, 1998.

Q And the claim of Fred Wolken, Jr.?

A Fred Wolken, Jr. Is claiming an amount of $751.20 for cracked corn. The company records would support this amount.

It is the staff's opinion that the cleaned and cracked corn has been processed and will not fall under the jurisdiction of the

Commission because the grain is not in its original state. Staff would recommend that Mr. Wolken does not have a valid claim.

Q Documentation for that would be found in Staff Exhibit No. 3AI; is that correct?

A Yes.

Q Is that it for that bonding period?

A Yes.

Q Could you describe Staff Exhibit No. 2E?

A Yes. Staff Exhibit No. 2E are filed claims and staff recommendations for the bonding period of July 1, 1998 through June 30, 1999.

Q And the claim of Miles Bretsch?

A Miles Bretsch is claiming an amount of approximately $24,000 for sunflowers. The company records show an amount of $23,778.24. Staff recommends that $23,778.24 is a valid claim.

Q In comments you note that the difference is due to the estimate made by the producer; is that correct?

A That's correct.

Q But the company records with the $23,778.24 would be found in Staff Exhibit No. 3Z; is that correct?

A Yes.

Q Kjerstad Farm Partnership for Stephanie Kjerstad.

MR. ARNDT: Kelly, I don't mean to interrupt. I don't know if it would be your position or the Commission's position that if we have questions for Bob regarding individual claims, which I would have just a few on Staff Exhibit No. 2E, should we make them now before moving on to the next claim or would you rather I wait until you're finished?

MS. WIEST: I think it would be easier if you would wait until he's finished.

QUESTIONS BY MR. FRAZIER:

Q All right. Kjerstad Farm Partnership then please?

A Kjerstad Farm Partnership, Stephanie Kjerstad, is claiming an amount of $15,591.63 for safflower and $2,423.37 for interest. The company records would support the $15,591.63 for the safflower.

Staff recommends that $15,591.63 is a valid claim. Interest charges are not covered by the bond, which is for the specific purposes of grain purchases.

Q Lazy BS, LLP for Stan Anderson.

A Lazy BS, LLP, Stan Anderson, is claiming an

amount of $5,500 for sunflowers and an amount of $964 for interest. The company records would support the amount of $5,500 for the sunflowers.

Staff would recommend that $5,500 is a valid claim. The interest charges are not covered by the bond which is for the specific purpose of grain purchases.

Q And company documentation would be found in Staff Exhibit No. 3AB; is that correct?

A Correct.

Q Gary Tiegs.

A Gary Tiegs is claiming an amount of $8,937.13 for millet. The company records would support this amount. Staff recommends that $8,937.13 is a valid claim.

Q The company documentation would be Staff Exhibit No. 3AF, above and beyond that provided by Mr. Tiegs; is that correct?

A That's correct.

Q D&M Grain.

A D&M Grain is claiming an amount of $1,500 for durum and an amount of $191.25 for service charge. The company records show an amount of $2,010.33 for the durum. The company records also show that D&M Grain has an accounts receivable balance of $123.

Staff recommends that the $1,887.33, which is the net of the grain payable in the accounts receivable is a valid claim. The service charges are not covered by the bond, which is for the specific purpose of grain purchases.

Q So there was an offset of an accounts receivable, money due to Wheetco in this case; is that correct?

A That's correct.

Q Could you please describe how you came to offset these debts and balances?

A Yes, I can. What I did was I got in contact with William Pfeiffer, who is a Trustee in the Chapter 11 bankruptcy. Essentially, what I did was ask him if he would be willing to offset the accounts receivable against the accounts payable in this matter and he was willing to do so. Essentially, part of Exhibit No. 3AH would include a letter that basically said that he would agree with this method.

Q So the Trustee agreed to let you take money that was owed to Wheetco and money that was owed from Wheetco and balance them out?

A That would be correct.

Q Is that the last claim for this bonding

period?
A Yes, it is.
Q I'd like to direct your attention to Staff Exhibit No. 2F. Could you please describe that exhibit?
A Yes. Staff Exhibit No. 2F are filed claims and staff recommendations for the bonding period of July 1, 1999 through June 30, 2000.
Q And the claim of Bert Raap?
A Bert Raap is claiming an amount of $8,957.16 for sunflowers. The company records would support this amount. The company records also show that $8,930.27 of the $8,957.16 was converted to a subscription agreement for common stock, the balance of $26.89 remaining fully payable.

It is staff's opinion that once the grain payables were converted to common stock, they are no longer a grain payable. Staff would recommend that $26.89 is a valid claim.
Q Documentation for this would be found in Staff Exhibit No. 3A?
A Yes.
Q North Central Farmers Elevator.
A North Central Farmers Elevator is claiming an amount of $12,768.08 for millet and sunflowers.

The company records show an amount of $12,096.10. The difference is due to dockage and a prepaid balance for rye purchased. Staff would recommend that $12,096.10 is a valid claim.

Q Further documentation would be found in Staff Exhibit No. 3F; is that correct?

A Yes.

Q Kent Holler.

A Kent Holler is claiming an amount of $3,200.55 for sunflowers. The company records show an amount of $3,175.02. The difference is due to the sunflower checkoff not being deducted before the check was written. Staff would recommend that $3,175.02 is a valid claim.

Q Documentation would be found in Staff Exhibit No. 3G?

A Yes.

Q Sam Schauer.

A Sam Schauer is claiming an amount of $47,749.93 for sunflowers. The company records would support this amount. The company records also show that Mr. Schauer signed a subscription agreement for common stock which converted $45,250 out of the $47,749.93 grain payable for 905 shares of common stock, leaving a grain payable balance of

$2,499.93.

The company records also show that there was a $10.99 payer on assembly sheet No. 3250. The grain payable balance becomes $2,488.94 after incorporating the error. Wheetco stock register at May 31, 2000, which was introduced as Exhibit 14 at the hearing held in July of 2000 on Docket No. GD001 in the matter of the application of Wheetco, Inc. for a grain dealer license and set in the amount of applicant's bond, would support that the Schauer's -- Sam, 905 shares; and Jake, 595 shares -- have an ownership interest of 1,500 shares of stock in Wheetco.

It is staff's opinion that once the grain payables were converted to common stock, they are no longer a grain payable.

MR. SAM SCHAUER: I object to that.

MS. WIEST: What is your objection?

MR. SAM SCHAUER: There's no stock.

MS. WIEST: At this point, I will overrule your objection. You will have an opportunity to testify on the record.

QUESTIONS BY MR. FRAZIER:

Q Go ahead.

A Staff would recommend that $2,488.94 is a

valid claim.

Q And your documentation for this would be found in Staff Exhibit No. 3H; is that correct?

A Yes.

Q Jake Schauer please.

A Jake Schauer is claiming an amount of $29,751.42 for sunflowers. The company records would support this amount. The company records also show that Mr. Schauer signed a subscription agreement for common stock which converted $29,750 out of $29,751.42 grain payable for 595 shares of common stock, leaving a grain payable balance of $1.42.

Wheetco stock register on May 31, 2000 in Docket No. GD001 in the matter of the application of Wheetco, Inc. for a grain dealer license in setting the amount of applicant's bond would support that the Schauer's -- Sam, 905 shares; and Jake, 595 shares -- have an ownership interest of 1,500 shares of stock in Wheetco.

It is staff's opinion that once the grain payables were converted to common stock, they are no longer a grain payable. Staff would recommend that $1.42 is a valid claim.

Q And documentation for this would be found in

Staff Exhibit No. 3I; is that correct?

A Yes.

Q Don Hearnen.

A Don Hearnen is claiming amounts of $27,793.36 for sunflowers. The company records would support

this amount. The company records also show that October 16, 2000, Mr. Hearnen converted $22,857.37 out of the $27,793.36 grain payable to promissory note, leaving a grain payable balance of $4,935.97.

Per phone conversation with Larry Wheeting on August 30, 2001, Mr. Wheeting indicated that the promissory notes were entered into with the understanding that if the financing package did not go through, then the debt would revert back to a grain payable. In addition, the company via a letter dated October 30, 2000 to all current note holders stated that an exact commencement date on the note payments is not listed and until confirmation and completion of the loan application is done, no certain date can be listed.

This wording substantiates Mr. Wheeting's statement that the promissory notes would not be effective unless the financing package was approved. Staff recommends that $27,793.36 is a valid claim.

Q And it appears that he also received NSF checks?

A Yes.

Q The documentation for this would be found in Staff Exhibit No. 3M; is that right?

A Staff Exhibit No. 3M.

MR. FRAZIER: As a side note, the Shauer's have stated their objections. I think it's only fair that they have a copy of Staff Exhibit Nos. 3H and 3I so they can see the documentation that Bob has for those recommendations so they're prepared for their objection.

Q Merritt Patterson & Sons/Dale Patterson.

A Merritt Patterson & Sons/Dale Patterson are claiming an amount of $14,845.05 for safflower. The company records would support this amount. Mr. Patterson also submitted evidence of the transfer of $14,845.05 grain payable to a promissory note on October 4, 2000. Per phone conversation with Larry Wheeting on August 30, 2001, Mr. Wheeting indicated that the promissory notes were entered into with the understanding that if the financing package did not go through, then the debt would revert back to a grain payable.

In addition, the company via a letter dated October 30, 2000 to all current note holders stated that exact commencement date on the note payments is not listed and until confirmation and completion of the loan application is done, no

certain date can be listed. This wording substantiates Mr. Wheeting's statement that the promissory notes would not be effective unless the financing package was approved. Staff recommends that $14,845.05 is a valid claim.

Q Documentation for this would be found in Staff Exhibit No. 30; is that correct?

A Yes.

Q KSP Farms, Inc., Kevin Swanson.

A KSP Farms, Inc., Kevin Swanson, is claiming an amount of $3,573.77 for sunflowers. The company records would support this amount. Staff recommends that $3,573.77 is a valid claim.

Q It appears in this case that KSP Farms received an NSF check from Northern Prairie Seeds; is that correct?

A Yes.

Q So it appears that they were using Northern Prairie Seeds' checks to pay off Whectco debts; is that what it appears to be?

A Yes.

MR. CLARK ROEBER: May I ask a question here please?

MR. CLARK ROEBER: Yes.

MR. FRAZIER: Would you like a copy of the documentation for this claim, Mr. Roeber?

MR. CLARK ROEBER: No, that's all right. I just wondered why there was no documentation for this in that column and the entire amount -- I'll wait until he's done.

A Joe Cameron did not claim an amount for this bonding period. The company records show an amount of $5,038.57 for millet. A Yes.

Q Witten Feed and Grain.

A Witten Feed and Grain is claiming an amount of $4,804.80 for milo. The company records show $4,290.49 for the milo and $511.74 for freight.

Q The Schurr's please.

A The Schurr's are claiming an amount of $95,601.11 for sunflowers. The company records show $96,050. The differences are due to the following: (1) The Schurr's not deducting the sunflower checkoff in the amount of $233.27; (2) The amounts of $27,133.93 and $15,152.32 claimed by the Schurr's were transferred to assembly sheet No. 3085. The total amount due was increased by $674.15; (3) There was added back $7.99 on adjustment for stock transfer.

The company records also show that Mr. Schurr signed a subscription agreement for common stock which transferred the $96,050 grain payable for 1,921 shares of common stock.

MR. ARNOLD SCHURR: Excuse me, you're talking about a man who can't even hear you. Speak up. I just want to be sure I can testify

later.

MR. KNADLE: Would you like me to start over on your recommendation?

MR. ARNOLD SCHURR: No, go ahead. I know good enough what they are.

QUESTIONS BY MR. FRAZIER:

Q Are you finished with that claim yet, Bob?

A No. The company records also show that Mr. Schurr signed a subscription agreement for common stock, which transferred the $96,050 grain payable for 1,921 shares of common stock. Wheetco stock register on May 31, 2000, which was introduced as Exhibit No. 14 at the hearing held in July, 2000, Docket No. GD001 in the matter of the application of Wheetco, Inc. for a grain dealer license and set in the amount of applicant's bond, would support that the Schurr's have an ownership interest of 2,000 shares of stock in Wheetco.

It is staff's opinion that once the grain payables were converted to common stock, they are no longer a grain payable. Staff would recommend that the Schurr's do not have a valid claim.

A Yes.

Q Rix Farms, Inc.

A Rix Farms is claiming an amount of $62,672.12 for sunflowers. Some certified Oxen wheat, certified Ignot wheat, certified Russ wheat and wheat. The company records would support this amount.

Per SDCL 49-45-1.1, subsection 2, the definition of grain would not include grain that has been cleaned, processed, or specifically identified for intended use of planting for reproduction and for which a grain warehouse receipt has not been issued. It is staff's opinion that the certified Ignot wheat in the amount of $13,022.67; the certified Russ wheat in the amount of $20,926.80; and the certified Oxen wheat in the amount of $14,227.35 would fall in this category and would not be covered by the grain dealer bond.

The company records also show that Rix Farms transferred $60,846.03 out of the $62,672.12 grain payable to a promissory note on October 6, 2000. Per phone conversation with Larry Wheeting on August 30, 2001, Mr. Wheeting indicated that the promissory notes were entered into with the understanding that if the financing package did

not go through, the debt would revert back to a grain payable.

In addition, the company via a letter dated October 30, 2000 to all current note holders stated that exact commencement date on the note payments is not listed and until confirmation and completion of the loan application is done, no certain date can be listed. This wording substantiates Mr. Wheeting's statement that the promissory notes would not be effective unless the financing package was approved. Staff would recommend that $14,495.30 is a valid claim.

Q Documentation for that would be found in Staff Exhibit No. 3AE?

A That's correct.

Q Erickson Farms.

A Erickson Farms is claiming an amount of $4,200.40 for wheat and approximately $450 for trucking. The company records show an amount of $3,822 for millet and an amount of $353.62 for wheat, for a total amount due of $4,175.62. Staff recommends that $4,175.62 is a valid claim. The difference of $6,165 for the sunflowers is related to payments made by the company not included in the proof of claim filed by D&M Grain. The difference of $131.40 for oats is due to the price per bushel. The difference of $5,096.63 for the millet is due to the price per pound. D&M Grain is claiming 9 cents and Wheetco is showing 7-1/2 cents per phone call to Larry Wheeting on October 4, 2001.

The company records also show that D&M Grain has an accounts receivable balance of $1,122.60. Staff recommends that $94,305.29, which is the net of the grain payables of $8,331 for oats; $61,613.70 for sunflowers; and $25,483.19 for millet, and the accounts receivable balance of $1,122.60 is a valid claim. A Yes.

Q Russ Hurlbert please.

A Gary Meikeljohn is claiming an amount of $23,639.64 for sunflowers. The company records show an amount of $23,468.64. The difference is due to the sunflowers checkoff and pounds on scale ticket No. 11370.

The company records also show that this amount was transferred to a promissory note on October 10, 2000. Per phone conversation with Mr. Wheeting on August 30, 2001, Mr. Wheeting indicated that the promissory notes were entered into with the understanding that if the financing package did not go through, then the debt would

revert back to a grain payable.

In addition, the company via a letter dated October 30, 2000 to all current note holders stated that exact commencement date on the note payments is not listed and until confirmation and completion of the loan application is done, no certain date can be listed.

This wording substantiates Mr. Wheeting's statement that the promissory notes would not be effective unless the financing package was approved. Staff recommends that $23,468.64 is a valid claim.

$25,734.05 for millet, plus contract storage charges of $1,744.11, plus freight of $779.20, minus $4,411.46 for corn, for a total claim of $23,845.90 plus interest charges. The company records show an amount of $25,721.37 for the millet.

The difference is due to minor balances on assembly sheet Nos. 3234, 3243, and 3244, and a minor difference in price on assembly sheet No. 3116. Staff recommends that the freight of $779.20 and the storage of $1,744.11 be deducted from the purchased corn of $4,411.46, leaving a balance due Wheetco of $1,881.18 to be offset against the grain payable of $25,721.37. This leaves a grain payable balance of $23,833.22.

Q I'd like to direct your attention back to the exhibit that we skipped, which is Staff Exhibit No. 2A. Could you please describe Staff Exhibit No. 2A, Bob?

A Yes. Staff Exhibit No. 2A is a summary of claims per staff for all the different bonding periods that we just went through. For example, on line 1, there's a bond license of a grain dealer effective for the period of July 1, 1995 through June 30, 1996 in the amount of $75,000.

Line 2 is staff recommended valid claims against the bond for this period, which can be found on Staff Exhibit No. 2B, which indicates zero. So there are no valid claims recommended by staff for this bonding period.

If we go on to line 4, this is a bond for license as a grain dealer effective for the period of July 1, 1996 through June 30, 1997 in the amount of $50,000.

Line 5 is staff recommended valid claims against the bond, which can be found on Staff Exhibit No. 2C, which has an amount of zero.

Line 6 would show the balance for that bond, which is $50,000, the same as the initial bond.

Line 7 would be the bond for license as a grain dealer effective for the period of July 1, 1997 through June 30, 1998 in the amount of $75,000.

Line 8 is staff recommended valid claims against the bond, which can be found on Staff Exhibit No. 2D, which is in the amount of zero, which would leave a balance of $75,000 for that bond.

Line 10 would be the bond for license as a grain dealer effective for the period of July 1, 1998 through June 30, 1999 in the amount of $75,000.

Line 11 would be staff recommended valid claims against the bond in the amount of $55,694.33, which can be found on Staff Exhibit No. 2E. This would leave a balance of $19,305.67 for this bonding period, which would indicate that staff's recommended valid claims for this bonding period would be paid 100 percent.

Line No. 13 would be the bond for license as a grain dealer effective for the period of July 1, 1999 through June 30, 2000 in the amount of $75,000.

Line No. 14 is staff recommended

valid claims against the bond in the amount of $277,993.86, which can be found on Staff Exhibit No. 2F. This would leave a balance of a negative $202,993.86 for this bonding period, which would indicate that the staff's recommended valid claims would have a payout ratio of approximately 27 cents on the dollar.

Line 16 would be the bond for license as a grain dealer effective for the period of July 1, 2000 to June 30, 2001 in the amount of $75,000.

Line 17 is staff's recommended valid claims against the bond in the amount of $233,442.71, which can be found on Staff Exhibit No. 2G. This would leave a negative balance of $158,442.71, which would indicate that staff's recommended valid claims against this bonding period would be paid approximately 32 cents on the dollar.

Q If the Commission and the Circuit Court ultimately decide that the amount of the valid claims exceeds the amount of bond for any particular bonding period, how would you recommend that that bond be distributed?

A Staff would recommend that the valid claims be

paid on a pro rata basis from all the grain dealer bond proceeds and any interest earned on the same for that particular bonding period.

Q Other than these claims then, have you received any other claims from the publication or from any other patrons of Wheetco?

A No, I have not.

Q Can you think of any other issues regarding these recommendations that I haven't addressed in my questioning?

A No, I cannot.

MR. FRAZIER: Before I turn Bob over for cross-examination, I would request that any party asking questions of Bob state their name and spell it for the record. I also request that if any people do make statements on the record regarding their own claims, that they do so under oath. Other than that, I have no further questions of Bob.

MS. WIEST: At this time, we're going to open this up for questioning. Mr. Arndt, did you have any questions?

MR. ARNDT: I do. Once again, I'm Mark Arndt on behalf of Star Insurance Company. We had a chance to meet before the hearing began. I

want to make a brief statement to the Commission before I begin just to relieve any concerns you might have about how long my questioning will take.

My client is mostly interested in the bond period beginning July 1, 1998 through June 30, 1999 listed on Staff Exhibit No. 2E. I do have some questions for Mr. Knadle regarding all five claims that are listed under that particular bond. That may take a few minutes, but I just want to relieve the Commission or anybody else here that I won't be going through the same exercise with the other two bonding periods, so we won't be here all day and night.

QUESTIONS BY MR. ARNDT:

Q Mr. Knadle, first of all, as you have testified, there appears to be five claims made under bond period listed on Staff Exhibit No. 2E; is that correct?

A Yes.

Q I'd like to start with the first one: Miles Bretsch. I think you testified in Staff Exhibit No. 2E that Mr. Bretsch made a claim for $24,000 and your recommendation to the Commission is that his claim is valid for $23,778.24; is that right?

A That was my recommendation.

Q Can you just explain to me and to the Commission what documents you would have relied on to make that recommendation, what documents were submitted by Mr. Bretsch, and how you would have interpreted them? I guess, specifically, you have to refer to Staff Exhibit No. 3. Let's go ahead and do that.

A Miles Bretsch would have filed -- if you go to Staff Exhibit No. 1E, that's the proof of claim that he filed with the Commission. My recommendation would be on Staff Exhibit No. 3Z.

Q Specifically, I'd like to direct your attention to Staff Exhibit No. 3Z and the first page -- I think there are a number of pages that are attached to Staff Exhibit No. 3Z -- but the first page of Staff Exhibit No. 3Z, if you could get to that please.

A Okay.

Q Are you there?

A Yes.

Q On the left-hand column of Staff Exhibit No. 3Z -- First of all, the page that's actually marked Staff Exhibit No. 3Z, can you describe for me how you refer to that? I think it's referred to as "assembly sheet" at the top. Is that the term

that you would use?
A Yes, it would be.
Q What is an assembly sheet?
A An assembly sheet takes the scale tickets that follow that and puts them on one page. Basically, it would congregate all those scale tickets on this assembly sheet.
Q On the left-hand column of that assembly sheet listed as Staff Exhibit No. 3Z, there appears to be four dates under the column noted "scale or reference numbers, date/test weight". Do you see those?
A Yes.
Q It appears, at least as I read the document, and I realize my print is a little bit soft, three of those four dates would be within this bonding period of July 1, 1998 through June 30, 1999. The fourth or last date listed would be outside that bonding period. Do you have any other explanation of that for me?
A I need to grab another file.
MR. FRAZIER: For clarification, are we talking about the one with the Staff Exhibit No. 3Z actually on it?
MR. ARNDT: Yes.

A I can't read this copy very well either, but it appears that it says 6/9/2000. I'm going to look at the backup here just to make sure. I believe, if you look back one page where it says "No. 9952," it says $40,360 and shows a date of 6/9/99 there. I believe that's probably a typo on the assembly sheet.

Q So it would be your position that the page following Staff Exhibit No. 3Z, which would be part of Staff Exhibit No. 3Z, is a scale ticket numbered 9552; is that what you're referring to?

A Correct. It shows a weight of 4360 and if you go to the previous page, if you look at net weight, the item you're talking about shows 40,360. I believe that should be 6/9/99 instead of 6/9/2000.

MR. MILES BRETSCH: I'm Miles Bretsch and I'll testify that's what the case is. It somehow got wrong on the assembly sheet.

Q Good. I guess that answers that. Again, just so I'm clear and the record is clear, Mr. Knadle, you believe that that scale ticket of 9552 reflects the fourth entry on the assembly sheet that's actually dated 6/9/2000?

A Correct.

Q And you believe that because the numbers on

the scale ticket correspond to that entry of what is listed as June 9, 2000?

A That's correct. They have the same net weight as that scale ticket does.

Q Let's go ahead and move to the next claim under this bond period, Kjerstad Farm Partnership. Can you tell the Commission what documents you relied on to make your recommendation for that claim?

A Staff Exhibit No. 1F.

Q Do you have Staff Exhibit No. 1F in front of you now, Mr. Knadle?

A Yes.

Q There are a number of documents that actually accompany Staff Exhibit No. 1F, more than one page; is that right?

A Correct.

Q That takes care of my questions for that claim. Let's move to Lazy BS, LLP/Stan Anderson. Can you again state for the record the documents you relied on in making your recommendation for that claim?

A Staff Exhibit Nos. 1G and 3AB.

Q Let's move on to the claim of Mr. Tiegs. Can you tell the Commission which documents you relied

on for that claim?

A Staff Exhibit No. 1H and 3AF.

Q And then the last claim on Staff Exhibit No. 2 is a claim for D&M Grain. Can you tell the Commission what exhibits you relied on to make that recommendation?

A Staff Exhibit No. 1I and 3AH.

Q Can you explain to the Commission and to myself the difference in your recommendation on D&M Grain's claim. I think the amount of the claim it looks like is $1,691.25, yet the amount of your recommendation actually exceeds that amount of the claim. Can you explain the difference please?

A Yes, I can. D&M Grain submitted one proof of claim but it falls under different bonding periods. They had one that fell in this bonding period and one, I think, that would fall in the next bonding period. Basically, what the difference would be, D&M claimed an amount for $1,500 for durum and an amount of $191.25 for service charge.

The company records would show an amount of $2,010.33 for the durum. They also had an accounts receivable balance of $123 for that bonding period. That would be basically the difference between the two claims.

Q Can you show me specifically which document it is that you're looking at for that testimony you just gave?
A Yes. If you go to Staff Exhibit No. 3AH, you will run into a page that's called "Durum," a handwritten one.
Q I'm assuming your Staff Exhibit No. 3AH is in the same order as mine. Can you give me an idea of how many pages it is?
A It's toward the back.
Q I've been handed a copy by Mr. Frazier and I'm sure that is included in my documents. Tell me again what figures you were relying on in that document to explain the testimony you just gave in response to my last question.
A Essentially, what this handwritten page does is it shows what the balance was for the company and the backup for that would be found on the next page back from that on assembly sheet No. 2684. That's the $2,010 for that durum.
Q Do you know whose handwriting this is on the handwritten sheet under Staff Exhibit No. 3AH?
A Mine.
Q So explain to me the figures that are written here. First of all, durum is listed at the top of

the page and then there's two dates: April 10, 1999 to May 1, 1999.

A That's when the grain was delivered.

Q And you're relying on this assembly sheet to determine that; is that right?

A That's correct.

Q The copy I've been given is a little bit fuzzy and it's hard to see the dates, but I'm assuming from your testimony that you've been able to decipher those dates of 4/10/99 to 5/1/99 to your satisfaction. You're confident that those are the dates that the grain was delivered?

A Yes, I am.

Q After totalling those dates and the grain that was delivered on those dates, based on the assembly sheet, the total payout is $2,010.33; is that right?

A That's the amount remaining.

Q Did that take into account this service charge of $191.25 that's listed on the durum sheet?

A No, it does not.

Q It would be your opinion that such a service charge would not be appropriate under the bond; is that right?

A That was my testimony.

Q How do we get to the figure that you are recommending of $1,887.33?
A You would reduce the $2,010.33 by the accounts receivable of $123, which, if you go back to the next page, will provide support for that, the next two or three pages actually.
Q I'm looking at a document now contained within Staff Exhibit No. 3AH. There is a table entitled "Wheetco, Inc. Accounts Receivable" on top.
A That would be correct. If you look at D&M Grain, the $123 would be the due date of 1/22/99 and 4/14/99. The total of those two numbers.
Q If you go below those top two lines, under D&M Grain, there's four more entries for D&M Grain; is that right?
A That's correct. Those amounts will be deducted in the next bonding period.
Q So those have no application to the bonding period of July 1, 1998 through June 30, 1999; is that right?
A That would be correct.
Q Thank you, Mr. Knadle. I think you testified toward the end of your question by Mr. Frazier that you are recommending that any interest earned on

these bonds would be applied to the claimants on some type of pro rata basis as well as the balance or the principal of the bonds; is that right?

A That's my recommendation.

Q I know we had an opportunity to speak about this briefly before the hearing. Do you rely on any authority in making that recommendation that the interest itself from the bonds would be applied to the payoffs to the claimants?

A No, I do not have the authority. That's my recommendation.

Q But you're not relying on any statutory authority or any case authority to make that recommendation; is that right?

A That's correct.

MR. ARNDT: Thank you. That's all the questions I have for Mr. Knadle. I would represent to the Commission that if some of the claimants under this bond period are present and testify, I would like the opportunity to question them.

QUESTIONS BY MR. BURG:

Q What's the relationship between Northern Prairie Seeds and Wheetco?

A It is my understanding that Mr. Wheeting has a

partnership with his son in that company.

Q Is that company in bankruptcy as well?

A Not that I'm aware of.

Q But they did receive insufficient funds from that company; is that correct?

A Yes, they did.

Q Is that a licensed company?

A No, they are not.

MS. WIEST: Do any of the claimants have any questions of Mr. Knadle? After that, you will actually get an opportunity to testify.

MR. ARNOLD SCHURR: We'll probably have some questions, but I don't know just what or when.

MS. WIEST: This is the opportunity to ask questions of Mr. Knadle.

MR. ARNOLD SCHURR: I have questions, yes. I don't know if he's the proper one to ask or if it's correct to ask the Commission.

MS. WIEST: The only questions you can ask at this time would be for Mr. Knadle.

QUESTIONS BY MR. ARNOLD SCHURR:

Q I was given a little bit of documentation here that I haven't seen before. It's very sparse, but

it seems as though there was a hearing held on July 7, 2000. Are you familiar with that hearing?

A Yes.

Q I have page 1 and then I also have page 27. I have nothing in between there. Is this all the same hearing?

A Yes, it would be the same hearing. There was evidence presented at that hearing that would indicate that you had common stock.

Q I see in the documentation on page 27 our name comes up and it was testified to as a fact that we were stockholders in this Wheetco, and we were not.

Also, you gave me some kind of a subscription agreement. Was that presented at this hearing?

A No, that came from the company records of Wheetco.

Q When?

A I think it was shortly after they filed Chapter 11 bankruptcy.

Q When did they file that?

A In September of 2000.

Q That was Chapter 11?

A Right, Chapter 11.

Q This hearing took place on July 7 and it was

stated that we had stock in this company. Do you accept that as fact?

A That was the evidence that was presented by Wheetco at that hearing.

Q I notice that there was evidence presented that we and other people had stock in the company and I'm very concerned about this because it leaves me dangling without being able to collect $97,000 that you admit is owed to us. I just want to see what proof you have that we have stock in that company.

A The evidence I have is the subscription agreement that is in Staff Exhibit No. 3AD.

Q Is this it?

A Right, Larry Wheeting signed and also you signed.

Q What date was that signed?

A I don't believe it has a date on it.

Q That's correct. I happen to have a copy here that has a date on it. It's right here. If you want to see it, I'll bring it to you.

A Okay.

Q See, this is a sham. You guys were screwed up on this deal. This is a crooked deal. This subscription agreement is dated in September

following your hearing.

MS. WIEST: And you'll be able to offer that into evidence and testify.

A What I'm interested in at the moment is I don't want this thing to be adjourned and they say, "Well, you should have stated your case. You're out of luck now." I don't want that to happen. I want to be able to pursue this thing through the courts and I don't want to lose any opportunities here because I think some of the people on the Commission realize that there's a lot more here than what meets the eye. Like it was stated in some of the testimony that Wheetco didn't owe any farmers any money when, in fact, I think they owed closer to $900,000 to farmers.

MS. WIEST: Mr. Schurr, my point is that this is the time for cross-examination of Mr. Knadle. You will get a chance to testify and you will get a chance to present that. If you have any questions of Mr. Knadle, you may ask those questions. Otherwise, we're going to go on to other questions and then we're going to allow any claimants to testify. Then you can make your case.

Q You didn't see this before, did you?

A No, I did not. What I got was the company

records. This is the records that they have that they gave to us.

Q Well, you realize then, by showing you these records two months in advance, this wasn't done. This was done after the fact when they realized they could pull a sham and come up with financing if they could eliminate this much debt and talked us into that.

So then they hire the firm of this Cody to come and see us and talk us into signing this thing and then they're going to pay off all our checks. And they come around with this story and I just want you people to be aware of that that you're being taken in.

MS. WIEST: Does anyone have any further questions of Mr. Knadle?

MR. SAM SCHAUER: I've got the same question. I've got the same documents and I got the papers in the pickup that shows that I had a date on mine and not on yours. Same thing. Just ditto.

MS. WIEST: And you will be able to have an opportunity to put that into the record. Does anyone have any more questions of Mr. Knadle?

QUESTIONS BY MR. KERWYN HOLSING:

Q I notice here that some of the nonsufficient checks that I was issued from Northern Prairie Seeds, is that still under the same bond?
A No. They're not licensed with the Commission, Northern Prairie Seeds. What the hearing is today is for transactions with Wheetco. It's my understanding that was a transaction with Wheetco, even though you got a check by Northern Prairie Seeds. You had Wheetco scale tickets.
Q Would that still be covered under the bond then?
A My recommendation for you was that's a valid claim against the bond for this bonding period.
Q So actually the Northern Prairie Seeds then is not covered under Wheetco's bond?
A No. Basically, you did business with Wheetco and that's a claim against Wheetco for this bond, even though they issued a check from Northern Prairie Seeds, which was nonsufficient funds. You were still doing business with Wheetco. That's my recommendation.
QUESTIONS BY MR. SAM SCHAUER:
Q Why would you rely on a document that don't have a date on it?
A I relied on a couple different documents for

yours. I relied on what was presented in the previous hearing and I also relied on the subscription agreement that you signed.

QUESTIONS BY MR. ARNOLD SCHURR:

Q I noticed here on Staff Exhibit No. 1H that it shows shares sold between the end of January and first of June of 2000, and it lists them all. They're all itemized. And it's got our names on here. It's got that we bought these shares.

Well, I have the dated copy of my subscription agreement. This is the real McCoy. Do you see the date? That's after the fact. I just wanted to point that out.

MS. WIEST: Are there any other questions for Mr. Knadle? Do the Commissioners have any questions of Mr. Knadle?

MR. SAM SCHAUER: I want to reserve the opportunity to show the same thing. I have to get it from the pickup.

MS. WIEST: We'll take a break after Mr. Knadle is done and you'll have an opportunity to go get that. All of the claimants will have an opportunity to testify at this hearing.

QUESTIONS BY MR. FRAZIER:

Q As far as the interest money on the bond, Bob,

Is it your position that the bond money was retrieved for the benefit of the producers in this case?

A Yes, that's what it's for.

Q So, is it your position then that any interest gained on that money, since it was essentially held in trust for these farmers, should go to the farmers; is that your position?

A That would be my position, correct.

Q As far as your reliance on the subscription agreements go, you relied on statements made by Mr. Wheeting at his licensing hearing; is that correct?

A We relied on the evidence that was presented at that hearing.

Q Did Mr. Wheeting testify?

A Yes, he did.

Q And he took an oath when he testified, didn't he?

A Yes, he did.

Q So you were relying on answers which were made under oath; is that true?

A Yes.

Q Did that have some weight on why you took those statements for their face value?

A Yes.

MR. FRAZIER: Nothing further. Thank you.

MS. WIEST: Thank you, Mr. Knadle. Do you have any other witnesses, Mr. Frazier?

MR. FRAZIER: None.

MS. WIEST: Do any of the Commissioners have any questions for Mr. Knadle?

QUESTIONS BY MR. SAHR:

Q Bob, I'm looking through the materials that are in Staff Exhibit No. 3AD. Just so I'm straight on this, the first document is the subscription agreement?

A Correct.

Q That was obtained from the corporate records; is that right?

A That was obtained from Mr. Wheeting at his office in Groton.

Q What was the approximate date that that was obtained?

A I believe that was in September, or right around there.

Q Of 2000?

A Correct.

Q If you flip forward about three sheets,

there's the document that's part of Staff Exhibit No. 3AD and there's a handwritten "exhibit 14" in the upper right-hand corner.

A I have that.

Q It says Wheetco stock register at 5/31/00.

A Correct.

Q Where was this document obtained from?

A This was introduced at that same hearing by the company.

Q Did Mr. Wheeting introduce it?

A I believe his attorney did, if memory serves me correct.

Q Was there any sort of cross-examination or anything about the accuracy of this document, if you recall?

A Not to my recollection. If you go right before that to that transcript, page 27, it says, "If I may, I have a stock register record I didn't think was going to be necessary to put in as an exhibit." I think that refers to this exhibit 14.

Q Was it introduced into evidence or was there any testimony about it other than that?

A I don't recall.

Q Did you review Wheetco's records?

A At what point in time?
Q Let me rephrase that questio... Did you come across this document in Wheetco's records?
A No, I did not. This was presented in that hearing. That's where I received this.
Q Is there anything else that you know of that supports that the shares were sold or were issued during the period in question between July 1, 1999 and June 30, 2000?
A Not that I can recall.
Q Is there anything that indicated that it was issued after July 1, 2000 through September of 2000?
A There's some evidence, I guess, that's going to be presented shortly here that I just became aware of a few minutes ago.

MR. SAHR: I have no further questions.

QUESTIONS BY MR. ARNDT:

Q Mr. Knadle, I'm looking at the South Dakota Administrative Rules, specifically Administrative Rule 20:10:12:14 and 15. I don't know if you're familiar with these, but 14 in essence states that on an annual basis a public grain dealer's license shall submit a financial statement for the most

recently completed year of operation.

During the periods of 1998, 1999, 2000 and 2001, specifically, the three bonding periods that we're speaking of, do you know if Wheetco submitted such financial statements to the PUC for their review?

A They would have to in order to become licensed.

Q Based on your response, you're assuming that? Have you seen such a document?

A For the prior periods, I can't say if it was or not because I started in July of 1999.

Q Did you see any such document for the three bond periods we're dealing with here today?

A The two I would have. The other one, I can't say.

Q So bond periods No. 2 and No. 3 at issue here, that would be the 1999 to 2000 and 2000 to 2001 bonding periods, you would have reviewed the financial statement that's required by the Administrative Rules?

A I believe I would have, correct.

Q First of all, my understanding is Administrative Rule 20:10:12:15 would require that the applicant's balance sheet would show a positive

net worth. Do you recall if the --

MR. FRAZIER: I'm going to object. This hearing was noticed for claims against the bond. I don't see where this is relevant to his recommendations on the claims as far as what licensing went on three years ago. I just don't see where this is relevant to the issue at today's hearing.

MR. ARNDT: In response to that, I will state that I think there is, at least, a small amount of authority and I can cite the case for the court that the surety can rely on the Commission's ability to follow this Administrative Rule when determining whether or not their license would be issued on an annual basis. I would like to make a record about that here today without losing the ability to make that argument in the future.

MS. WIEST: Go ahead.

QUESTIONS BY MR. ARNDT:

Q I guess, I'll repeat the question for you, Mr. Knadle. Are you aware of whether or not the Commission relied on or was able to determine after the annual financial statements that Wheetco would have shown a positive net worth during the bonding periods of 1999 to 2000 and 2000 to 2001?

A The latest period, yes, the Commission did determine after the hearing that they met those two requirements.

Q So your testimony is only about that last bond period then?

A That's the only one I can recall off the top of my head.

MR. ARNDT: Thank you. That's all I have.

MR. FRAZIER: Nothing further.

MS. WIEST: At this point we will take a ten-minute break and when we come back, the claimants will have an opportunity to testify.

(Whereupon, a short break was taken.)

MS. WIEST: At this point, we will take testimony from claimants. I would like to explain something to the claimants at the beginning. Mr. Knadle makes recommendations to the Commission. The Commission certainly isn't bound by any of his recommendations. The Commission will actually take all the evidence into account that's presented today.

My point is that, if you disagree with staff's recommendation or if you would like to further support that recommendation, I would

certainly encourage you to get that on the record so the Commission can consider all the evidence when they make their decision. As was stated earlier, what the Commission does is we're just acting as a receiver for bonds here. We only make a proposed decision to present to the court.

It's the Circuit Court who will actually make a final decision, but it will be based on the record that's being presented here.

With that explanation, I would like a show of hands if you intend to offer testimony at this time. If you change your mind later, I'm not going to hold everybody to it. Okay, Mr. Schurr, would you like to go first?

MR. ARNOLD SCHURR: Sure, I'll go first.

MS. WIEST: Mr. Schurr, if you would like something in the record that's not already in the record that you want considered, please offer it, we'll have it marked, and then I'll ask if anyone has any objections. Please stand up there to be sworn in and then other people will have an opportunity to ask you questions.

MR. BURG: Can they submit documentation after this?

MS. WIEST: I would prefer that they submit the documentation before because, if it's submitted afterwards, then a lot of times I have to open up the record for other people to object to it and have an opportunity for cross-examination. Any documentation that you have, if you think you want to submit it, please try to enter it into the record today.

MR. ARNOLD SCHURR: This is kind of short notice for that because some of the things I just learned here today. I want a copy of this hearing that was held on July 7, and that's not available for me here, it will have to be sent to us. I'd like the opportunity to offer documents and testimony at a later date, if necessary.

MS. WIEST: You can always try to offer it, and then the Commission will decide whether to accept it. If necessary, the Commission has held other hearings after the first hearing based on other evidence.

MR. ARNOLD SCHURR: I realize their time is really valuable and we should get this out of the way if possible. Hopefully, it won't be necessary.

MS. WIEST: That's up to you, but my

point is, if you have the information now, present now.

ARNOLD SCHURR

after first being duly sworn to tell the truth, the whole truth, and nothing but the truth, upon his oath testified as follows:

MR. ARNOLD SCHURR: We're listed on the list of creditors for, I believe, around $97,000. It says that we were not given consideration because we are stockholders.

MS. WIEST: Would you define "we"?

MR. ARNOLD SCHURR: The Schurr's, my son Steve, who's sitting there. He and I are partners. That comprises Schurr's. Anyway, the Commission was given this piece of paper at the hearing that they held on July 7, 2000, and there's not a date on it.

I thought it was kind of unusual to see a document like this that's supposedly worth $100,000 that's not dated anywhere. Usually any kind of agreement has a date. There's none on here. Now, I have the one with the date and the date listed here is September 19, 2000.

So he went to the hearing, explained his case to the Commission or whoever was

listening, and told him that his financial picture had really changed. See, I'm missing all the pages from 1 to 27; there's just these two pages.

Anyway, the question here says, "Good morning, Mr. Wheeting. Good morning." And then they talk about some regular stuff. But then they say, "You talked about stock that was issued between January and April. I believe that changed your financial picture. Who was that stock sold to? Answer: Mr. Schurr, Schurr's, Inc. was an investor; Sam Schauer and Jake Schauer."

We knew nothing about this, not a thing. That's my main point of contention. I guess, he also testified that he didn't owe any farmers any money when, in fact, he owed a lot of farmers a lot of money. That would have skewered up your financial picture.

These things should be checked into. This is on page 2, under No. 8, "Wheetco has experienced cash flow problems but Mr. Wheeting asserted that Wheetco had never had a farmer customer who was not paid." Mr. Wheeting testified that a number of people that Wheetco owed money to were willing to wait for their money.

I don't think that's necessarily so,

but if there's nobody there to contradict that, it got by. You probably know what document this is from.

MS. WIEST: Would you like to offer your subscription agreement, the one that's being referenced to?

MR. ARNOLD SCHURR: Yes, but I don't want to lose it.

MR. FRAZIER: We'll make a copy for you downstairs.

(Whereupon, Exhibit No. A was marked for identification.)

MR. ARNOLD SCHURR: You gave me three sheets of paper other than this stuff here. Anyway, it says "exhibit 14" and it tells here who owns Wheetco. Right here, and this should probably be entered into evidence, it says, "Shares sold between January 31, 1999 and May 31, 2000: D&M Grain Company, 600; Schurr's, 2.000; Raap, 600; Schauer's, 1,500; Northern Prairie Seeds, 808."

My subscription agreement is dated long, long after that, but it was very convenient that your copy wasn't dated. That's how this goes. This was written up in advance or else it was submitted later. I believe you said it was

submitted much later, right?

MS. WIEST: I'm sorry. You can't ask any questions at this point.

MR. ARNOLD SCHURR: Anyway, that's about all I have to say, except I think this is a sham. There's a lot of things going on here that are very dishonest. If anybody has questions, I'll answer whatever I'm capable of.

QUESTIONS BY MR. BURG:

Q I'm a little bit confused. I don't recall exactly all the documents at that hearing. Did you sign a document prior to that hearing even though it wasn't dated?

A We signed a handwritten document on September 19. That was the same date that this is dated.

Q You would testify that you did not sign any document for converting from payables to stocks prior to that July hearing as he advocated?

A Correct. That is correct. September 19 is the first I knew about this.

Q Did you give any verbal commitment that he could have brought to that hearing that you would?

A Absolutely not. This firm of Cody-Crua -- I don't know if you're familiar with this.

Q Yes, we know of them.

A They came to our house twice. I met Mr. Crua, but not at one of those meetings. Anyway, this Mr. Cody came. He was quite convincing. At first I thought he worked for the state, but I understood later that he is in private business.

He led us to believe that by keeping this thing financially sound, he would be able to get some kind of -- I believe it was an SBA loan or some sort of a state aid type loan to keep them in business, and the minute they got this money, we would all get paid. I think there are others here that will probably testify very similar to that.

MS. WIEST: Any other questions of this witness?

QUESTIONS BY MR. SAHR:

Q Mr. Schurr, on the subscription agreement that's marked Staff Exhibit No. 3AD, this is one that does not have the notary block that the one you have does. There's a signature on that that says "Arnold Schurr". Is that your signature?

A Yes.

Q When did you sign that?

A I presume it was on September 19 because we have a notarized document and that's the only

document I signed. I did not sign anything that was not notarized.

Q I'm looking at the notary block. On the first block, on the bottom of the second page, it says, "Larry Wheeting appeared here on September 19." On the next page it says that you appeared on September 19 as well. Do you remember, did you sign this in front of the notary?

A Yes. They took us up to the Roscoe bank, that lady works for the bank.

MR. SAHR: I have no further questions.

MS. WIEST: Mr. Frazier, do you have any questions?

QUESTIONS BY MR. FRAZIER:

Q I know your testimony today is that when the hearing was held, that you hadn't signed this thing.

A Correct.

Q But you did sign it after the hearing?

A On September 19.

Q When you signed this, did you understand that you were converting your grain payables over to common stock?

A Yes and no. We heard a lot of promises that

day.
Q But it was your understanding that when you signed this, it was no longer going to be a receivable, that it was actually going to be stock in his company, right?
A We didn't know it would come to this. It was done as a safeguard to get our money.
Q You feel he took advantage of you when you did that; is that correct?
A I would presume so, yes. I think it's outright fraud is what I think.

MR. FRAZIER: That's all I have.

QUESTIONS BY MR. BURG:

Q Do you have any idea why we have two documents with your signatures on -- one with a notary section and one without a notary section, when you said you only signed one document?
A I presume somebody knows how to run a copy machine.
Q The only way I could imagine is if the section with notary had been covered or something when they copied it.
A That would be possible, or maybe I signed two documents on the same day.
Q One with the notary section and one without?

A I don't know. I write bad enough that you should be able to tell if it's two different signatures.

Q I was just trying to figure out how we ended up with two documents that are physically different; one has a notary section in it and a date, and the other one doesn't.

A I don't believe that the PUC saw this document on July 7. This was produced after September.

Q Even if it were -- and I'll take your word for that -- I was trying to figure out how we came up with two documents with your signature that were physically different.

A I don't know. Is the handwriting the same?

MS. WIEST: Are there any other questions for Mr. Schurr?

MR. CLARK ROEBER: Have him look at the unsigned document and see if he can ascertain if that is or isn't his signature.

MS. WIEST: Could you state for the record whether you believe it to be your signature?

QUESTIONS BY MR. FRAZIER:

Q The question is whether the signatures appear to be exactly the same?

A They are exactly the same.

Q On the front of the paper, page 1 of this, note that --

A I can never sign my name twice the same.

Q -- some material is "x'ed" out. Does it appear that the "x'ed" out portions appear to be exactly the same, where the "s" is written after the Schurr and the materials "x'ed" out after that? Does that appear also to be exactly the same?

A Yes, I'd like to have more time, but it appears to be exactly the same.

MS. WIEST: Are there any other questions of this witness? Are there any objections to the admission of Exhibit No. A, which is the dated subscription agreement? If not, that will be admitted. Thank you Mr. Schurr.

MR. FRAZIER: Mr. Schurr wishes to have the original back.

MS. WIEST: Are there any objections to marking a copy as Exhibit A so that Mr. Schurr can have his original back?

MR. FRAZIER: I would have no objection to that at all. We will just note for the record that what we have in our records is a copy and Mr. Schurr has the original.

MS. WIEST: Do any of the other

claimants wish to present any testimony at this time?

MR. SAM SCHAUER: I've got the same thing here.

MS. WIEST: Mr. Schauer, before we get started, do you want copies made of anything of yours?

MR. SAM SCHAUER: No, I don't want copies made of mine. I won't give you my copies.

SAM SCHAUER

after first being sworn to tell the truth, the whole truth, and nothing but the truth, upon his oath testified as follows:

MS. WIEST: Please state your name and address for the record.

MR. SAM SCHAUER: Sam Schauer, Leola, South Dakota. I just want to submit this date on this subscription agreement. This was issued after the bankruptcy. That's all I got to say, I guess. It was issued September 18 and it's fraud. What he done was fraud.

MS. WIEST: Anything further, Mr. Schauer?

MR. SAM SCHAUER: No.

MS. WIEST: Does anyone have

questions for this witness?

QUESTIONS BY MS. NELSON:

Q Are you saying that he signed your signature? Are you saying you didn't sign it?

A I signed it.

QUESTIONS BY MR. BURG:

Q I don't remember us looking at the record to see if there was the same kind of a copy that he used in July at the hearing that had your signature on it too. Do you remember signing one before September 18?

A No, I don't.

Q Did you make any verbal commitment to convert before September 18?

A I don't know if I did or not. I don't remember because I don't remember the dates. I was busy.

MR. BURG: That's all I have.

QUESTIONS BY MR. SAHR:

Q Do we have the document?

A You have the one without the dates on it. You got that one.

Q It might be beneficial for us to have this other copy.

A No, I'm not going to submit it.

Q Is it your contention that the document that you have that won't be introduced into evidence, that you signed it on September 18, 2000?
A Right.
Q I don't have the document in front of me. Is that what's reflected in the notary block? Did the notary block say September 18 as well?
A Yes.
QUESTIONS BY MR. FRAZIER:
Q Mr. Schauer, even if we were to just submit a copy for the record so that we could --
A No, I won't submit it.
MS. WIEST: Are there any other questions for Mr. Schauer? Thank you, Mr. Schauer. Do any other claimants wish to present any testimony at this time?
JIM SCHAUER
after first being sworn to tell the truth, the whole truth, and nothing but the truth, upon his oath testified as follows:
MR. JIM SCHAUER: My name is Jim Schauer. I want to ask where all the assets that Larry Wheeting listed, were they sold and listed as finances that were to be paid out?
MS. WIEST: At this time, we're only

taking testimony, not questions.

MR. JIM SCHAUER: I guess, that's all I have to say then.

MS. WIEST: Did any of the other claimants have anything that they would like to testify at this hearing?

MR. ARNOLD SCHURR: I'd like to present this in evidence, fraud. I want that back.

MS. WIEST: Well, we do have a copy of this. What he would like to put into evidence is a finding that, I believe, Mr. Wheeting asserted that Wheetco had never had a farmer that was not paid; is that correct?

MR. ARNOLD SCHURR: Right.

MS. WIEST: Thank you. Is there anything else?

MR. BURG: I would like to recall Bob for just a moment for clarification.

BOB KNADLE

QUESTIONS BY MR. BURG:

Q I want to try to clarify some discussion that happened just before the break and Mr. Arndt can clarify anything that I may ask with questions as well. I got the impression from his line of questioning that the company depended upon the

licensure of the Commission in order to issue a bond. Is that the way it works, or is a bond required before we'll license?

A How it worked was: Before we even have to look at an application for either renewal or a new license, they have to submit an application with us with the appropriate fee and a bond from a bonding company.

Q I just wanted to clarify that it's a requirement of licensure that a bond be obtained.

A That's before the Commission would even have to look at it. That would be correct.

MS. WIEST: Any other questions? Thank you. At this point, I will give an opportunity for anyone to make any closing statements. Mr. Frazier, do you have any closing statements?

MR. FRAZIER: I have no closing statements.

MS. WIEST: Mr. Arndt?

MR. ARNDT: Thank you. To follow up with Commissioner Burg's last question to Mr. Knadle, I would like to clarify that my line of questioning regarding the administrative regulations 14 and 15 were simply to preserve a

record regarding that issue; certainly, not asserting that that would be an argument or position of Star Insurance Company. Beyond that, I've got a couple of quick arguments I'd like to make to the Commission, again regarding specifically my client's main interest, which is the bond period listed in Staff Exhibit No. 2E, July 1, 1998 through June 30, 1999.

First of all, regarding D&M Grain, which is the last claim under that bond that's listed, I think the statute mandates that a claimant needs to submit their claim in writing to the PUC prior to this hearing. D&M Grain did do that in this case. They submitted the claim of $1,691.25, and for the PUC to grant an award that's greater than that, I think, is contrary to the statute, specifically referring to 45:45:19 that states that the claimant must make the claim in writing. The claimant in this particular instance did so.

Despite Mr. Knadle's calculations and his recommendations, I would submit that it would be in error of the PUC to award a claim that is greater under that particular bond than the claim that D&M Grain has made.

Beyond that, I would specifically have an argument regarding the interest that would have accrued under these three bonds while they were taken into receivership and remaining in receivership. I can't tell you exactly what the date is that the three bonds from Star Insurance were submitted, but it is my understanding that they have been submitted and they are in receivership in an interest bearing account.

I would suggest and take issue with Mr. Knadle's position that the interest be distributed to the claimants on some type of pro rata basis. I think it's clear that the surety is still the owner of those bonds and they have been from the day that they were submitted into receivership and continue to be the owner of those bonds until the court makes a determination of how those bonds should be distributed, and they are, in fact, distributed.

Any interest that's accrued from those three bonds into receivership is clearly the property of the surety. They are the owners of the bond, continue to be the owners of the bond; therefore, any interest that's generated until the court decides how it should be distributed, should

be to the benefit of the surety and not the claimants.

MS. WIEST: Thank you. Anything else at this time? If not, the Commission will take this under advisement. As I mentioned before, the Commission issues a proposed decision to Circuit Court. We will serve it on all of the claimants involved. If you have any questions, I would ask that you direct your questions to Mr. Knadle after this meeting.

JIM SCHAUER: Do checks that were issued before Mr. Wheeting filed for Chapter 11, were they paid? Are they any different than any other checks?

MS. WIEST: I'm not sure. Maybe you can talk to Mr. Frazier.

MR. FRAZIER: Yes, I'll talk to you after the hearing.

MS. WIEST: Thank you. This will close the hearing at this time.

Page 2

MR. BURG: I'll begin the hearing for Docket GD01-003 in the matter of the grain dealer's bonds of Wheetco, Inc. The time is approximately 1:00 p.m. The date is January 16, 2002, and the location of the hearing is the Department of Labor Meeting Room, 420 South Roosevelt, Aberdeen, South Dakota.

I'm Jim Burg, Commission Chairman. Commissioners Pam Nelson and Bob Sahr are also present. I will preside over this hearing. The hearing was noticed pursuant to the Commission's Order for and Notice of Hearing issued November 30, 2001.

The issue at this hearing will be to determine claims against the cash proceeds of the following grain dealer's bonds: (1) the bond commencing July 1, 1998 and ending June 30, 1999; (2) the bond commencing July 1, 1999 and ending June 30, 2000; (3) the bond commencing July 1, 2000 and ending June 30, 2001, with Star Insurance Company being the surety.

All parties have the right to be present and to be represented by an attorney. All persons so testifying will be sworn in and subject to cross-examination by the parties. The

Page 3

Commission will make a proposed decision to the Circuit Court. The Circuit Court's decision may be appealed to the State Supreme Court.

Rolayne A. Wiest will act as Commission Counsel. She may provide recommended rulings on procedural and evidentiary matters. The Commission may overrule its Counsel's preliminary rulings throughout the hearing. If not overruled, the preliminary rulings will become final rulings. At this time, I will turn it over to Rolayne to conduct the hearing.

MS. WIEST: First I'll take any appearances.

MR. FRAZIER: Kelly Frazier, Staff Attorney.

MR. ARNDT: Mark Arndt, May & Johnson Law Firm in Sioux Falls, on behalf of the insurer, Star Insurance Company.

MS. WIEST: Would anyone else like to be in the appearances? Before we begin, let me just explain the procedure to you. Generally, what happens is a staff person, Mr. Knadle, will put in the claims that have been submitted to the Commission and then I believe he has a recommendation that he has made up to the

Page 4

Commission. You can listen to all of that testimony.

After that time period, it will be possible for any other such claimants to put any testimony on the record also. You don't have to make that decision right now. You can wait until you've heard Mr. Knadle's testimony. Does anybody have any procedural questions at this time before we begin? If not, I believe you may call your first witness, Mr. Frazier.

MR. FRAZIER: Yes, I would call Bob Knadle.

BOB KNADLE

after first being sworn to tell the truth, the whole truth, and nothing but the truth, upon his oath testified as follows:

QUESTIONS BY MR. FRAZIER:

Q Good afternoon, Bob. Would you please state your name and spell it for the record?

A Good afternoon. Bob Knadle, K-N-A-D-L-E.

Q What's your educational background, Bob?

A I received a Bachelor or Science Degree from South Dakota State University in Commercial Economics in December of 1979.

Q Where are you currently employed?

Page 5

A The South Dakota Public Utilities Commission.

Q How long have you been employed there?

A Since March of 1980.

Q What's your position with the PUC?

A I am currently a director in the Transportation Warehouse Division of the Commission.

Q Is it part of your job with the PUC to monitor licensed grain dealers?

A Yes, it is.

Q In the process of doing so, did you become familiar with a company called Wheetco, Incorporated?

A Yes, I did.

Q Did Wheetco apply to become a licensed grain dealer with the PUC?

A Yes, they did.

Q Did they do so?

A Yes, they did.

Q I'm handing you what has been premarked as Staff Exhibit No. 4. Would you please describe that document, Bob?

A Yes. This is a South Dakota Grain Dealer's License, Non-Storage, for Wheetco, Incorporated; License No. 1517. It was issued on July 10, 2000

Page 6

and expired at midnight on June 30, 2001.
Q Does this appear to be the same license that was issued to Wheetco?
A Yes, it does.
Q Same contents?
A Yes.
MR. FRAZIER: I would move to enter Staff Exhibit No. 4.
MS. WIEST: Any objection? If not, Staff Exhibit No. 4 is admitted.
QUESTIONS BY MR. FRAZIER:
Q In order to obtain this license, was Wheetco required to post a bond?
A Yes, they were.
Q I'm handing you now what has been premarked Staff Exhibit Nos. 5A, 5B, and 5C. Would you please describe these documents?
A Yes. Staff Exhibit No. 5A is a Grain Dealer's Bond for Wheetco, Incorporated. It was issued by Star Insurance Company in the amount of $75,000 for the grain dealer's bond. It is for the year commencing July 1, 1998 and ending June 30, 1999.
Staff Exhibit No. 5B is the Bond for Use by Public Grain Warehousemen and Grain Dealers issued to Wheetco Incorporated by Star Insurance

Page 7

Company. It is in the amount of $75,000 for the Grain Dealer's License for the period commencing July 1, 1999 and ending June 30, 2000.
Staff Exhibit No. 5C is the Bond for Use by Public Grain Warehousemen and Grain Dealers issued to Wheetco, Incorporated by Star Insurance Company. It is in the amount of $75,000 for the Grain Dealer's License for the period commencing July 1, 2000 and ending June 30, 2001.
Q To the best of your recollection, do these appear to be the same bonds with the same contents that you recall when they were issued?
A Yes, they do.
MR. FRAZIER: If there's no objections, I would move to enter Staff Exhibit Nos. 5A, 5B, and 5C.
MS. WIEST: Are there any objections to those? If not, they'll be admitted.
QUESTIONS BY MR. FRAZIER:
Q To your knowledge, did there come a time when Wheetco, Inc. ultimately went out of business?
A Yes.
Q Could you describe your recollection of those events?
A Yes. On September 7, 2000, Wheetco, Inc.

Page 8

filed a petition for reorganization pursuant to Chapter 11 of the U.S. Bankruptcy Code in U.S. Bankruptcy Court, District of South Dakota. On April 19, 2001, the Chapter 11 Case was converted to a Chapter 7 case in the U.S. Bankruptcy Court, District of South Dakota.
Wheetco entered into a stipulation with the Commission where Wheetco voluntarily relinquished its Grain Dealer's License to the Commission, including all rights and benefits bestowed with such license effective as of April 19, 2001.
Q After or simultaneous with the conversion of Chapter 11 to the Chapter 7, is it your understanding that the PUC entered into an agreement with the Trustee for Wheetco regarding the stay that's imposed when a company goes bankrupt? To refresh your memory, I'll show you what's been premarked as Staff Exhibit No. 6. Could you describe that document?
A Yes. Staff Exhibit No. 6 is the stipulation regarding the Grain Dealer's License of Wheetco, Incorporated. Basically, what this does is Wheetco voluntarily relinquished its Grain Dealer's License to the Commission including all rights and benefits

Page 9

bestowed by such license.
This was effective as of April 19, 2001. This is the stipulation I just referred to in my previous statement. It was signed by Larry Wheeting on April 24, 2001.
Q So this is the stipulation between the PUC and Wheetco, correct?
A That's correct.
Q Not the Trustee?
A That's correct.
Q Does this stipulation where he's relinquished his license appear to be the same stipulation, the same contents as when you last saw it?
A Yes, it does.
MR. FRAZIER: If there's no objection, I would move to enter Staff Exhibit No. 6, which is the Stipulated Agreement between the PUC and Wheetco, Inc., Larry Wheeting.
MS. WIEST: Are there any objections? If not, Staff Exhibit No. 6 will be admitted.
QUESTIONS BY MR. FRAZIER:
Q At this point, did the PUC enter into an agreement with the Trustees of Wheetco in the Federal Bankruptcy Court?

Page 10

A Yes, they did.
Q As a result of that agreement, did the PUC then file with the Federal Court to have the stay lifted so it could hold a hearing to administer claims against the bond?
A Yes, they did.
Q As a result of that motion, is it your understanding that the PUC entered into a stipulated agreement with the Trustee regarding the stay that's imposed when a company goes bankrupt?
A Can you rephrase that question please?
Q To your recollection, once Wheetco went bankrupt there in Federal Court, PUC then filed a motion to have the stay lifted so it could administer claims against the bond, right?
A Yes, we did.
Q Once that motion was filed, did the PUC enter into an agreement with the Trustee regarding the stay that had been imposed?
A Yes, they did.
Q Is it your understanding that the Trustee agreed not to resist the motion to have the stay lifted so the PUC could proceed against the bond?
A That would be correct.
Q Pursuant to that stipulated agreement then,

Page 11

was an order signed lifting the stay against the PUC?
A Yes, there was.
Q I'm showing you what's been premarked as Staff Exhibit No. 7. Could you describe that document?
A This Staff Exhibit No. 7 is an order granting the South Dakota Public Utilities Commission motion for relief from automatic stay in the United States Bankruptcy Court, District of South Dakota, Northern Division. It is signed by the Honorable Irvin N. Hoyt, Bankruptcy Judge, the first day of August, 2001.
Q Does this order appear to be the same order with the same contents as you last recall it?
A Yes, it does.
MR. FRAZIER: Then I would move to enter the order lifting the stay against the PUC.
MS. WIEST: Any objections? If not, then it is admitted.
QUESTIONS BY MR. FRAZIER:
Q Once the stay was lifted, did the PUC then file with the Circuit Court to be appointed receiver of Wheetco to determine the merit of claims against the bond?
A Yes, they did.

Page 12

Q I'm showing you now what's been premarked as Staff Exhibit No. 8. Could you please describe this document?
A Yes. This is a petition to appoint South Dakota Public Utilities Commission as receiver. That was filed in the Circuit Court, Fifth Judicial Circuit, dated August 24, 2001.
Q Does this appear to be the same document with the same contents as you remember the PUC filed?
A Yes, it does.
MR. FRAZIER: I would move to enter Staff Exhibit No. 8, Petition for Receivership.
MS. WIEST: Any objection? If not, it is admitted.
QUESTIONS BY MR. FRAZIER:
Q As a result of this motion, was a hearing held?
A Yes, it was.
Q As a result of that hearing, did the Circuit Court then sign an order granting the petition to be appointed receiver?
A Yes, it did.
Q I'm showing you now what's been premarked as Staff Exhibit No. 9. Will you please describe that document?

Page 13

A Yes. This is an order appointing South Dakota Public Utilities Commission as receiver in the Circuit Court, Fifth Judicial Circuit. It has been signed by Judge Larry H. Lovrien, Circuit Court Judge, on September 20, 2001.
Q Does it appear to be the same document with the same contents as you last recall?
A Yes, it does.
MR. FRAZIER: I would move to enter Staff Exhibit No. 9, Order Appointing Receivership.
MS. WIEST: Any objections? If not, it is admitted.
QUESTIONS BY MR. FRAZIER:
Q As a result of this order, was today's hearing scheduled?
A That's correct.
Q What type of notice did you give to known potential claimants?
A The potential claimants were mailed a copy of the Order For Notice Of Hearing for today's hearing. There were approximately 55 potential claimants that were mailed this notice.
Q Did you do any other type of notice?
A Yes. A notice was published in the Sioux Falls Argus Leader, the Aberdeen American News, the

Groton Dakota Press, and the Groton Independent.
Q So you sent the letter to everybody that you thought might have a claim and then, just to be safe, you published it in the newspapers to make sure that anybody else out there might receive notice of today's hearing; is that correct?
A That's correct. We sent notice of the hearing that is being held today.
Q In preparation for today's hearing, did you review the proof of claims which were supplied by the various patrons per letter from the Commission dated August 7, 2001?
A Yes, I did.
Q I'll direct your attention to Staff Exhibit No. 1. Could you please describe what Staff Exhibit No. 1 is please?
A Yes, I can. Essentially, what Staff Exhibit No. 1 is is the proof of claims that were filed with the Commission pursuant to the Commission's request dated August 7, 2001. It would include the August 7, 2001 letter that was previously mentioned. It would also include proof of claims filed by the different potential claimants in this matter.
Q Does this exhibit appear to be the same

exhibit with the same contents as when you prepared it?
A Yes, it does.
Q Within this exhibit, you have what's marked Staff Exhibit No. 1A; is that correct?
A That's correct.
Q Does this letter appear to be the same letter with the same contents as when you sent it out to the patrons?
A Yes. This is the August 7, 2001 letter that I sent to the potential claimants in this matter requesting that they file proof of claims with the Commission in this matter.
Q And then following Exhibit No. 1A is Exhibit Nos. 1B through 1BA; is that correct?
A That would be correct.
Q Do these appear to be the claims that were submitted by the patrons as a result of the letter, Exhibit No. 1A?
A That would be correct.
Q And all of these appear to be the same claims and the same letters you recall when you put this exhibit together?
A Yes, they are.
MR. FRAZIER: I would move to enter

Exhibit No. 1, including Nos. 1A through No. 1BA
MS. WIEST: Does anyone have any objections to the admission of all these exhibits? If not, they will be admitted.
QUESTIONS BY MR. FRAZIER:
Q Have you reviewed the claims that were filed by the patrons in this case, Bob?
A Yes, I have.
Q Did you review the claims and compare them to the company records in order to make the recommendations that this hearing was noticed for today?
A Yes, I did.
Q Did you prepare a summary of those recommendations?
A Yes, I did.
Q Staff Exhibit No. 2 is a summary of all the claims and recommendations. Are you familiar with this document here?
A Yes, I am.
Q Could you please describe it?
A What this Staff Exhibit No. 2 essentially does is it presents the filed claims and staff recommendations on those claims for the different bonding periods in this matter.

Q Does this appear to be the same exhibit and same contents as when you prepared it?
A Yes, it does.
MR. FRAZIER: I would move to enter Staff Exhibit No. 2.
MR. SAM SCHAUER: I object.
MS. WIEST: What is your objection?
MR. SAM SCHAUER: I'm Sam Schauer from Leola. I object. I represent Jake Schauer, that's my brother. We're partners. And Sam, that's me. We got on this stock and we weren't issued any stock.
MR. FRAZIER: I would submit that this exhibit is not being entered for the purpose of proving whether he did or did not have stock. I think that would go to the particular claim itself. We're merely entering this as evidence of the summary of the recommendations and not a claim of whether the stock is or is not valid. I believe that's an issue that could be raised before the Commission at the time that the claim itself is being presented.
MR. ARNOLD SCHURR: I raise the same objection. I'm Arnold Schurr. I would object for the same reasons as Mr. Schauer did. I represent

Page 18

myself and my son, Steve. We were never issued any stock. Some people came to see us, Cody. He was an ex-secretary of agriculture and they came and put the hard sell on us and talked us into converting over to this stock business, but it never was done to my knowledge. Yet, in your document, it says that ours was converted to stock.

I don't think that's fair. It's not right. We delivered sunflowers. We never were paid.

MS. WIEST: At this point, I believe, since this is a recommendation, the Commission will allow it into evidence. Of course, Mr. Schauer and Mr. Schurr will have an opportunity to put your testimony on the record, what actually happened in that case. Staff Exhibit No. 2 will be admitted.

QUESTIONS BY MR. FRAZIER:

Q As in this particular circumstance, were there instances where your recommendations didn't match the claim form that was filed by the patrons in this case?

A Yes, there were.

Q Did you prepare anything to document your reasons why your recommendations varied from the

Page 19

patrons' claims?

A Yes, I did.

Q This document is what's been premarked as Staff Exhibit No. 3. Does this document look familiar to you?

A Yes, it does.

Q Could you please describe it?

A Staff Exhibit No. 3 is documentation for staff changes to file proof of claims by the potential claimant or would be additional clarification to proof of claims that were filed by the potential claimants in this matter.

Q Does this exhibit appear to have the same contents, be the exact same exhibit that you prepared?

A Yes, it does.

MR. FRAZIER: I would move to enter Staff Exhibit No. 3.

MS. WIEST: Are there any objections to Staff Exhibit No. 3? If not, it will be admitted.

QUESTIONS BY MR. FRAZIER:

Q Given that you prepared these exhibits for the purpose of making recommendations, are you prepared to proceed to make the formal recommendations?

Page 20

A Yes, I am.

Q I would direct your and everybody's attention to Staff Exhibit No. 2 where you have prepared a detailed summary of your specific recommendations. Skipping No. 2's first, I'd like to move on to No. 2B. Could you please describe what Staff Exhibit No. 2B is, Bob?

A Yes. Staff Exhibit No. 2B is the filed claims of staff recommendations for the bonding period of July 1, 1995 through June 30, 1996.

Q So Staff Exhibit No. 2B is just for one specific bonding period, July 1, 1995 to June 30, 1996?

A That would be correct.

Q As we go through Staff Exhibit Nos. 2B, 2C, and 2D, you'll be basically walking us through the specific bonding periods; is that correct?

A That's correct.

Q The only name on Exhibit No. 2B is Bert Raap. Could you please give your recommendation regarding the claim of Bert Raap?

A Yes, I can. Bert Raap is claiming an amount of $33,848.33 for seed wheat on Deferred Payment Contract Nos. 2437 and 4497; in an amount of $11,179.43 for sunflowers on Deferred Contract

Page 21

Nos. 2439 and 4497. The company records would support these amounts.

The company records will also show that these amounts were converted to subscription agreement for common stock. Deferred payment contracts are not protected from South Dakota statutory bond coverages per SDCL 49-45-9.

It is also staff's opinion that once the grain payables were converted to common stock, they are no longer a grain payable. Per SDCL 49-45-1.1, subsection 2, the definition of grain will not include grain that has been cleaned, processed, and specifically identified for intended use of planting for reproduction and for which a grain warehouse receipt has not been issued.

It is staff's opinion that the seed wheat would fall in this category and would not be covered by the Grain Dealer Bond. Staff would recommend that Mr. Raap does not have a valid claim.

Q And your documentation from the company records would then be found in Exhibit No. 3A; is that correct?

A That would be correct.

Q Is that it for this bonding period?

Page 22

A Yes, it is.
Q I'd like to direct your attention to Staff Exhibit No. 2C. Could you describe this exhibit?
A Yes. Staff Exhibit No. 2C are filed claims and staff recommendations for the bonding period of July 1, 1996 through June 30, 1997.
Q The first name is Bert Raap. Could you describe your recommendation there?
A Yes. Bert Raap is claiming an amount of $17,741.97 for sunflowers on Deferred Payment Contract Nos. 4497 and 4496 in an amount of $10,888.93 for sunflowers on assembly sheet Nos. 1839 and 1954. The company records would support these amounts but the company records show that Mr. Raap entered into Deferred Payment Contract No. 4479 for the sunflowers in the amount of $10,888.93 per assembly sheet Nos. 1838 and 1854.

The company records also show that the amount $17,741.97 was converted to a subscription agreement for common stock. Deferred payment contracts are not protected by South Dakota statutory bond coverages per SDCL 49-45-9 entitled to the grain passage to buyer upon delivery.

It is also staff's opinion that once

Page 23

the grain payables were converted to common stock, they are no longer a grain payable. Staff would recommend that Mr. Raap does not have a valid claim.
Q Would documentation for that be found in Staff Exhibit No. 3A?
A That would be correct.
Q Jerry Raap?
A Jerry Raap is claiming an amount of $22,235.55 for sunflowers on Deferred Payment Contract Nos. 2449 and 4463. The company records would support this amount. The company records also show that this amount was transferred to a promissory note on September 20, 2000. Per a phone conversation with Larry Wheeting on August 30, 2001, Mr. Wheeting indicated that the promissory notes were entered into with the understanding that if the financing package did not go through, the debt would revert back to a grain payable. In addition, the company via a letter dated October 30, 2000 to all current note holders stated that an exact commencement date on the note payments is not listed and until confirmation and completion of a loan application is done, no certain date can be listed.

Page 24

This wording substantiates Mr. Wheeting's statement that the promissory notes would not be effective unless the financing package was approved. Deferred payment contracts are not protected by South Dakota statutory bond coverages per SDCL 49-45-9 entitled to the grain passage to buyer upon delivery. Staff would recommend that Mr. Raap does not have a valid claim.
Q Would documentation for that be found in Staff Exhibit No. 3B?
A That would be correct.
Q Is that it for this bond period?
A Yes.
Q On to Staff Exhibit No. 2D, could you please describe this exhibit, Bob?
A Staff Exhibit No. 2D is filed claims and staff recommendations for the bonding period of July 1, 1997 through June 30, 1998.
Q And the claim of Fred Wolken, Jr.?
A Fred Wolken, Jr. Is claiming an amount of $751.20 for cracked corn. The company records would support this amount.

It is the staff's opinion that the cleaned and cracked corn has been processed and will not fall under the jurisdiction of the

Page 25

Commission because the grain is not in its original state. Staff would recommend that Mr. Wolken does not have a valid claim.
Q Documentation for that would be found in Staff Exhibit No. 3AI; is that correct?
A Yes.
Q Is that it for that bonding period?
A Yes.
Q Could you describe Staff Exhibit No. 2E?
A Yes. Staff Exhibit No. 2E are filed claims and staff recommendations for the bonding period of July 1, 1998 through June 30, 1999.
Q And the claim of Miles Bretsch?
A Miles Bretsch is claiming an amount of approximately $24,000 for sunflowers. The company records show an amount of $23,778.24. Staff recommends that $23,778.24 is a valid claim.
Q In comments you note that the difference is due to the estimate made by the producer; is that correct?
A That's correct.
Q But the company records with the $23,778.24 would be found in Staff Exhibit No. 3Z; is that correct?
A Yes.

Page 26

Q Kjerstad Farm Partnership for Stephanie Kjerstad.

MR ARNDT: Kelly, I don't mean to interrupt. I don't know if it would be your position or the Commission's position that if we have questions for Bob regarding individual claims, which I would have just a few on Staff Exhibit No. 2E, should we make them now before moving on to the next claim or would you rather I wait until you're finished?

MS. WIEST: I think it would be easier if you would wait until he's finished.

QUESTIONS BY MR. FRAZIER:

Q All right. Kjerstad Farm Partnership then please?

A Kjerstad Farm Partnership, Stephanie Kjerstad, is claiming an amount of $15,591.63 for safflower and $2,423.37 for interest. The company records would support the $15,591.63 for the safflower.

Staff recommends that $15,591.63 is a valid claim. Interest charges are not covered by the bond, which is for the specific purposes of grain purchases.

Q Lazy BS, LLP for Stan Anderson.

A Lazy BS, LLP, Stan Anderson, is claiming an

Page 27

amount of $5,500 for sunflowers and an amount of $964 for interest. The company records would support the amount of $5,500 for the sunflowers.

Staff would recommend that $5,500 is a valid claim. The interest charges are not covered by the bond which is for the specific purpose of grain purchases.

Q And company documentation would be found in Staff Exhibit No. 3AB; is that correct?

A Correct.

Q Gary Tiegs.

A Gary Tiegs is claiming an amount of $8,937.13 for millet. The company records would support this amount. Staff recommends that $8,937.13 is a valid claim.

Q The company documentation would be Staff Exhibit No. 3AF, above and beyond that provided by Mr. Tiegs; is that correct?

A That's correct.

Q D&M Grain.

A D&M Grain is claiming an amount of $1,500 for durum and an amount of $191.25 for service charge. The company records show an amount of $2,010.33 for the durum. The company records also show that D&M Grain has an accounts receivable balance of $123.

Page 28

Staff recommends that the $1,887.33, which is the net of the grain payable in the accounts receivable is a valid claim. The service charges are not covered by the bond, which is for the specific purpose of grain purchases.

Q So there was an offset of an accounts receivable, money due to Wheetco in this case; is that correct?

A That's correct.

Q Could you please describe how you came to offset these debts and balances?

A Yes, I can. What I did was I got in contact with William Pfeiffer, who is a Trustee in the Chapter 11 bankruptcy. Essentially, what I did was ask him if he would be willing to offset the accounts receivable against the accounts payable in this matter and he was willing to do so. Essentially, part of Exhibit No. 3AH would include a letter that basically said that he would agree with this method.

Q So the Trustee agreed to let you take money that was owed to Wheetco and money that was owed from Wheetco and balance them out?

A That would be correct.

Q Is that the last claim for this bonding

Page 29

period?

A Yes, it is.

Q I'd like to direct your attention to Staff Exhibit No. 2F. Could you please describe that exhibit?

A Yes. Staff Exhibit No. 2F are filed claims and staff recommendations for the bonding period of July 1, 1999 through June 30, 2000.

Q And the claim of Bert Raap?

A Bert Raap is claiming an amount of $8,957.16 for sunflowers. The company records would support this amount. The company records also show that $8,930.27 of the $8,957.16 was converted to a subscription agreement for common stock; the balance of $26.89 remaining fully payable.

It is staff's opinion that once the grain payables were converted to common stock, they are no longer a grain payable. Staff would recommend that $26.89 is a valid claim.

Q Documentation for this would be found in Staff Exhibit No. 3A?

A Yes.

Q North Central Farmers Elevator.

A North Central Farmers Elevator is claiming an amount of $12,768.08 for millet and sunflowers.

Page 30

The company records show an amount of $12,096.10. The difference is due to dockage and a prepaid balance for rye purchased. Staff would recommend that $12,096.10 is a valid claim.
Q Further documentation would be found in Staff Exhibit No. 3F; is that correct?
A Yes.
Q Kent Holler.
A Kent Holler is claiming an amount of $3,200.55 for sunflowers. The company records show an amount of $3,175.02. The difference is due to the sunflower checkoff not being deducted before the check was written. Staff would recommend that $3,175.02 is a valid claim.
Q Documentation would be found in Staff Exhibit No. 3G?
A Yes.
Q Sam Schauer.
A Sam Schauer is claiming an amount of $47,749.93 for sunflowers. The company records would support this amount. The company records also show that Mr. Schauer signed a subscription agreement for common stock which converted $45,250 out of the $47,749.93 grain payable for 905 shares of common stock, leaving a grain payable balance of

Page 31

$2,499.93.
The company records also show that there was a $10.99 payer on assembly sheet No. 3250. The grain payable balance becomes $2,488.94 after incorporating the error. Wheetco stock register at May 31, 2000, which was introduced as Exhibit 14 at the hearing held in July of 2000 on Docket No. GD001 in the matter of the application of Wheetco, Inc. for a grain dealer license and set in the amount of applicant's bond, would support that the Schauer's -- Sam, 905 shares; and Jake, 595 shares -- have an ownership interest of 1,500 shares of stock in Wheetco.
It is staff's opinion that once the grain payables were converted to common stock, they are no longer a grain payable.
MR. SAM SCHAUER: I object to that.
MS. WIEST: What is your objection?
MR. SAM SCHAUER: There's no stock.
MS. WIEST: At this point, I will overrule your objection. You will have an opportunity to testify on the record.
QUESTIONS BY MR. FRAZIER:
Q Go ahead.
A Staff would recommend that $2,488.94 is a

Page 32

valid claim.
Q And your documentation for this would be found in Staff Exhibit No. 3H; is that correct?
A Yes.
Q Jake Schauer please.
A Jake Schauer is claiming an amount of $29,751.42 for sunflowers. The company records would support this amount. The company records also show that Mr. Schauer signed a subscription agreement for common stock which converted $29,750 out of $29,751.42 grain payable for 595 shares of common stock, leaving a grain payable balance of $1.42.
Wheetco stock register on May 31, 2000 in Docket No. GD001 in the matter of the application of Wheetco, Inc. for a grain dealer license in setting the amount of applicant's bond would support that the Schauer's -- Sam, 905 shares; and Jake, 595 shares -- have an ownership interest of 1,500 shares of stock in Wheetco.
It is staff's opinion that once the grain payables were converted to common stock, they are no longer a grain payable. Staff would recommend that $1.42 is a valid claim.
Q And documentation for this would be found in

Page 33

Staff Exhibit No. 3I; is that correct?
A Yes.

Q The documentation for that would be found in Staff Exhibit No. 3L; is that correct?
A Yes.
Q Don Hearnen.
A Don Hearnen is claiming amounts of $27,793.36 for sunflowers. The company records would support

Page 34

this amount. The company records also show that October 16, 2000, Mr. Hearnen converted $22,857.37 out of the $27,793.36 grain payable to promissory note, leaving a grain payable balance of $4,935.97.

Per phone conversation with Larry Wheeting on August 30, 2001, Mr. Wheeting indicated that the promissory notes were entered into with the understanding that if the financing package did not go through, then the debt would revert back to a grain payable. In addition, the company via a letter dated October 30, 2000 to all current note holders stated that an exact commencement date on the note payments is not listed and until confirmation and completion of the loan application is done, no certain date can be listed.

This wording substantiates Mr. Wheeting's statement that the promissory notes would not be effective unless the financing package was approved. Staff recommends that $27,793.36 is a valid claim.

Q And it appears that he also received NSF checks?

A Yes.

Q The documentation for this would be found in Staff Exhibit No. 3M; is that right?

Page 35

A Staff Exhibit No. 3M.

MR. FRAZIER: As a side note, the Shauer's have stated their objections. I think it's only fair that they have a copy of Staff Exhibit Nos. 3H and 3I so they can see the documentation that Bob has for those recommendations so they're prepared for their objection.

Q Merritt Patterson & Sons/Dale Patterson.

A Merritt Patterson & Sons/Dale Patterson are claiming an amount of $14,845.05 for safflower. The company records would support this amount. Mr. Patterson also submitted evidence of the transfer of $14,845.05 grain payable to a promissory note on October 4, 2000. Per phone conversation with Larry Wheeting on August 30, 2001, Mr. Wheeting indicated that the promissory notes were entered into with the understanding that if the financing package did not go through, then the debt would revert back to a grain payable.

In addition, the company via a letter dated October 30, 2000 to all current note holders stated that exact commencement date on the note payments is not listed and until confirmation and completion of the loan application is done, no

Page 36

certain date can be listed. This wording substantiates Mr. Wheeting's statement that the promissory notes would not be effective unless the financing package was approved. Staff recommends that $14,845.05 is a valid claim.

Q Documentation for this would be found in Staff Exhibit No. 3O; is that correct?

A Yes.

Q KSP Farms, Inc., Kevin Swanson.

A KSP Farms, Inc., Kevin Swanson, is claiming an amount of $3,573.77 for sunflowers. The company records would support this amount. Staff recommends that $3,573.77 is a valid claim.

Q It appears in this case that KSP Farms received an NSF check from Northern Prairie Seeds; is that correct?

A Yes.

Q So it appears that they were using Northern Prairie Seeds' checks to pay off Wheeteo debts; is that what it appears to be?

A Yes.

Q Clark Roeber.

A Clark Roeber is claiming an amount of $15,246.45 for sunflowers. The company records would support this amount. Staff recommends that

Page 37

$15,246.45 is a valid claim.

Q It appears that Mr. Roeber also received NSF checks; is that correct?

A Yes.

MR. CLARK ROEBER: May I ask a question here please?

MS. WIEST: You will have an opportunity to ask questions when he's done. Can you wait until then?

MR. CLARK ROEBER: Yes.

MR. FRAZIER: Would you like a copy of the documentation for this claim, Mr. Roeber?

MR. CLARK ROEBER: No, that's all right. I just wondered why there was no documentation for this in that column and the entire amount -- I'll wait until he's done.

QUESTIONS BY MR. FRAZIER

Q Joel Durheim from First National Bank of Frederick.

A Joel Durheim is claiming an amount of $6,305.10 for sunflowers. The company records would support this amount. Staff recommends that $6,305.10 is a valid claim.

A That's correct.

A Joe Cameron did not claim an amount for this bonding period. The company records show an amount of $5,038.57 for millet. which is the net of the grain payable and the accounts receivable, is a valid claim.
Q Company documentation would be found in Staff Exhibit No. 3T?

A Yes.
Q KH, Inc.
A KH, Inc. is claiming an amount of $4,002.11 for sunflowers. The company records show an amount of $3,950. The difference is due to the sunflower checkoff and adjustment for stock transfer fee of $7.99. Staff recommends that $3,950 is a valid claim.
Q And Staff Exhibit No. 3B is the company documentation, correct?
A Yes.
Q Witten Feed and Grain.

A Witten Feed and Grain is claiming an amount of $4,804.80 for milo. The company records show $4,290.49 for the milo and $511.74 for freight.

Q Clem Handcock please.
A Clem Handcock is claiming an amount of $3,005.32 for millet plus interest charges. The company records show an amount of $3,005.64 for the millet.

Staff recommends that $3,005.64 is a valid claim. Interest charges are not covered by the bond, which is for the specific purpose of grain purchases.
Q Documentation is found in Staff Exhibit No. 3AC?
A Yes.
Q The Schurr's please.
A The Schurr's are claiming an amount of $95,601.11 for sunflowers. The company records show $96,050. The differences are due to the following: (1) The Schurr's not deducting the sunflower checkoff in the amount of $233.27; (2) The amounts of $27,133.93 and $15,152.32 claimed by the Schurr's were transferred to assembly sheet No. 3085. The total amount due was increased by $674.15; (3) There was added back $7.99 on adjustment for stock transfer.
The company records also show that Mr. Schurr signed a subscription agreement for common stock which transferred the $96,050 grain payable for 1,921 shares of common stock.
MR. ARNOLD SCHURR: Excuse me, you're talking about a man who can't even hear you. Speak up. I just want to be sure I can testify

Page 42

later.
MR. KNADLE: Would you like me to start over on your recommendation?
MR. ARNOLD SCHURR: No, go ahead. I know good enough what they are.
QUESTIONS BY MR. FRAZIER:
Q Are you finished with that claim yet, Bob?
A No. The company records also show that Mr. Schurr signed a subscription agreement for common stock, which transferred the $96,050 grain payable for 1,921 shares of common stock. Wheetco stock register on May 31, 2000, which was introduced as Exhibit No. 14 at the hearing held in July, 2000, Docket No. GD001 in the matter of the application of Wheetco, Inc. for a grain dealer license and set in the amount of applicant's bond, would support that the Schurr's have an ownership interest of 2,000 shares of stock in Wheetco.
It is staff's opinion that once the grain payables were converted to common stock, they are no longer a grain payable. Staff would recommend that the Schurr's do not have a valid claim.
Q Documentation would be found in Staff Exhibit No. 3AD, correct?

Page 43

A Yes.
Q Rix Farms, Inc.
A Rix Farms is claiming an amount of $62,672.12 for sunflowers. Some certified Oxen wheat, certified Ignot wheat, certified Russ wheat and wheat. The company records would support this amount.
Per SDCL 49-45-1.1, subsection 2, the definition of grain would not include grain that has been cleaned, processed, or specifically identified for intended use of planting for reproduction and for which a grain warehouse receipt has not been issued. It is staff's opinion that the certified Ignot wheat in the amount of $13,022.67; the certified Russ wheat in the amount of $20,926.80; and the certified Oxen wheat in the amount of $14,227.35 would fall in this category and would not be covered by the grain dealer bond.
The company records also show that Rix Farms transferred $60,846.03 out of the $62,672.12 grain payable to a promissory note on October 6, 2000. Per phone conversation with Larry Wheeting on August 30, 2001, Mr. Wheeting indicated that the promissory notes were entered into with the understanding that if the financing package did

Page 44

not go through, the debt would revert back to a grain payable.
In addition, the company via a letter dated October 30, 2000 to all current note holders stated that exact commencement date on the note payments is not listed and until confirmation and completion of the loan application is done, no certain date can be listed. This wording substantiates Mr. Wheeting's statement that the promissory notes would not be effective unless the financing package was approved. Staff would recommend that $14,495.30 is a valid claim.
Q Documentation for that would be found in Staff Exhibit No. 3AE?
A That's correct.
Q Erickson Farms.
A Erickson Farms is claiming an amount of $4,200.40 for wheat and approximately $450 for trucking. The company records show an amount of $3,822 for millet and an amount of $353.62 for wheat, for a total amount due of $4,175.62. Staff recommends that $4,175.62 is a valid claim. Q Documentation would be found in Staff Exhibit

Page 45

No. 3AG; is that correct?
A Yes.
Q D&M Grain.
A D&M Grain is claiming an amount of $67,77870 for sunflowers; an amount of $8,199.60 for oats; an amount of $30,579.82 for millet; an amount of $478 for service charge. Company records show an amount of $8,331 for oats; an amount of $61,613.70 for sunflowers; an amount of $25,483.19 for millet.
The difference of $6,165 for the sunflowers is related to payments made by the company not included in the proof of claim filed by D&M Grain. The difference of $131.40 for oats is due to the price per bushel. The difference of $5,096.63 for the millet is due to the price per pound. D&M Grain is claiming 9 cents and Wheetco is showing 7-1/2 cents per phone call to Larry Wheeting on October 4, 2001.
The company records also show that D&M Grain has an accounts receivable balance of $1,122.60. Staff recommends that $94,305.29, which is the net of the grain payables of $8,331 for oats; $61,613.70 for sunflowers; and $25,483.19 for millet, and the accounts receivable balance of $1,122.60 is a valid claim. Services charges are

Page 46

not covered by the bond, which is for the specific purpose of grain purchases.
Q Documentation for that would be found in Staff Exhibit No. 3AH?
A Yes.
Q Is that it for that bonding period?
A Yes, it is.
MR. FRAZIER: People will be given an opportunity to ask Bob questions on their own and we request that anybody who wishes to discuss matters would do so out in the hall where they won't interrupt the testimony and other people's ability to hear the testimony.
Q Could you describe Staff Exhibit No. 2G please?
A Yes, Staff Exhibit No. 2G is filed claims and staff recommendations for the bonding period of July 1, 2000 through June 30, 2001.
Q Would you give your recommendation for the claim of Roger Hurlbert please?
A Yes. Roger Hurlbert is claiming an amount of $4,436.37 for sunflowers. The company records show an amount of $4,231.50. The difference is due to dockage and the sunflower checkoff. Staff would recommend that $4,231.50 is a valid claim.

Page 47

Q And the documentation for that would be found in Staff Exhibit No. 3C; is that correct?
A Yes.
Q Russ Hurlbert please.
A Russ Hurlbert is claiming an amount of $2,957.58 for sunflowers. The company records show an amount of $2,821. The difference is due to dockage and the sunflowers checkoff. Staff would recommend that $2,821 is a valid claim.
Q Company documentation would be found in Staff Exhibit No. 3D; is that correct?
A Yes.
Q Gary Meikeljohn.
A Gary Meikeljohn is claiming an amount of $23,639.64 for sunflowers. The company records show an amount of $23,468.64. The difference is due to the sunflowers checkoff and pounds on scale ticket No. 11370.
The company records also show that this amount was transferred to a promissory note on October 10, 2000. Per phone conversation with Mr. Wheeting on August 30, 2001, Mr. Wheeting indicated that the promissory notes were entered into with the understanding that if the financing package did not go through, then the debt would

Page 48

revert back to a grain payable.
In addition, the company via a letter dated October 30, 2000 to all current note holders stated that exact commencement date on the note payments is not listed and until confirmation and completion of the loan application is done, no certain date can be listed.
This wording substantiates Mr. Wheeting's statement that the promissory notes would not be effective unless the financing package was approved. Staff recommends that $23,468.64 is a valid claim.
Q The documentation for that claim would be found in Staff Exhibit No. 3E; is that correct?
A Yes.
Q The Duenwald Brothers/Bank of Hoven.

A The Holyoke Coop Association is claiming an amount of $17,315.65 for millet. The company records would support this amount. The company records also show that Holyoke Coop Association has an accounts receivable balance of $4,837.92. Staff recommends that $12,477.73, which is the net of the

Page 50

grain payable and accounts receivable, is a valid claim.
Q So this is one where there was a setoff, correct?
A Yes.
Q Documentation for that would be found in Staff Exhibit No. 3K?
A Yes.
Q Your recommendation for Fred Eisenbraun/First Western Bank?
A Fred Eisenbraun is claiming an amount of $5,820 for safflower. The company records show an amount of $5,659.15. The difference is due to dockage and the safflower checkoff. Staff recommends that $5,659.15 is a valid claim.

A Yes.
Q RDZ Farms, Inc.
A RDZ Farms, Inc. is claiming an amount of $6,138.31 for the millet. Company records would support this amount. Staff recommends that $6,138.31 is a valid claim.

Page 51

Q The NSF in this case came from Northern Prairie Seeds; is that right?
A Correct.
Q Merritt Patterson & Sons, Dale Patterson.
A Merritt Patterson & Sons, Dale Patterson, are claiming an amount of $5,339.17 for safflower. The company records would support this amount.
Mr. Patterson also submitted evidence of transfer of the $5,339.17 grain payable to promissory note on October 4, 2000. Per phone conversation with Larry Wheeting on August 30, 2001, Mr. Wheeting indicated that the promissory notes were entered into with the understanding that if the financing package did not go through, the debt would revert back to a grain payable.
In addition, the company via a letter dated October 30, 2000 to all current note holders stated that exact commencement date on the note payments is not listed and until confirmation and completion of the loan application is done, no certain date can be listed. This wording substantiates Mr. Wheeting's statement that the promissory notes will not be effective unless the financing package was approved. Staff recommends that $5,339.17 is a valid claim.

Page 52

Q Documentation above and beyond that provided by the claimant would be found in Staff Exhibit No.4k 3O; is that correct?

Q Leo Naber.
A Leo Naber is claiming an amount of $6,575.56 for millet. Company records would support this amount. Staff recommends that $6,575.56 is a valid claim.

Page 54

not go through, then the debt would revert back to a grain payable. In addition, the company via a letter dated October 30, 2000 to all current note holders stated that an exact commencement date on the note payments is not listed and until confirmation and completion of the loan application is done, no certain date can be listed.

This wording substantiates Mr. Wheeting's statement that the promissory notes will not be effective unless the financing package was approved. Staff recommends that $29,511.49 is a valid claim.

Q The documentation for that would be found in Staff Exhibit No. 3P; is that correct?

A Yes.

Q Jim Faulstich of American State Bank of Pierre.

A Jim Faulstich is claiming an amount of $15,599.82 for sunflowers. Wheeteo records show an amount of $11,843.27. The difference is due to assembly sheet No. 3220 in the amount of $3,756.55 being claimed by Mr. Faulstich, and the check cleared the bank. Staff recommends that $11,843.27 is a valid claim.

Q With documentation found in Staff Exhibit

Page 55

No. 3Q; is that correct?

A Yes.

Q Joe Cameron.

A Joe Cameron is claiming an amount of $7,884.80 for millet. The company records show an amount of $8,255.63. The differences are due to dockage, price per pound, and Mr. Cameron not including scale ticket Nos. 11410 and 11415. The company records also show Mr. Cameron has an accounts receivable balance of $3,962.40. Staff recommends that $4,293.23, which is the net of the grain payable of $8,255.63 and the accounts receivable of $3,962.40, is a valid claim.

Q Documentation of that would be Staff Exhibit No. 3R; is that correct?

A Yes.

Q Clayton Kjerstad.

A Clayton Kjerstad is claiming an amount of $18,736.80 for millet and $800 for trucking. Company records show an amount of $12,118.15 for the millet. The difference of $1,993.65 for scale ticket Nos. 11883, 11884, and 11723 is due to dockage of $659.72, a price difference of $1,333.96.

Company records show that scale

Page 56

ticket No. 11663 claimed by Mr. Kjerstad was paid by check No. 16648 in the amount of $5,893.02. Trucking charges are not covered by the bond, which is for the specific purpose of grain purchases. Staff recommends that $12,118.15 is a valid claim.

Q Documentation for that claim would be found on Staff Exhibit No. 3AJ, is that correct?

A Yes.

Q Farmers Oil Company.

A Farmers Oil Company is claiming an amount of $5,340.37 for sunflowers. The company records show an amount of $5,072.25. The difference is due to dockage and minor weight differences. Staff recommends that $5,072.25 is a valid claim.

Q With documentation in Staff Exhibit No. 3X; is that correct?

A Yes.

Q Kerwyn Holsing.

A Kerwyn Holsing is claiming an amount of $5,230.62 for sunflowers. Company records would support this amount. Staff recommends that $5,230.62 is a valid claim.

Q This was another bad Northern Prairie Seeds' check; is that correct?

A Yes.

Page 57

Q Myron Dieterle.

A Myron Dieterle is claiming an amount of $8,930.85 for sunflowers. Company records show an amount of $8,863.65. The difference is due to the sunflower checkoff and dockage on scale ticket Nos. 11374, 11402, and 11421. Staff recommends that $8,863.65 is a valid claim.

Q Documentation would be found in Staff Exhibit No. 3Y; is that accurate?

A Yes.

Q Again, we have another bad Northern Prairie Seeds' check?

A Yes.

Q Equinox Enterprises.

A Equinox Enterprises is claiming an amount of $9,971.74 for millet, less an amount of $4,085.76 for accounts receivable, for a net amount of $5,885.98. The company records would support this amount. Staff recommends that $5,885.98 is a valid claim.

Q There would be further documentation in Staff Exhibit No. 3AA, is that correct?

A Yes.

Q Finally, Clem Handcock please.

A Clem Handcock is claiming an amount of

Page 58

$25,734.05 for millet, plus contract storage charges of $1,744.11, plus freight of $779.20, minus $4,411.46 for corn, for a total claim of $23,845.90 plus interest charges. The company records show an amount of $25,721.37 for the millet.

The difference is due to minor balances on assembly sheet Nos. 3234, 3243, and 3244, and a minor difference in price on assembly sheet No. 3116. Staff recommends that the freight of $779.20 and the storage of $1,744.11 be deducted from the purchased corn of $4,411.46, leaving a balance due Wheetco of $1,881.18 to be offset against the grain payable of $25,721.37. This leaves a grain payable balance of $23,833.22.

Staff recommends that $23,833.22 is a valid claim. Interest charges are not covered by the bond, which is for the specific purpose of grain purchases.

Q Documentation for this would be found in Staff Exhibit No. 3AC; is that correct?

A Yes.

Q Is that the last claim for that bonding period?

A Yes, it is.

Page 59

Q I'd like to direct your attention back to the exhibit that we skipped, which is Staff Exhibit No. 2A. Could you please describe Staff Exhibit No. 2A, Bob?

A Yes. Staff Exhibit No. 2A is a summary of claims per staff for all the different bonding periods that we just went through. For example, on line 1, there's a bond license of a grain dealer effective for the period of July 1, 1995 through June 30, 1996 in the amount of $75,000.

Line 2 is staff recommended valid claims against the bond for this period, which can be found on Staff Exhibit No. 2B, which indicates zero. So there are no valid claims recommended by staff for this bonding period.

If we go on to line 4, this is a bond for license as a grain dealer effective for the period of July 1, 1996 through June 30, 1997 in the amount of $50,000.

Line 5 is staff recommended valid claims against the bond, which can be found on Staff Exhibit No. 2C, which has an amount of zero.

Line 6 would show the balance for that bond, which is $50,000, the same as the initial bond.

Page 60

Line 7 would be the bond for license as a grain dealer effective for the period of July 1, 1997 through June 30, 1998 in the amount of $75,000.

Line 8 is staff recommended valid claims against the bond, which can be found on Staff Exhibit No. 2D, which is in the amount of zero, which would leave a balance of $75,000 for that bond.

Line 10 would be the bond for license as a grain dealer effective for the period of July 1, 1998 through June 30, 1999 in the amount of $75,000.

Line 11 would be staff recommended valid claims against the bond in the amount of $55,694.33, which can be found on Staff Exhibit No. 2E. This would leave a balance of $19,305.67 for this bonding period, which would indicate that staff's recommended valid claims for this bonding period would be paid 100 percent.

Line No. 13 would be the bond for license as a grain dealer effective for the period of July 1, 1999 through June 30, 2000 in the amount of $75,000.

Line No. 14 is staff recommended

Page 61

valid claims against the bond in the amount of $277,993.86, which can be found on Staff Exhibit No. 2F. This would leave a balance of a negative $202,993.86 for this bonding period, which would indicate that the staff's recommended valid claims would have a payout ratio of approximately 27 cents on the dollar.

Line 16 would be the bond for license as a grain dealer effective for the period of July 1, 2000 to June 30, 2001 in the amount of $75,000.

Line 17 is staff's recommended valid claims against the bond in the amount of $233,442.71, which can be found on Staff Exhibit No. 2G. This would leave a negative balance of $158,442.71, which would indicate that staff's recommended valid claims against this bonding period would be paid approximately 32 cents on the dollar.

Q If the Commission and the Circuit Court ultimately decide that the amount of the valid claims exceeds the amount of bond for any particular bonding period, how would you recommend that that bond be distributed?

A Staff would recommend that the valid claims be

Page 62

paid on a pro rata basis from all the grain dealer bond proceeds and any interest earned on the same for that particular bonding period.
Q Other than these claims then, have you received any other claims from the publication or from any other patrons of Wheetco?
A No, I have not.
Q Can you think of any other issues regarding these recommendations that I haven't addressed in my questioning?
A No, I cannot.
MR. FRAZIER: Before I turn Bob over for cross-examination, I would request that any party asking questions of Bob state their name and spell it for the record. I also request that if any people do make statements on the record regarding their own claims, that they do so under oath. Other than that, I have no further questions of Bob.
MS. WIEST: At this time, we're going to open this up for questioning. Mr. Arndt, did you have any questions?
MR. ARNDT: I do. Once again, I'm Mark Arndt on behalf of Star Insurance Company. We had a chance to meet before the hearing began. I

Page 63

want to make a brief statement to the Commission before I begin just to relieve any concerns you might have about how long my questioning will take.
My client is mostly interested in the bond period beginning July 1, 1998 through June 30, 1999 listed on Staff Exhibit No. 2E. I do have some questions for Mr. Knadle regarding all five claims that are listed under that particular bond. That may take a few minutes, but I just want to relieve the Commission or anybody else here that I won't be going through the same exercise with the other two bonding periods, so we won't be here all day and night.
QUESTIONS BY MR. ARNDT:
Q Mr. Knadle, first of all, as you have testified, there appears to be five claims made under bond period listed on Staff Exhibit No. 2E; is that correct?
A Yes.
Q I'd like to start with the first one: Miles Bretsch. I think you testified in Staff Exhibit No. 2E that Mr. Bretsch made a claim for $24,000 and your recommendation to the Commission is that his claim is valid for $23,778.24; is that right?
A That was my recommendation.

Page 64

Q Can you just explain to me and to the Commission what documents you would have relied on to make that recommendation, what documents were submitted by Mr. Bretsch, and how you would have interpreted them? I guess, specifically, you have to refer to Staff Exhibit No. 3. Let's go ahead and do that.
A Miles Bretsch would have filed -- if you go to Staff Exhibit No. 1E, that's the proof of claim that he filed with the Commission. My recommendation would be on Staff Exhibit No. 3Z.
Q Specifically, I'd like to direct your attention to Staff Exhibit No. 3Z and the first page -- I think there are a number of pages that are attached to Staff Exhibit No. 3Z -- but the first page of Staff Exhibit No. 3Z, if you could get to that please.
A Okay.
Q Are you there?
A Yes.
Q On the left-hand column of Staff Exhibit No. 3Z -- First of all, the page that's actually marked Staff Exhibit No. 3Z, can you describe for me how you refer to that? I think it's referred to as "assembly sheet" at the top. Is that the term

Page 65

that you would use?
A Yes, it would be.
Q What is an assembly sheet?
A An assembly sheet takes the scale tickets that follow that and puts them on one page. Basically, it would congregate all those scale tickets on this assembly sheet.
Q On the left-hand column of that assembly sheet listed as Staff Exhibit No. 3Z, there appears to be four dates under the column noted "scale or reference numbers, date/test weight". Do you see those?
A Yes.
Q It appears, at least as I read the document, and I realize my print is a little bit soft, three of those four dates would be within this bonding period of July 1, 1998 through June 30, 1999. The fourth or last date listed would be outside that bonding period. Do you have any other explanation of that for me?
A I need to grab another file.
MR. FRAZIER: For clarification, are we talking about the one with the Staff Exhibit No. 3Z actually on it?
MR. ARNDT: Yes.

Page 66

A I can't read this copy very well either, but it appears that it says 6/9/2000. I'm going to look at the backup here just to make sure. I believe, if you look back one page where it says "No. 9952," it says $40,360 and shows a date of 6/9/99 there. I believe that's probably a typo on the assembly sheet.

Q So it would be your position that the page following Staff Exhibit No. 3Z, which would be part of Staff Exhibit No. 3Z, is a scale ticket numbered 9552; is that what you're referring to?

A Correct. It shows a weight of 4360 and if you go to the previous page, if you look at net weight, the item you're talking about shows 40,360. I believe that should be 6/9/99 instead of 6/9/2000.

MR. MILES BRETSCH: I'm Miles Bretsch and I'll testify that's what the case is. It somehow got wrong on the assembly sheet.

Q Good. I guess that answers that. Again, just so I'm clear and the record is clear, Mr. Knadle, you believe that that scale ticket of 9552 reflects the fourth entry on the assembly sheet that's actually dated 6/9/2000?

A Correct.

Q And you believe that because the numbers on

Page 67

the scale ticket correspond to that entry of what is listed as June 9, 2000?

A That's correct. They have the same net weight as that scale ticket does.

Q Let's go ahead and move to the next claim under this bond period, Kjerstad Farm Partnership. Can you tell the Commission what documents you relied on to make your recommendation for that claim?

A Staff Exhibit No. 1F.

Q Do you have Staff Exhibit No. 1F in front of you now, Mr. Knadle?

A Yes.

Q There are a number of documents that actually accompany Staff Exhibit No. 1F, more than one page; is that right?

A Correct.

Q That takes care of my questions for that claim. Let's move to Lazy BS. LLP/Stan Anderson. Can you again state for the record the documents you relied on in making your recommendation for that claim?

A Staff Exhibit Nos. 1G and 3AB.

Q Let's move on to the claim of Mr. Tiegs. Can you tell the Commission which documents you relied

Page 68

on for that claim?

A Staff Exhibit No. 1H and 3AF.

Q And then the last claim on Staff Exhibit No. 2 is a claim for D&M Grain. Can you tell the Commission what exhibits you relied on to make that recommendation?

A Staff Exhibit No. 1I and 3AH.

Q Can you explain to the Commission and to myself the difference in your recommendation on D&M Grain's claim. I think the amount of the claim it looks like is $1,691.25, yet the amount of your recommendation actually exceeds that amount of the claim. Can you explain the difference please?

A Yes, I can. D&M Grain submitted one proof of claim but it falls under different bonding periods. They had one that fell in this bonding period and one, I think, that would fall in the next bonding period. Basically, what the difference would be, D&M claimed an amount for $1,500 for durum and an amount of $191.25 for service charge.

The company records would show an amount of $2,010.33 for the durum. They also had an accounts receivable balance of $123 for that bonding period. That would be basically the difference between the two claims.

Page 69

Q Can you show me specifically which document it is that you're looking at for that testimony you just gave?

A Yes. If you go to Staff Exhibit No. 3AH, you will run into a page that's called "Durum," a handwritten one.

Q I'm assuming your Staff Exhibit No. 3AH is in the same order as mine. Can you give me an idea of how many pages it is?

A It's toward the back.

Q I've been handed a copy by Mr. Frazier and I'm sure that is included in my documents. Tell me again what figures you were relying on in that document to explain the testimony you just gave in response to my last question.

A Essentially, what this handwritten page does is it shows what the balance was for the company and the backup for that would be found on the next page back from that on assembly sheet No. 2684. That's the $2,010 for that durum.

Q Do you know whose handwriting this is on the handwritten sheet under Staff Exhibit No. 3AH?

A Mine.

Q So explain to me the figures that are written here. First of all, durum is listed at the top of

the page and then there's two dates: April 10, 1999 to May 1, 1999.
A That's when the grain was delivered.
Q And you're relying on this assembly sheet to determine that; is that right?
A That's correct.
Q The copy I've been given is a little bit fuzzy and it's hard to see the dates, but I'm assuming from your testimony that you've been able to decipher those dates of 4/10/99 to 5/1/99 to your satisfaction. You're confident that those are the dates that the grain was delivered?
A Yes, I am.
Q After totalling those dates and the grain that was delivered on those dates, based on the assembly sheet, the total payout is $2,010.33; is that right?
A That's the amount remaining.
Q Did that take into account this service charge of $191.25 that's listed on the durum sheet?
A No, it does not.
Q It would be your opinion that such a service charge would not be appropriate under the bond; is that right?
A That was my testimony.

Q How do we get to the figure that you are recommending of $1,887.33?
A You would reduce the $2,010.33 by the accounts receivable of $123, which, if you go back to the next page, will provide support for that, the next two or three pages actually.
Q I'm looking at a document now contained within Staff Exhibit No. 3AH. There is a table entitled "Wheetco, Inc. Accounts Receivable" on top.
A That would be correct. If you look at D&M Grain, the $123 would be the due date of 1/22/99 and 4/14/99. The total of those two numbers.
Q If you go below those top two lines, under D&M Grain, there's four more entries for D&M Grain; is that right?
A That's correct. Those amounts will be deducted in the next bonding period.
Q So those have no application to the bonding period of July 1, 1998 through June 30, 1999; is that right?
A That would be correct.
Q Thank you, Mr. Knadle. I think you testified toward the end of your question by Mr. Frazier that you are recommending that any interest earned on

these bonds would be applied to the claimants on some type of pro rata basis as well as the balance or the principal of the bonds; is that right?
A That's my recommendation.
Q I know we had an opportunity to speak about this briefly before the hearing. Do you rely on any authority in making that recommendation that the interest itself from the bonds would be applied to the payoffs to the claimants?
A No, I do not have the authority. That's my recommendation.
Q But you're not relying on any statutory authority or any case authority to make that recommendation; is that right?
A That's correct.
MR. ARNDT: Thank you. That's all the questions I have for Mr. Knadle. I would represent to the Commission that if some of the claimants under this bond period are present and testify, I would like the opportunity to question them.
QUESTIONS BY MR. BURG:
Q What's the relationship between Northern Prairie Seeds and Wheetco?
A It is my understanding that Mr. Wheeting has a

partnership with his son in that company.
Q Is that company in bankruptcy as well?
A Not that I'm aware of.
Q But they did receive insufficient funds from that company; is that correct?
A Yes, they did.
Q Is that a licensed company?
A No, they are not.
MS. WIEST: Do any of the claimants have any questions of Mr. Knadle? After that, you will actually get an opportunity to testify.
MR. ARNOLD SCHURR: We'll probably have some questions, but I don't know just what or when.
MS. WIEST: This is the opportunity to ask questions of Mr. Knadle.
MR. ARNOLD SCHURR: I have questions, yes. I don't know if he's the proper one to ask or if it's correct to ask the Commission.
MS. WIEST: The only questions you can ask at this time would be for Mr. Knadle.
QUESTIONS BY MR. ARNOLD SCHURR
Q I was given a little bit of documentation here that I haven't seen before. It's very sparse, but

Page 74

it seems as though there was a hearing held on July 7, 2000. Are you familiar with that hearing?
A Yes.
Q I have page 1 and then I also have page 27. I have nothing in between there. Is this all the same hearing?
A Yes, it would be the same hearing. There was evidence presented at that hearing that would indicate that you had common stock.
Q I see in the documentation on page 27 our name comes up and it was testified to as a fact that we were stockholders in this Wheetco, and we were not.
Also, you gave me some kind of a subscription agreement. Was that presented at this hearing?
A No, that came from the company records of Wheetco.
Q When?
A I think it was shortly after they filed Chapter 11 bankruptcy.
Q When did they file that?
A In September of 2000.
Q That was Chapter 11?
A Right, Chapter 11.
Q This hearing took place on July 7 and it was

Page 75

stated that we had stock in this company. Do you accept that as fact?
A That was the evidence that was presented by Wheetco at that hearing.
Q I notice that there was evidence presented that we and other people had stock in the company and I'm very concerned about this because it leaves me dangling without being able to collect $97,000 that you admit is owed to us. I just want to see what proof you have that we have stock in that company.
A The evidence I have is the subscription agreement that is in Staff Exhibit No. 3AD.
Q Is this it?
A Right, Larry Wheeting signed and also you signed.
Q What date was that signed?
A I don't believe it has a date on it.
Q That's correct. I happen to have a copy here that has a date on it. It's right here. If you want to see it, I'll bring it to you.
A Okay.
Q See, this is a sham. You guys were screwed up on this deal. This is a crooked deal. This subscription agreement is dated in September

Page 76

following your hearing.
MS. WIEST: And you'll be able to offer that into evidence and testify.
A What I'm interested in at the moment is I don't want this thing to be adjourned and they say, "Well, you should have stated your case. You're out of luck now." I don't want that to happen. I want to be able to pursue this thing through the courts and I don't want to lose any opportunities here because I think some of the people on the Commission realize that there's a lot more here than what meets the eye. Like it was stated in some of the testimony that Wheetco didn't owe any farmers any money when, in fact, I think they owed closer to $900,000 to farmers.
MS. WIEST: Mr. Schurr, my point is that this is the time for cross-examination of Mr. Knadle. You will get a chance to testify and you will get a chance to present that. If you have any questions of Mr. Knadle, you may ask those questions. Otherwise, we're going to go on to other questions and then we're going to allow any claimants to testify. Then you can make your case.
Q You didn't see this before, did you?
A No, I did not. What I got was the company

Page 77

records. This is the records that they have that they gave to us.
Q Well, you realize then, by showing you these records two months in advance, this wasn't done. This was done after the fact when they realized they could pull a sham and come up with financing if they could eliminate this much debt and talked us into that.
So then they hire the firm of this Cody to come and see us and talk us into signing this thing and then they're going to pay off all our checks. And they come around with this story and I just want you people to be aware of that that you're being taken in.
MS. WIEST: Does anyone have any further questions of Mr. Knadle?
MR. SAM SCHAUER: I've got the same question. I've got the same documents and I got the papers in the pickup that shows that I had a date on mine and not on yours. Same thing. Just ditto.
MS. WIEST: And you will be able to have an opportunity to put that into the record. Does anyone have any more questions of Mr. Knadle?
QUESTIONS BY MR. KERWYN HOLSING

Page 78

Q I notice here that some of the nonsufficient checks that I was issued from Northern Prairie Seeds, is that still under the same bond?
A No. They're not licensed with the Commission, Northern Prairie Seeds. What the hearing is today is for transactions with Wheetco. It's my understanding that was a transaction with Wheetco, even though you got a check by Northern Prairie Seeds. You had Wheetco scale tickets.
Q Would that still be covered under the bond then?
A My recommendation for you was that's a valid claim against the bond for this bonding period.
Q So actually the Northern Prairie Seeds then is not covered under Wheetco's bond?
A No. Basically, you did business with Wheetco and that's a claim against Wheetco for this bond, even though they issued a check from Northern Prairie Seeds, which was nonsufficient funds. You were still doing business with Wheetco. That's my recommendation.
QUESTIONS BY MR. SAM SCHAUER:
Q Why would you rely on a document that don't have a date on it?
A I relied on a couple different documents for

Page 79

yours. I relied on what was presented in the previous hearing and I also relied on the subscription agreement that you signed.
QUESTIONS BY MR. ARNOLD SCHURR:
Q I noticed here on Staff Exhibit No. 1H that it shows shares sold between the end of January and first of June of 2000, and it lists them all. They're all itemized. And it's got our names on here. It's got that we bought these shares.
Well, I have the dated copy of my subscription agreement. This is the real McCoy. Do you see the date? That's after the fact. I just wanted to point that out.
MS. WIEST: Are there any other questions for Mr. Knadle? Do the Commissioners have any questions of Mr. Knadle?
MR. SAM SCHAUER: I want to reserve the opportunity to show the same thing. I have to get it from the pickup.
MS. WIEST: We'll take a break after Mr. Knadle is done and you'll have an opportunity to go get that. All of the claimants will have an opportunity to testify at this hearing.
QUESTIONS BY MR. FRAZIER:
Q As far as the interest money on the bond, Bob,

Page 80

is it your position that the bond money was retrieved for the benefit of the producers in this case?
A Yes, that's what it's for.
Q So, is it your position then that any interest gained on that money, since it was essentially held in trust for these farmers, should go to the farmers; is that your position?
A That would be my position, correct.
Q As far as your reliance on the subscription agreements go, you relied on statements made by Mr. Wheeting at his licensing hearing; is that correct?
A We relied on the evidence that was presented at that hearing.
Q Did Mr. Wheeting testify?
A Yes, he did.
Q And he took an oath when he testified, didn't he?
A Yes, he did.
Q So you were relying on answers which were made under oath; is that true?
A Yes.
Q Did that have some weight on why you took those statements for their face value?

Page 81

A Yes.
MR. FRAZIER: Nothing further. Thank you.
MS. WIEST: Thank you, Mr. Knadle. Do you have any other witnesses, Mr. Frazier?
MR. FRAZIER: None.
MS. WIEST: Do any of the Commissioners have any questions for Mr. Knadle?
QUESTIONS BY MR. SAHR:
Q Bob, I'm looking through the materials that are in Staff Exhibit No. 3AD. Just so I'm straight on this, the first document is the subscription agreement?
A Correct.
Q That was obtained from the corporate records; is that right?
A That was obtained from Mr. Wheeting at his office in Groton.
Q What was the approximate date that that was obtained?
A I believe that was in September, or right around there.
Q Of 2000?
A Correct.
Q If you flip forward about three sheets,

Page 82

there's the document that's part of Staff Exhibit No. 3AD and there's a handwritten "exhibit 14" in the upper right-hand corner.
A I have that.
Q It says Wheetco stock register at 5/31/00.
A Correct.
Q Where was this document obtained from?
A This was introduced at that same hearing by the company.
Q Did Mr. Wheeting introduce it?
A I believe his attorney did, if memory serves me correct.
Q Was there any sort of cross-examination or anything about the accuracy of this document, if you recall?
A Not to my recollection. If you go right before that to that transcript, page 27, it says, "If I may, I have a stock register record I didn't think was going to be necessary to put in as an exhibit." I think that refers to this exhibit 14.
Q Was it introduced into evidence or was there any testimony about it other than that?
A I don't recall.
Q Did you review Wheetco's records?

Page 83

A At what point in time?
Q Let me rephrase that question. Did you come across this document in Wheetco's records?
A No, I did not. This was presented in that hearing. That's where I received this.
Q Is there anything else that you know of that supports that the shares were sold or were issued during the period in question between July 1, 1999 and June 30, 2000?
A Not that I can recall.
Q Is there anything that indicated that it was issued after July 1, 2000 through September of 2000?
A There's some evidence, I guess, that's going to be presented shortly here that I just became aware of a few minutes ago.
MR. SAHR: I have no further questions.
QUESTIONS BY MR. ARNDT:
Q Mr. Knadle, I'm looking at the South Dakota Administrative Rules, specifically Administrative Rule 20:10:12:14 and 15. I don't know if you're familiar with these, but 14 in essence states that on an annual basis a public grain dealer's license shall submit a financial statement for the most

Page 84

recently completed year of operation.
During the periods of 1998, 1999, 2000 and 2001, specifically, the three bonding periods that we're speaking of, do you know if Wheetco submitted such financial statements to the PUC for their review?
A They would have to in order to become licensed.
Q Based on your response, you're assuming that? Have you seen such a document?
A For the prior periods, I can't say if it was or not because I started in July of 1999.
Q Did you see any such document for the three bond periods we're dealing with here today?
A The two I would have. The other one, I can't say.
Q So bond periods No. 2 and No. 3 at issue here, that would be the 1999 to 2000 and 2000 to 2001 bonding periods, you would have reviewed the financial statement that's required by the Administrative Rules?
A I believe I would have, correct.
Q First of all, my understanding is Administrative Rule 20:10:12:15 would require that the applicant's balance sheet would show a positive

Page 85

net worth. Do you recall if the --
MR. FRAZIER: I'm going to object. This hearing was noticed for claims against the bond. I don't see where this is relevant to his recommendations on the claims as far as what licensing went on three years ago. I just don't see where this is relevant to the issue at today's hearing.
MR. ARNDT: In response to that, I will state that I think there is, at least, a small amount of authority and I can cite the case for the court that the surety can rely on the Commission's ability to follow this Administrative Rule when determining whether or not their license would be issued on an annual basis. I would like to make a record about that here today without losing the ability to make that argument in the future.
MS. WIEST: Go ahead.
QUESTIONS BY MR. ARNDT:
Q I guess, I'll repeat the question for you, Mr. Knadle. Are you aware of whether or not the Commission relied on or was able to determine after the annual financial statements that Wheetco would have shown a positive net worth during the bonding periods of 1999 to 2000 and 2000 to 2001?

Page 86

A The latest period, yes, the Commission did determine after the hearing that they met those two requirements.
Q So your testimony is only about that last bond period then?
A That's the only one I can recall off the top of my head.
MR. ARNDT: Thank you. That's all I have.
MR. FRAZIER: Nothing further.
MS. WIEST: At this point we will take a ten-minute break and when we come back, the claimants will have an opportunity to testify.
(Whereupon, a short break was taken.)
MS. WIEST: At this point, we will take testimony from claimants. I would like to explain something to the claimants at the beginning. Mr. Knadle makes recommendations to the Commission. The Commission certainly isn't bound by any of his recommendations. The Commission will actually take all the evidence into account that's presented today.
My point is that, if you disagree with staff's recommendation or if you would like to further support that recommendation, I would

Page 87

certainly encourage you to get that on the record so the Commission can consider all the evidence when they make their decision. As was stated earlier, what the Commission does is we're just acting as a receiver for bonds here. We only make a proposed decision to present to the court.
It's the Circuit Court who will actually make a final decision, but it will be based on the record that's being presented here.
With that explanation, I would like a show of hands if you intend to offer testimony at this time. If you change your mind later, I'm not going to hold everybody to it. Okay, Mr. Schurr, would you like to go first?
MR. ARNOLD SCHURR: Sure, I'll go first.
MS. WIEST: Mr. Schurr, if you would like something in the record that's not already in the record that you want considered, please offer it, we'll have it marked, and then I'll ask if anyone has any objections. Please stand up there to be sworn in and then other people will have an opportunity to ask you questions.
MR. BURG: Can they submit documentation after this?

Page 88

MS. WIEST: I would prefer that they submit the documentation before because, if it's submitted afterwards, then a lot of times I have to open up the record for other people to object to it and have an opportunity for cross-examination. Any documentation that you have, if you think you want to submit it, please try to enter it into the record today.
MR. ARNOLD SCHURR: This is kind of short notice for that because some of the things I just learned here today. I want a copy of this hearing that was held on July 7, and that's not available for me here, it will have to be sent to us. I'd like the opportunity to offer documents and testimony at a later date, if necessary.
MS. WIEST: You can always try to offer it, and then the Commission will decide whether to accept it. If necessary, the Commission has held other hearings after the first hearing based on other evidence.
MR. ARNOLD SCHURR: I realize their time is really valuable and we should get this out of the way if possible. Hopefully, it won't be necessary.
MS. WIEST: That's up to you, but my

Page 89

point is, if you have the information now, present now.
ARNOLD SCHURR
after first being duly sworn to tell the truth, the whole truth, and nothing but the truth, upon his oath testified as follows:
MR. ARNOLD SCHURR: We're listed on the list of creditors for, I believe, around $97,000. It says that we were not given consideration because we are stockholders.
MS. WIEST: Would you define "we"?
MR. ARNOLD SCHURR: The Schurr's, my son Steve, who's sitting there. He and I are partners. That comprises Schurr's. Anyway, the Commission was given this piece of paper at the hearing that they held on July 7, 2000, and there's not a date on it.
I thought it was kind of unusual to see a document like this that's supposedly worth $100,000 that's not dated anywhere. Usually any kind of agreement has a date. There's none on here. Now, I have the one with the date and the date listed here is September 19, 2000.
So he went to the hearing, explained his case to the Commission or whoever was

Page 90

listening, and told him that his financial picture had really changed. See, I'm missing all the pages from 1 to 27; there's just these two pages.

Anyway, the question here says, "Good morning, Mr. Wheeting. Good morning." And then they talk about some regular stuff. But then they say, "You talked about stock that was issued between January and April. I believe that changed your financial picture. Who was that stock sold to? Answer: Mr. Schurr, Schurr's, Inc. was an investor; Sam Schauer and Jake Schauer."

We knew nothing about this, not a thing. That's my main point of contention. I guess, he also testified that he didn't owe any farmers any money when, in fact, he owed a lot of farmers a lot of money. That would have skewered up your financial picture.

These things should be checked into. This is on page 2, under No. 8, "Wheetco has experienced cash flow problems but Mr. Wheeting asserted that Wheetco had never had a farmer customer who was not paid." Mr. Wheeting testified that a number of people that Wheetco owed money to were willing to wait for their money.

I don't think that's necessarily so,

Page 91

but if there's nobody there to contradict that, it got by. You probably know what document this is from.

MS. WIEST: Would you like to offer your subscription agreement, the one that's being referenced to?

MR. ARNOLD SCHURR: Yes, but I don't want to lose it.

MR. FRAZIER: We'll make a copy for you downstairs.

(Whereupon, Exhibit No. A was marked for identification.)

MR. ARNOLD SCHURR: You gave me three sheets of paper other than this stuff here. Anyway, it says "exhibit 14" and it tells here who owns Wheetco. Right here, and this should probably be entered into evidence, it says, "Shares sold between January 31, 1999 and May 31, 2000: D&M Grain Company, 600; Schurr's, 2,000; Raap, 600; Schauer's, 1,500; Northern Prairie Seeds, 808."

My subscription agreement is dated long, long after that, but it was very convenient that your copy wasn't dated. That's how this goes. This was written up in advance or else it was submitted later. I believe you said it was

Page 92

submitted much later, right?

MS. WIEST: I'm sorry. You can't ask any questions at this point.

MR. ARNOLD SCHURR: Anyway, that's about all I have to say, except I think this is a sham. There's a lot of things going on here that are very dishonest. If anybody has questions, I'll answer whatever I'm capable of.

QUESTIONS BY MR. BURG

Q I'm a little bit confused. I don't recall exactly all the documents at that hearing. Did you sign a document prior to that hearing even though it wasn't dated?

A We signed a handwritten document on September 19. That was the same date that this is dated.

Q You would testify that you did not sign any document for converting from payables to stocks prior to that July hearing as he advocated?

A Correct. That is correct. September 19 is the first I knew about this.

Q Did you give any verbal commitment that he could have brought to that hearing that you would?

A Absolutely not. This firm of Cody-Crua -- I don't know if you're familiar with this.

Page 93

Q Yes, we know of them.

A They came to our house twice. I met Mr. Crua, but not at one of those meetings. Anyway, this Mr. Cody came. He was quite convincing. At first I thought he worked for the state, but I understood later that he is in private business.

He led us to believe that by keeping this thing financially sound, he would be able to get some kind of -- I believe it was an SBA loan or some sort of a state aid type loan to keep them in business, and the minute they got this money, we would all get paid. I think there are others here that will probably testify very similar to that.

MS. WIEST: Any other questions of this witness?

QUESTIONS BY MR. SAHR

Q Mr. Schurr, on the subscription agreement that's marked Staff Exhibit No. 3AD, this is one that does not have the notary block that the one you have does. There's a signature on that that says "Arnold Schurr". Is that your signature?

A Yes.

Q When did you sign that?

A I presume it was on September 19 because we have a notarized document and that's the only

Page 94

document I signed. I did not sign anything that was not notarized.
Q I'm looking at the notary block. On the first block, on the bottom of the second page, it says, "Larry Wheeting appeared here on September 19." On the next page it says that you appeared on September 19 as well. Do you remember, did you sign this in front of the notary?
A Yes. They took us up to the Roscoe bank, that lady works for the bank.
MR. SAHR: I have no further questions.
MS. WIEST: Mr. Frazier, do you have any questions?
QUESTIONS BY MR. FRAZIER:
Q I know your testimony today is that when the hearing was held, that you hadn't signed this thing.
A Correct.
Q But you did sign it after the hearing?
A On September 19.
Q When you signed this, did you understand that you were converting your grain payables over to common stock?
A Yes and no. We heard a lot of promises that

Page 95

day.
Q But it was your understanding that when you signed this, it was no longer going to be a receivable, that it was actually going to be stock in his company, right?
A We didn't know it would come to this. It was done as a safeguard to get our money.
Q You feel he took advantage of you when you did that; is that correct?
A I would presume so, yes. I think it's outright fraud is what I think.
MR. FRAZIER: That's all I have.
QUESTIONS BY MR. BURG:
Q Do you have any idea why we have two documents with your signatures on -- one with a notary section and one without a notary section, when you said you only signed one document?
A I presume somebody knows how to run a copy machine.
Q The only way I could imagine is if the section with notary had been covered or something when they copied it.
A That would be possible, or maybe I signed two documents on the same day.
Q One with the notary section and one without?

Page 96

A I don't know. I write bad enough that you should be able to tell if it's two different signatures.
Q I was just trying to figure out how we ended up with two documents that are physically different; one has a notary section in it and a date, and the other one doesn't.
A I don't believe that the PUC saw this document on July 7. This was produced after September.
Q Even if it were -- and I'll take your word for that -- I was trying to figure out how we came up with two documents with your signature that were physically different.
A I don't know. Is the handwriting the same?
MS. WIEST: Are there any other questions for Mr. Schurr?
MR. CLARK ROEBER: Have him look at the unsigned document and see if he can ascertain if that is or isn't his signature.
MS. WIEST: Could you state for the record whether you believe it to be your signature?
QUESTIONS BY MR. FRAZIER:
Q The question is whether the signatures appear to be exactly the same?
A They are exactly the same.

Page 97

Q On the front of the paper, page 1 of this, note that --
A I can never sign my name twice the same.
Q -- some material is "x'ed" out. Does it appear that the "x'ed" out portions appear to be exactly the same, where the "s" is written after the Schurr and the materials "x'ed" out after that? Does that appear also to be exactly the same?
A Yes, I'd like to have more time, but it appears to be exactly the same.
MS. WIEST: Are there any other questions of this witness? Are there any objections to the admission of Exhibit No. A, which is the dated subscription agreement? If not, that will be admitted. Thank you Mr. Schurr.
MR. FRAZIER: Mr. Schurr wishes to have the original back.
MS. WIEST: Are there any objections to marking a copy as Exhibit A so that Mr. Schurr can have his original back?
MR. FRAZIER: I would have no objection to that at all. We will just note for the record that what we have in our records is a copy and Mr. Schurr has the original.
MS. WIEST: Do any of the other

Page 98

claimants wish to present any testimony at this time?
MR. SAM SCHAUER: I've got the same thing here.
MS. WIEST: Mr. Schauer, before we get started, do you want copies made of anything of yours?
MR. SAM SCHAUER: No, I don't want copies made of mine. I won't give you my copies.
SAM SCHAUER
after first being sworn to tell the truth, the whole truth, and nothing but the truth, upon his oath testified as follows:
MS. WIEST: Please state your name and address for the record.
MR. SAM SCHAUER: Sam Schauer, Leola, South Dakota. I just want to submit this date on this subscription agreement. This was issued after the bankruptcy. That's all I got to say, I guess. It was issued September 18 and it's fraud. What he done was fraud.
MS. WIEST: Anything further, Mr. Schauer?
MR. SAM SCHAUER: No.
MS. WIEST: Does anyone have

Page 99

questions for this witness?
QUESTIONS BY MS. NELSON:
Q Are you saying that he signed your signature? Are you saying you didn't sign it?
A I signed it.
QUESTIONS BY MR. BURG:
Q I don't remember us looking at the record to see if there was the same kind of a copy that he used in July at the hearing that had your signature on it too. Do you remember signing one before September 18?
A No, I don't.
Q Did you make any verbal commitment to convert before September 18?
A I don't know if I did or not. I don't remember because I don't remember the dates. I was busy.
MR. BURG: That's all I have.
QUESTIONS BY MR. SAHR
Q Do we have the document?
A You have the one without the dates on it. You got that one.
Q It might be beneficial for us to have this other copy.
A No, I'm not going to submit it.

Page 100

Q Is it your contention that the document that you have that won't be introduced into evidence, that you signed it on September 18, 2000?
A Right.
Q I don't have the document in front of me. Is that what's reflected in the notary block? Did the notary block say September 18 as well?
A Yes.
QUESTIONS BY MR. FRAZIER
Q Mr. Schauer, even if we were to just submit a copy for the record so that we could --
A No, I won't submit it.
MS. WIEST: Are there any other questions for Mr. Schauer? Thank you, Mr. Schauer. Do any other claimants wish to present any testimony at this time?
JIM SCHAUER
after first being sworn to tell the truth, the whole truth, and nothing but the truth, upon his oath testified as follows:
MR. JIM SCHAUER: My name is Jim Schauer. I want to ask where all the assets that Larry Wheeting listed, were they sold and listed as finances that were to be paid out?
MS. WIEST: At this time, we're only

Page 101

taking testimony, not questions.
MR. JIM SCHAUER: I guess, that's all I have to say then.
MS. WIEST: Did any of the other claimants have anything that they would like to testify at this hearing?
MR. ARNOLD SCHURR: I'd like to present this in evidence, fraud. I want that back.
MS. WIEST: Well, we do have a copy of this. What he would like to put into evidence is a finding that, I believe, Mr. Wheeting asserted that Wheeteo had never had a farmer that was not paid; is that correct?
MR. ARNOLD SCHURR: Right.
MS. WIEST: Thank you. Is there anything else?
MR. BURG: I would like to recall Bob for just a moment for clarification.
BOB KNADLE
QUESTIONS BY MR. BURG:
Q I want to try to clarify some discussion that happened just before the break and Mr. Arndt can clarify anything that I may ask with questions as well. I got the impression from his line of questioning that the company depended upon the

Page 102

licensure of the Commission in order to issue a bond. Is that the way it works, or is a bond required before we'll license?

A How it worked was: Before we even have to look at an application for either renewal or a new license, they have to submit an application with us with the appropriate fee and a bond from a bonding company.

Q I just wanted to clarify that it's a requirement of licensure that a bond be obtained.

A That's before the Commission would even have to look at it. That would be correct.

MS. WIEST: Any other questions? Thank you. At this point, I will give an opportunity for anyone to make any closing statements. Mr. Frazier, do you have any closing statements?

MR. FRAZIER: I have no closing statements.

MS. WIEST: Mr. Arndt?

MR. ARNDT: Thank you. To follow up with Commissioner Burg's last question to Mr. Knadle, I would like to clarify that my line of questioning regarding the administrative regulations 14 and 15 were simply to preserve a

Page 103

record regarding that issue; certainly, not asserting that that would be an argument or position of Star Insurance Company. Beyond that, I've got a couple of quick arguments I'd like to make to the Commission, again regarding specifically my client's main interest, which is the bond period listed in Staff Exhibit No. 2E, July 1, 1998 through June 30, 1999.

First of all, regarding D&M Grain, which is the last claim under that bond that's listed, I think the statute mandates that a claimant needs to submit their claim in writing to the PUC prior to this hearing. D&M Grain did do that in this case. They submitted the claim of $1,691.25, and for the PUC to grant an award that's greater than that, I think, is contrary to the statute, specifically referring to 45:45:19 that states that the claimant must make the claim in writing. The claimant in this particular instance did so.

Despite Mr. Knadle's calculations and his recommendations, I would submit that it would be in error of the PUC to award a claim that is greater under that particular bond than the claim that D&M Grain has made.

Page 104

Beyond that, I would specifically have an argument regarding the interest that would have accrued under these three bonds while they were taken into receivership and remaining in receivership. I can't tell you exactly what the date is that the three bonds from Star Insurance were submitted, but it is my understanding that they have been submitted and they are in receivership in an interest bearing account.

I would suggest and take issue with Mr. Knadle's position that the interest be distributed to the claimants on some type of pro rata basis. I think it's clear that the surety is still the owner of those bonds and they have been from the day that they were submitted into receivership and continue to be the owner of those bonds until the court makes a determination of how those bonds should be distributed, and they are, in fact, distributed.

Any interest that's accrued from those three bonds into receivership is clearly the property of the surety. They are the owners of the bond, continue to be the owners of the bond; therefore, any interest that's generated until the court decides how it should be distributed, should

Page 105

be to the benefit of the surety and not the claimants.

MS. WIEST: Thank you. Anything else at this time? If not, the Commission will take this under advisement. As I mentioned before, the Commission issues a proposed decision to Circuit Court. We will serve it on all of the claimants involved. If you have any questions, I would ask that you direct your questions to Mr. Knadle after this meeting.

JIM SCHAUER: Do checks that were issued before Mr. Wheeting filed for Chapter 11, were they paid? Are they any different than any other checks?

MS. WIEST: I'm not sure. Maybe you can talk to Mr. Frazier.

MR. FRAZIER: Yes, I'll talk to you after the hearing.

MS. WIEST: Thank you. This will close the hearing at this time.

(End of proceedings.)

TO ALL PATRONS OF WHEETCO, INC. WITH UNSETTLED OR UNPAID GRAIN TRANSACTIONS INCLUDING:

PRICED BUT NOT PAID GRAIN SALES; OUTSTANDING CHECKS; VOLUNTARY CREDIT SALES CONTRACTS AND HOLDERS OF DISHONORED CHECKS

On September 7, 2000, Wheetco, Inc. filed a petition for Reorganization pursuant to Chapter 11 of the U.S. Bankruptcy Code in the U.S. Bankruptcy Court, District Of South Dakota. On April 19, 2001, the Chapter 11 case was converted to a Chapter 7 case of the U.S. Bankruptcy Code in the U.S. Bankruptcy Court, District Of South Dakota. On August 1, 2001, the United States Bankruptcy Court, District Of South Dakota, granted the South Dakota Public Utilities Commission limited relief from the automatic stay of 11 U.S.C. Section 362 for the sole purpose of administering claims against the grain dealer bonds of Wheetco, Inc.. Wheetco, Inc. was licensed as a grain dealer pursuant to SDCL Chapter § 49-45, which is under the jurisdiction of the Commission. The purpose of this letter is to inform you of your potential rights under South Dakota law.

SDCL § 49-45-9 states in part: "Before any grain dealer license is issued by the commission, the applicant shall file with the commission a bond conditioned to secure the faithful performance of the applicant's obligations as a grain dealer and full and unreserved compliance with the laws of this state and the rules of the commission, relating to the purchase of grain by the grain dealer. The bond is for the specific purpose of protecting persons selling grain to the grain dealer. However, the bond may not benefit any person entering into a voluntary credit sale with a grain dealer." Also excluded are any purchases for the buyer's own

use or consumption.

A voluntary credit sale (VCS) is defined in SDCL § 49-45-1.1 as "a sale of grain or seed pursuant to which the sale price is to be paid more than thirty days after the delivery or release of the grain for sale, including those contracts commonly referred to as deferred-payment contracts, deferred-pricing contracts and price-later contracts." SDCL § 49-45-11 also states that VCS contracts shall be in writing.

If you have not received payment for grain which you have sold to Wheetco, Inc.; or if you were issued a check that will no longer be honored, any loss sustained may be covered in whole or in part by the grain dealer bonds, except for those sales involving a VCS contract as defined above. For the licensing years which ended June 30, 1999, June 30, 2000, and June 30, 2001, Wheetco, Inc. had grain dealer bonds in the amount of $75,000 for each year respectively. At this time it has not been determined if the bonds will be sufficient to cover 100% of the anticipated claims. If there is not sufficient coverage, claims may be paid on a pro rata basis.

The comments below, for each class of claimant against the bonds, are suggestions on how you should proceed and how claims in each class will be generally treated:

CREDITORS WHO SOLD GRAIN THAT WAS PRICED BUT NOT PAID FOR

Any producer who sold grain to Wheetco, Inc. for resale but has not received payment may have a valid claim against the grain dealer bonds unless the sale involves a voluntary credit sale.

CREDITORS WHO HOLD OUTSTANDING OR DISHONORED CHECKS

All such checks that are for the sale of grain to Wheetco, Inc. for resale may be valid claims against the grain dealer bonds unless the sale involves a voluntary credit sale.

CREDITORS WHO ENTERED INTO VCS CONTRACTS

As described by SDCL § 49-45-9, VCS contracts are not covered by the bonds.

The above comments are preliminary and may change as the case unfolds. You may wish to consult with an attorney.

In order to verify the total dollar amount of potential claims against the bonds, the Commission must receive a written verification of the amount Wheetco, Inc. owes you. Enclosed is a claim form that you must fill out, have notarized and return to the Commission. Copies of scale tickets, settlement sheets, checks, contracts or any other evidence you possess which establishes that you sold grain to Wheetco, Inc. for resale **must be provided to substantiate your claim.** Please forward this information to the Commission as soon as possible, **but no**

later than August 24, 2001. If you do not have a claim against Wheetco, Inc., please contact the Commission at 1-800-332-1782 and inform us of this. Thank you for your attention to this matter.

If you have any questions concerning this letter, please contact me or Lisa Hull at the Commission. The Commission will keep you informed as this case develops.

Sincerely,

Bob Knadle

I am making a formal complaint against Wheeto of Groton S.D. for the money they owe me for confection sunflowers I took to them. I hauled approx. 160,000 lbs of sunflowers to Wheeto in June of 1999. The value of the flowers was approximately $15. cwt or $24,000. I had received no money before they filed bankruptcy.

Dear Friends:

Greetings from Wheetco! Hope this finds your summer being as enjoyable as ours has been. The right combination of moisture and warm days has us confident that our upcoming harvest will be record breaking. We are anxiously awaiting our busy time.

This letter is for informational purposes that we, at Wheetco, can make you, our customers and producers, aware of anticipated financial changes in the near future. As you may or may not know, 3 years ago this November, we acquired through a subsidiary partnership, two additional locations. While this had many good points, including use of a scale, elevator, rental warehouse space, it also increased our available capacity to handle product, but at the same time, our current lending institution did not make an adequate line of credit available to us.

Since the beginning of this year, we have commenced to pay off in full our existing financial institution. With this accomplished and with our financial restructure in progress, we are ready to put our new game plan in action. At this time, we would like to acknowledge our outstanding grain payable to you. We are anticipating an audit that will verify our balance with you and therefore expedite payment to you as soon as funding is in place. Currently, our balance per our books with you is $11,613.66. If you feel this is incorrect or for any reason would like more information, we encourage you to call us at your earliest convenience, that we may accommodate you as best we can. You may talk to myself, or ask for Kris Cutler. Both of us will help to answer any question or concerns you may have.

Thank you for your time and consideration. We look forward to future business with all of you.

Dear Friends:

Greetings from Wheetco! Hope this finds your summer being as enjoyable as ours has been. The right combination of moisture and warm days has us confident that our upcoming harvest will be record breaking. We are anxiously awaiting our busy time.

This letter is for informational purposes that we, at Wheetco, can make you, our customers and producers, aware of anticipated financial changes in the near future. As you may or may not know, 3 years ago this November, we acquired through a subsidiary partnership, two additional locations. While this had many good points, including use of a scale, elevator, rental warehouse space, it also increased our available capacity to handle product, but at the same time, our current lending institution did not make an adequate line of credit available to us.

Since the beginning of this year, we have commenced to pay off in full our existing financial institution. With this accomplished and with our financial restructure in progress, we are ready to put our new game plan in action. At this time, we would like to acknowledge our outstanding grain payable to you. We are anticipating an audit that will verify our balance with you and therefore expedite payment to you as soon as funding is in place. Currently, our balance per our books with you is $ 9209.79 . If you feel this is incorrect or for any reason would like more information , we encourage you to call us at your earliest convenience, that we may accommodate you as best we can. You may talk to myself, or ask for Kris Cutler. Both of us will help to answer any question or concerns you may have.

Thank you for your time and consideration. We look forward to future business with all of you.

Sincerely,

Larry Wheeting, President

I, Mark N. Saunders, the undersigned, do hereby submit this claim against any grain funds or applicable bond(s) for the following grain which I delivered and sold to a grain dealer named Wheetco Inc. located at Groton, S.D. 57445.

Listed below are the loads delivered which were not paid for:

Scale Ticket No.	Date	Kind of Grain	~~Bushels~~ lbs	Price	Lien Holder (print N/A if no liens)

Explanation of Claim:

I raised a crop of confectionary sunflowers. About 120 Acres and with all the moisture there was sclerotinea (SP) and considering everything I was happy to find a buyer. That is why the price is way less than half of what it should be. Tewksbury farms did the trucking of four semi loads and it was the last load that I never received payment on. $2,262.50 is the amount

Attached are copies of the above documents which I offer as proof of delivery and evidence of my claim. I submit the above claim and state that it is true under penalty of law.

Mr. Dan Todd
Regarding:
Roger VanderVorst

Dear Mr. Todd:

I am faxing you copies of everything I have discovered for Roger's account here at Wheetco. Inc.

After some investigating on the one bank statement I had just recieved, I found two other checks to Roger that, although they were not in my bank statement as a cleared check, they had actually been presented to the bank three times (which I thought the maximum was twice) and cleared on the third time. Therefore, a total of $9000 of checks were paid and cleared. Here is a recap of his account:

AS#3145	$22011.48	
Less checkoff	(91.08)	
Total due	$21920.40	
Checks Cleared:

	$ 9000.00	
Balance of AS#3145		$12,920.40
AS#3155	$2978.42	
Less checkoff	(12.32)	
Balance of AS#3155		$ 2966.09
AS#3164	$11,076.96

TO ALL PATRONS OF WHEETCO, INC. WITH UNSETTLED OR UNPAID GRAIN TRANSACTIONS INCLUDING:

PRICED BUT NOT PAID GRAIN SALES; OUTSTANDING CHECKS; VOLUNTARY CREDIT SALES CONTRACTS AND HOLDERS OF DISHONORED CHECKS

On September 7, 2000, Wheetco, Inc. filed a petition for Reorganization pursuant to Chapter 11 of the U.S. Bankruptcy Code in the U.S. Bankruptcy Court, District Of South Dakota. On April 19, 2001, the Chapter 11 case was converted to a Chapter 7 case of the U.S. Bankruptcy Code in the U.S. Bankruptcy Court, District Of South Dakota. On August 1, 2001, the United States Bankruptcy Court, District Of South Dakota, granted the South Dakota Public Utilities Commission limited relief from the automatic stay of 11 U.S.C. Section 362 for the sole purpose of administering claims against the grain dealer bonds of Wheetco, Inc.. Wheetco, Inc. was licensed as a grain dealer pursuant to SDCL Chapter § 49-45, which is under the jurisdiction of the Commission. The purpose of this letter is to inform you of your potential rights under South Dakota law.

SDCL § 49-45-9 states in part: "Before any grain dealer license is issued by the commission, the applicant shall file with the commission a bond conditioned to secure the faithful performance of the applicant's obligations as a grain dealer and full and unreserved compliance with the laws of this state and the rules of the commission, relating to the purchase of grain by the grain dealer. The bond is for the specific purpose of protecting persons selling grain to the grain dealer. However, the bond may not benefit any person entering into a voluntary credit sale with a grain dealer." Also excluded are any purchases for the buyer's own

use or consumption.

A voluntary credit sale (VCS) is defined in SDCL § 49-45-1.1 as "a sale of grain or seed pursuant to which the sale price is to be paid more than thirty days after the delivery or release of the grain for sale, including those contracts commonly referred to as deferred-payment contracts, deferred-pricing contracts and price-later contracts." SDCL § 49-45-11 also states that VCS contracts shall be in writing.

If you have not received payment for grain which you have sold to Wheetco, Inc.; or if you were issued a check that will no longer be honored, any loss sustained may be covered in whole or in part by the grain dealer bonds, except for those sales involving a VCS contract as defined above. For the licensing years which ended June 30, 1999, June 30, 2000, and June 30, 2001, Wheetco, Inc. had grain dealer bonds in the amount of $75,000 for each year respectively. At this time it has not been determined if the bonds will be sufficient to cover 100% of the anticipated claims. If there is not sufficient coverage, claims may be paid on a pro rata basis.

The comments below, for each class of claimant against the bonds, are suggestions on how you should proceed and how claims in each class will be generally treated:

CREDITORS WHO SOLD GRAIN THAT WAS PRICED BUT NOT PAID FOR

Any producer who sold grain to Wheetco, Inc. for resale but has not received payment may have a valid claim against the grain dealer bonds unless the sale involves a voluntary credit sale.

CREDITORS WHO HOLD OUTSTANDING OR DISHONORED CHECKS

All such checks that are for the sale of grain to Wheetco, Inc. for resale may be valid claims against the grain dealer bonds unless the sale involves a voluntary credit sale.

CREDITORS WHO ENTERED INTO VCS CONTRACTS

As described by SDCL § 49-45-9, VCS contracts are not covered by the bonds.

The above comments are preliminary and may change as the case unfolds. You may wish to consult with an attorney.

In order to verify the total dollar amount of potential claims against the bonds, the Commission must receive a written verification of the amount Wheetco, Inc. owes you. Enclosed is a claim form that you must fill out, have notarized and return to the Commission. Copies of scale tickets, settlement sheets, checks, contracts or any other evidence you possess which establishes that you sold grain to Wheetco, Inc. for resale **must be provided to substantiate your claim.** Please forward this information to the Commission as soon as possible, **but no**

later than August 24, 2001. If you do not have a claim against Wheetco, Inc., please contact the Commission at 1-800-332-1782 and inform us of this. Thank you for your attention to this matter.

If you have any questions concerning this letter, please contact me or Lisa Hull at the Commission. The Commission will keep you informed as this case develops.

Sincerely,

Bob Knadle

Q. Morning, Mr. Wheeting.

A. Good morning.

Q. Just some questions I had from your direct testimony. You talk about stock that was issued between January and April, I believe, that changed your financial picture. Who was that stock sold to?

A. Mr. Schurr, Schurrs, Incorporated, was an investor, Sam Schauer and Jake Schauer.

Dear Mr. Pfeiffer:

Per our conversation this morning following is the list of producers that would fall under the jurisdiction of the Commission that currently have a grain payable and an accounts receivable with Wheetco. My recommendation to the Commission will be to offset the accounts receivable against the grain accounts payable if your office would be in agreement with this method.

1. Joe Cameron--grain accounts payable of $13,294.20 and an accounts receivable of $5,812.48.

2. D & M Grain--grain accounts payable of $98,613.61 and an accounts receivable of $1,245.60.

3. Owen Elsen--grain accounts payable of $9,209.79 and an accounts receivable of $1,138.50.

4. Holyoke Coop Association--grain accounts payable of $17,315.65 and an accounts receivable of $4,837.92.

5. Mike Knoll--grain accounts payable of $11,613.66 and an accounts receivable of $2,000.50.

6. Equinox Enterprises--grain accounts payable of $9,971.74 and an accounts receivable of $4,085.76.

At your earliest convenience, please advise if this method is acceptable to you. Thank you for your prompt attention to this matter.

Sincerely,

Bob Knadle

Re: Wheetco, Inc.
Case No. 00-10188

Dear Mr. Knadle:

I received your fax of October 15, 2001, regarding your recommendation to the Commission to offset the account receivable against the grain accounts payable. That will work just fine with my office and I have instructed the office manager, Mary Brink, to make that adjustment to our accounts receivables. Accordingly, my files and records will no longer show a credit balance with regard to the 6 receivables described in your letter. In short, the following persons and entities will now be shown in my office to have the following debit balances:

Joe Cameron:	$7481.72
D&M Grain:	$97,368.01
Owen Elsen:	$8,071.29
Holyoke Coop:	$12,477.73
Mike Knoll:	$9,613.16
Equinox Enterprise:	$5,885.98

Again, I apologize for being tardy in my communications with you, but I got caught up in that rare situation where I've been working on 6 large bankruptcies at the same time. However, with working nights and weekends lately I am finally beginning to get current so hopefully I will soon be in a better position to deal more rapidly with our interactions in this case.

Sincerely,

William J. Pfeiffer

RE: Enclosed Amortization Schedules

To: All Current Note Holders:

I am sending out amortization schedules, which I promised when all our notes were originally signed. Listed will be the interest rate, number of months payments will be made, the total note amount and the monthly payment amount.

You will notice that as of this point in time, an exact commencement date on the note payments is not listed. Until confirmation and completion of the loan application is done, no certain date can be listed. However, be assured that everything is being processed and I will let you know as soon as I hear any updates on a time frame.

Sincerely,

Kris Cutler

RE: Enclosed Amortization Schedules

To: All Current Note Holders:

I am sending out amortization schedules, which I promised when all our notes were originally signed. Listed will be the interest rate, number of months payments will be made, the total note amount and the monthly payment amount.

You will notice that as of this point in time, an exact commencement date on the note payments is not listed. Until confirmation and completion of the loan application is done, no certain date can be listed. However, be assured that everything is being processed and I will let you know as soon as I hear any updates on a time frame.

Sincerely,

Kris Cutler

Dear Mr. Pfeiffer:

Per our conversation this morning following is the list of producers that would fall under the jurisdiction of the Commission that currently have a grain payable and an accounts receivable with Wheetco. My recommendation to the Commission will be to offset the accounts receivable against the grain accounts payable if your office would be in agreement with this method.

1. Joe Cameron--grain accounts payable of $13,294.20 and an accounts receivable of $5,812.48.

2. D & M Grain--grain accounts payable of $98,613.61 and an accounts receivable of $1,245.60.

3. Owen Elsen--grain accounts payable of $9,209.79 and an accounts receivable of $1,138.50.

4. Holyoke Coop Association--grain accounts payable of $17,315.65 and an accounts receivable of $4,837.92.

5. Mike Knoll--grain accounts payable of $11,613.66 and an accounts receivable of $2,000.50.

6. Equinox Enterprises--grain accounts payable of $9,971.74 and an accounts receivable of $4,085.76.

At your earliest convenience, please advise if this method is acceptable to you. Thank you for your prompt attention to this matter.

Sincerely,

Bob Knadle

Re: Wheetco, Inc.
Case No. 00-10188

Dear Mr. Knadle:

I received your fax of October 15, 2001, regarding your recommendation to the Commission to offset the account receivable against the grain accounts payable. That will work just fine with my office and I have instructed the office manager, Mary Brink, to make that adjustment to our accounts receivables. Accordingly, my files and records will no longer show a credit balance with regard to the 6 receivables described in your letter. In short, the following persons and entities will now be shown in my office to have the following debit balances:

Joe Cameron:	$7481.72
D&M Grain:	$97,368.01

Dear Mr. Pfeiffer:

Per our conversation this morning following is the list of producers that would fall under the jurisdiction of the Commission that currently have a grain payable and an accounts receivable with Wheetco. My recommendation to the Commission will be to offset the accounts receivable against the grain accounts payable if your office would be in agreement with this method.

1. Joe Cameron--grain accounts payable of $13,294.20 and an accounts receivable of $5,812.48.

2. D & M Grain--grain accounts payable of $98,613.61 and an accounts receivable of $1,245.60.

3. Owen Elsen--grain accounts payable of $9,209.79 and an accounts receivable of $1,138.50.

4. Holyoke Coop Association--grain accounts payable of $17,315.65 and an accounts receivable of $4,837.92.

5. Mike Knoll--grain accounts payable of $11,613.66 and an accounts receivable of $2,000.50.

6. Equinox Enterprises--grain accounts payable of $9,971.74 and an accounts receivable of $4,085.76.

At your earliest convenience, please advise if this method is acceptable to you. Thank you for your prompt attention to this matter.

Sincerely,

Bob Knadle

Re: Wheetco, Inc.
Case No. 00-10188

Dear Mr. Knadle:

I received your fax of October 15, 2001, regarding your recommendation to the Commission to offset the account receivable against the grain accounts payable. That will work just fine with my office and I have instructed the office manager, Mary Brink, to make that adjustment to our accounts receivables. Accordingly, my files and records will no longer show a credit balance with regard to the 6 receivables described in your letter. In short, the following persons and entities will now be shown in my office to have the following debit balances:

Joe Cameron:	$7481.72
D&M Grain:	$97,368.01
Owen Elsen:	$8,071.29
Holyoke Coop:	$12,477.73
Mike Knoll:	$9,613.16
Equinox Enterprise:	$5,885.98

Again, I apologize for being tardy in my communications with you, but I got caught up in that rare situation where I've been working on 6 large bankruptcies at the same time. However, with working nights and weekends lately I am finally beginning to get current so hopefully I will soon be in a better position to deal more rapidly with our interactions in this case.

Sincerely,

Dear Mr. Pfeiffer:

Per our conversation this morning following is the list of producers that would fall under the jurisdiction of the Commission that currently have a grain payable and an accounts receivable with Wheetco. My recommendation to the Commission will be to offset the accounts receivable against the grain accounts payable if your office would be in agreement with this method.

1. Joe Cameron--grain accounts payable of $13,294.20 and an accounts receivable of $5,812.48.

2. D & M Grain--grain accounts payable of $98,613.61 and an accounts receivable of $1,245.60.

3. Owen Elsen--grain accounts payable of $9,209.79 and an accounts receivable of $1,138.50.

4. Holyoke Coop Association--grain accounts payable of $17,315.65 and an accounts receivable of $4,837.92.

5. Mike Knoll--grain accounts payable of $11,613.66 and an accounts receivable of $2,000.50.

6. Equinox Enterprises--grain accounts payable of $9,971.74 and an accounts receivable of $4,085.76.

At your earliest convenience, please advise if this method is acceptable to you. Thank you for your prompt attention to this matter.

Sincerely,

Bob Knadle

Re: Wheetco, Inc.
Case No. 00-10188

Dear Mr. Knadle:

I received your fax of October 15, 2001, regarding your recommendation to the Commission to offset the account receivable against the grain accounts payable. That will work just fine with my office and I have instructed the office manager, Mary Brink, to make that adjustment to our accounts receivables. Accordingly, my files and records will no longer show a credit balance with regard to the 6 receivables described in your letter. In short, the following persons and entities will now be shown in my office to have the following debit balances:

Joe Cameron:	$7481.72
D&M Grain:	$97,368.01
Owen Elsen:	$8,071.29
Holyoke Coop:	$12,477.73
Mike Knoll:	$9,613.16
Equinox Enterprise:	$5,885.98

Again, I apologize for being tardy in my communications with you, but I got caught up in that rare situation where I've been working on 6 large bankruptcies at the same time. However, with working nights and weekends lately I am finally beginning to get current so hopefully I will soon be in a better position to deal more rapidly with our interactions in this case.

Sincerely,

William J. Pfeiffer

CROSS-EXAMINATION

BY MS. CREMER:

Q. Morning, Mr. Wheeting.

A. Good morning.

Q. Just some questions I had from your direct testimony. You talk about stock that was issued between January and April, I believe, that changed your financial picture. Who was that stock sold to?

A. Mr. Schurr, Schurrs, Incorporated, was an investor, Sam Schauer and Jake Schauer.

MR. ROBBENNOLT: If I may, I have a stock register record that I didn't think was going to be necessary to put in as an exhibit. Do you want to do that now?

(EXHIBIT NO. 14 WAS MARKED FOR IDENTIFICATION.)

Q. On Exhibit 6, which is your accounts payable, if those people, any one of those people or more than one were to come forward today or next week and ask to be paid, could you pay them?

A. In today's condition it would be possibly

FROM THE DESK OF KRIS CUTLER

October 30, 2000

RE: Enclosed Amortization Schedules

To: All Current Note Holders:

I am sending out amortization schedules, which I promised when all our notes were originally signed. Listed will be the interest rate, number of months payments will be made, the total note amount and the monthly payment amount.

You will notice that as of this point in time, an exact commencement date on the note payments is not listed. Until confirmation and completion of the loan application is done, no certain date can be listed. However, be assured that everything is being processed and I will let you know as soon as I hear any updates on a time frame.

Sincerely,

Kris Cutler

Dear Mr. Pfeiffer:

Per our conversation this morning following is the list of producers that would fall under the jurisdiction of the Commission that currently have a grain payable and an accounts receivable with Wheetco. My recommendation to the Commission will be to offset the accounts receivable against the grain accounts payable if your office would be in agreement with this method.

1. Joe Cameron--grain accounts payable of $13,294.20 and an accounts receivable of $5,812.48.

2. D & M Grain--grain accounts payable of $98,613.61 and an accounts receivable of $1,245.60.

3. Owen Elsen--grain accounts payable of $9,209.79 and an accounts receivable of $1,138.50.

4. Holyoke Coop Association--grain accounts payable of $17,315.65 and an accounts receivable of $4,837.92.

5. Mike Knoll--grain accounts payable of $11,613.66 and an accounts receivable of $2,000.50.

6. Equinox Enterprises--grain accounts payable of $9,971.74 and an accounts receivable of $4,085.76.

At your earliest convenience, please advise if this method is acceptable to you. Thank you for your prompt attention to this matter.

Sincerely,

Bob Knadle

Re: Wheetco, Inc.
Case No. 00-10188

Dear Mr. Knadle:

I received your fax of October 15, 2001, regarding your recommendation to the Commission to offset the account receivable against the grain accounts payable. That will work just fine with my office and I have instructed the office manager, Mary Brink, to make that adjustment to our accounts receivables. Accordingly, my files and records will no longer show a credit balance with regard to the 6 receivables described in your letter. In short, the following persons and entities will now be shown in my office to have the following debit balances:

Joe Cameron:	$7481.72
D&M Grain:	$97,368.01
Owen Elsen:	$8,071.29
Holyoke Coop:	$12,477.73
Mike Knoll:	$9,613.16
Equinox Enterprise:	$5,885.98

Again, I apologize for being tardy in my communications with you, but I got caught up in that rare situation where I've been working on 6 large bankruptcies at the same time. However, with working nights and weekends lately I am finally beginning to get current so hopefully I will soon be in a better position to deal more rapidly with our interactions in this case.

Sincerely,

William J. Pfeiffer

8. On August 1, 2001 an Order Granting South Dakota Public Utilities Commission's Motion For Relief From Automatic Stay was signed by the Bankruptcy Court. A copy of that Order is attached as Exhibit E and incorporated by reference.

9. On June 18, 2001, the Commission received a formal complaint from Miles Bretsch, by way of affidavit, alleging Wheetco failed to pay for grain during the bonding period commencing July 1, 1998, and ending June 30, 1999. That affidavit is attached as Exhibit F and is incorporated by reference.

10. On June 15, 2001, the Commission received a formal complaint from Keith Hainy, by way of affidavit, alleging Wheetco failed to pay for grain during the bonding period commencing July 1, 1999, and ending June 30, 2000. That affidavit is attached as Exhibit G and is incorporated by reference.

11. On June 18, 2001, the Commission received a formal complaint from Gerald Skranstad, by way of affidavit, alleging Wheetco failed to pay for grain during the bonding period commencing July 1, 2000, and ending June 30, 2001. 12. Pursuant to SDCL 49-45-16 the Commission now petitions this Court to appoint the Commission as a receiver of the proceeds of the bonds posted by Star Insurance Company for the grain dealer's bonds, commencing July 1, 1998, and ending June 30, 1999, a second bond commencing July 1, 1999, and ending June 30, 2000, and a third bond commencing July 1, 2000, and ending June 30, 2001.

Any funds forwarded to the Commission would be deposited in a FDIC insured and interest bearing bank account in Pierre, South Dakota, pursuant to an Order of this Court and SDCL 21-21-10.

14. Upon being appointed receiver of the proceeds of the bonds, the Commission will place notices in the Groton Dakota Press, the Groton Independent, the Aberdeen American News, and the Sioux Falls Argus Leader, notifying potential claimants in this matter of the right to file a claim with the Commission.

15. The Commission, upon notice to known and potential claimants, will hold a hearing, at a time and place yet to be determined, for claimants to present evidence as to the merits of their claims under the bonds.

RE: Wheetco, Inc. Matter

Dear Commissioners:

Please be advised that I am writing this letter on behalf of my client, Arnold Schurr, a farmer from the Roscoe, South Dakota area. Over the years both our firm and myself have done miscellaneous work for Mr. Schurr. Arnold has recently explained to me the situation concerning his claim that has been presented to the PUC. He further indicated that on January 16, 2002 he testified at a hearing in front of the PUC to outline his position and request to be covered under the Wheetco, Inc. bond. This letter is intended to clarify that situation and formally present it for consideration by the PUC.

As the Summary of Claims file indicates, Schurrs have filed a Proof of Claim in the amount of $95,601.11 for sunflowers delivered between October 25, 1999 and March 1, 2000. This claim was recommended to be denied by the staff because of a proported payable being converted to stock.

Unfortunately, this transaction never occurred and the actions of representatives on behalf of Wheetco, Inc. appear to have been taken with the intent to misrepresent and deceive Mr. Schurr.

It is my understanding that the PUC was presented with certain exhibits and testimony which proported to show that Mr. Schurr was a stockholder in Wheetco, Inc. Mr. Schurr was never a legal stockholder in Wheetco, Inc. The testimony at Page 27 of the Hearing dated July 7, 2000 indicates, according to the testimony of Mr. Wheeting, that Arnold Schurr was issued stock between January and April of 2000. See attached Exhibit 1.

Attached as Exhibit 2 is a document originally entitled, "Exhibit 14" which proports to show that as of May 31, 2000, Schurrs owned 2,000 shares of stock. This is simply untrue. Mr. Schurr was persuaded to sign a July 5

letter to be offered to the PUC, which indicated that he was an investor. This was supposed to be done, but was not completed by Mr. Wheeting. This again, is simply incorrect, because they never followed through and issued any stock as promised. Mr. Schurr was visited by Mr. Wheeting and Mr. Cody and requested to sign a letter prepared by someone on behalf of Mr. Wheeting to assist Mr. Wheeting in retaining his Dealer's License. Mr. Schurr was told that the only way he would ever get paid the amount that he is owed is if a license was reissued. He was further told that Mr. Wheeting was in the process of obtaining a SBA loan, which would pay Mr. Schurr his money with interest at 10%. He was told that he would get stock. On the basis of those promises, Mr. Schurr signed the pre-drafted letter.

Unfortunately, no actions were taken to ever provide Mr. Schurr with stock until a Subscription Agreement was drafted and signed by Mr. Wheeting and Mr. Schurr on September 19, 2000. See attached Exhibit 3. It is my understanding that this Subscription Agreement was presented to the PUC with the bottom half of Page 2 and all of Page 3 whited out. This was evidently to indicate to the PUC Commission that this action had taken place as was earlier warranted to the Commissioners by Mr. Wheeting. As shown by the actual Subscription Agreement, this document was signed on September 19, 2000, well after the representation was made to the PUC. In addition, I am enclosing a copy of a Promise, which was signed by Mr. Wheeting and Mr. Cody indicating that Wheetco, Inc. will buy back the stock at 10% interest. In other words, if Arnold Schurr signed the Subscription Agreement as they requested they agreed that they would repay him his $95,000.00 due, plus 10% interest out of the proceeds of the SBA loan. Obviously, as we now know, there never was any SBA loan. Additionally, the Subscription Agreement and the Promise to Pay were signed after the debtor had filed Chapter 11. This transaction was never consummated and no shares of stock were ever issued to Mr. Schurr. This agreement was simply invalid due to the manner and time in which it was done without any bankruptcy court approval. Simply put, Mr. Schurr has never received any stock or payment in exchange for the grain which he sold.

It is therefore Mr. Schurr's request that his claim for payment of $95,601.11 for sunflowers be recognized and that he receive his proportionate share of the bond money as similar other unfortunate and trusting farmers are entitled to receive. If there is any additional information which you desire to support Mr. Schurr's contentions, please let me know.

Very truly yours,

PROOF OF CLAIM FOR CASH GRAIN GD01-023

(GRAIN WHICH IS PRICED OR SOLD AND PAYMENT HAS NOT BEEN MADE)

I, Harlan Eisenbraun, the undersigned, do hereby submit this claim against any grai funds or applicable bond(s) for the following grain which I delivered and sold to a grain dealer named Wheetco located at Groton S.D.

Listed below are the loads delivered which were not paid for:

Scale Ticket No.	Date	Kind of Grain	~~Bushels~~ lbs.	Price	Lien Holder (print N/A if no liens)
11217	6-30-00	millet	46,548 lbs	0.0410	First Western Bank
11224	6-30-00	millet	46,671.60	0.0410	First Western Bank

Explanation of Claim:

I had Erikson Farms haul 3 loads of millet to Larry Wheeting in June and July of 2000. I didn't get paid for them and have called him at least 6 times and gone to Groton once to collect but each time he tells me he will pay me next month. He gave me the assembly sheet (which is made out to Erikson Farms but should be in my name) for 2 loads but said He can't find the third. Erikson remembers there being 3 loads and is also looking for the 3rd scale ticket.

Attached are copies of the above documents which I offer as proof of delivery and evidence of my claim. I submit the above claim and state that it is true under penalty of law.

IN THE MATTER OF THE GRAIN DEALER'S BONDS OF WHEETCO, INC.	)	GD01-003
	)	(CIV. 01-807)
	)	
	)	STAFF'S MOTION TO
	)	REOPEN THE RECORD

Comes now, Kelly D. Frazier, staff attorney for the South Dakota Public Utilities Commission, and hereby MOTIONS the Public Utilities Commission to reopen, for good cause, the above case pursuant to ARSD 20:10:01:27:01 for the purpose of receiving into evidence the claim of Harlan Eisenbraun and revising staff's recommendation on the claim of Erickson Farms. In support of this motion, staff states as follows:

On August 24, 2001, the Public Utilities Commission (Commission) filed with the Fifth Judicial Circuit a Petition to Appoint South Dakota Public Utilities Commission as a receiver of Wheetco, Inc. (Wheetco) pursuant to SDCL 49-45-16 and SDCL Chapter 21-21, to take possession of the cash proceeds of the following grain dealer's bonds: (1) the bond commencing July 1, 1998, and ending June 30, 1999; (2) the bond commencing July 1, 1999, and ending June 30, 2000; and (3) the bond commencing July 1, 2000, and ending June 30, 2001. On September 20, 2001, the Commission was appointed receiver by the Honorable Judge Larry H. Lovrien of the Fifth Judicial Circuit of South Dakota.

A hearing was held on the claims against the bonds as described above on January 16, 2002, beginning at 1:00 p.m., at the Department of Labor Meeting Room, 420 South Roosevelt, Aberdeen, South Dakota. At that hearing staff recommended that Erickson Farms had a valid claim in the amount of $4,175.62. This amount was composed of $3,822 for millet and $353.62 for wheat. It has been brought to staff's attention by Harlan Eisenbraun that the millet was actually his and that Erickson Farms merely performed the trucking service. The company records only listed Erickson Farms on the scale tickets and assembly sheet. Per FAX submitted by Darrel Erickson dated March 5, 2002, (see attached Exhibit 10), Mr. Erickson confirmed that the millet was in fact Mr. Eisenbraun's. Staff has received further documentation from the Company that shows that the wheat claimed by Erickson Farms in their proof of claim for cash grain for scale tickets numbered 10896, 10937, 10957 and 10973 has been paid for by cashier's checks numbered 28997 and 28998, (See attached Exhibit 11), however, company records also show that he is still owed $353.62 for

other deliveries of wheat to the facility, per staff exhibit 3AG. Staff would now recommend that Erickson Farms has a valid claim for $353.62 for wheat.

Harlan Eisenbraun/First Western Bank filed a proof of claim for cash grain with the Commission on March 1, 2002, for $3,822 for millet, delivered on June 30, 2000, by Erickson Farms. (See attached Exhibit 12). The company records would support this amount. Staff recommends that Eisenbraun/First Western Bank has a valid claim in the amount of $3,822 for millet.

Respectfully signed and dated this 5th day of March, 2002.

BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA

IN THE MATTER OF THE GRAIN DEALER'S BONDS OF WHEETCO, INC.	)	PROPOSED FINDINGS OF FACT AND CONCLUSIONS OF LAW AND DECISION OF RECEIVER GD01-003 (Civ. 01-807)

On August 24, 2001, the Public Utilities Commission (Commission) filed with the Fifth Judicial Circuit a Petition to Appoint South Dakota Public Utilities Commission as a receiver of Wheetco, Inc (Wheetco) pursuant to SDCL 49-45-16 and SDCL Chapter 21-21, and to take possession of the cash proceeds of the following grain dealer's bonds: (1) the bond commencing July 1, 1998, and ending June 30, 1999; (2) the bond commencing July 1, 1999, and ending June 30, 2000; and (3) the bond commencing July 1, 2000, and ending June 30, 2001. On September 20, 2001, the Commission was appointed receiver by the Honorable Larry H. Lovrien of the Fifth Judicial Circuit of South Dakota.

Pursuant to the order of the Court, the Commission held a hearing to determine claims against the cash proceeds of the grain dealer's bonds. The hearing was held as scheduled on January 16, 2002, beginning at 1:00 p.m., at the Department of Labor Meeting Room, 420 South Roosevelt, Aberdeen, South Dakota.

On February 5, 2002, Jake Schauer filed a notarized Subscription Agreement with the Commission. On February 13, 2002, the Commission received a letter from attorney Jeffrey Sveen, filed on behalf of Arnold Schurr, concerning the stock Subscription Agreement that was signed by Mr. Schurr. On March 1, 2002, the Commission received a claim from Harlan Eisenbraun stating that he had delivered $3,822.00 of millet to Wheetco on June 30, 2000. On March 5, 2002, the Commission received a Motion to Reopen the Record from Commission Staff. The motion explained that at the hearing held on January 16, 2002, Staff had recommended that Erickson Farms had a valid claim in the amount of $4,175.62, with $3,822.00 for millet and $353.62 for wheat. Following the hearing, Commission Staff learned that the millet was owned by Harlan Eisenbraun and Erickson Farms had merely performed the trucking service. Darrel Erickson confirmed that was the case. Based on further documentation received from Wheetco, Commission Staff stated that Erickson Farms has not been paid for $353.62 for wheat and Harlan Eisenbraun/First Western Bank has a valid claim for $3,822.00 for millet. At its March 28, 2002, meeting, the Commission considered Staff's Motion to Reopen Record. No one objected to the motion. The Commission voted to open the record and received into evidence the claim submitted by Harlan Eisenbraun and the additional documentation submitted by Commission Staff.

At its March 28, 2002, meeting, the Commission considered this matter. The Commission voted to make the following recommendations to circuit court:

1. The Commission does not have jurisdiction to consider the four claims received against the bonds covering July 1, 1995 through June 30, 1998. The Commission only received an appointment from the Court to act as a receiver for the bonds covering July 1, 1998, through June 30, 2001;

2. The Commission disagrees with Staff's position that the claimants who entered into stock Subscription Agreements with Wheetco do not have valid claims against the bond for the amount listed in each Subscription Agreement. The Commission finds that the evidence does not support a finding that these claimants converted their grain payables into common stock. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreements and actually issued common stock to the claimants;

3. The Commission also disagrees with the bonding company's argument that D & M Grain is limited to the amount of its written claim submitted prior to the hearing. The Commission finds that the evidence presented at the hearing demonstrates that company records show that D & M Grain is entitled to $1,887.33. The statute cited by the bonding company does not provide that a claim is limited to the written claim submitted prior to the hearing, especially when the evidence presented to the Commission at the hearing shows that the written claim is incorrect;

4. The Commission further disagrees with the bonding company's argument that all of the interest earned on the bonds is the property of the bonding company and must be returned to the company. The Commission finds that when the bond is not sufficient to cover 100% of the claims, the interest earned on the bond money should be distributed on a pro rata basis to the claimants. Thus, the Commission finds that for the bond periods covering July 1, 1999, through June 30, 2001, all interest earned should be distributed on a pro rata basis to the claimants. For the bond period covering July 1, 1998, through June 30, 1999, the interest earned on the bond money shall be distributed to the bonding company since the claimants received 100% of their claims for that bonding period; and

5. Except for its position on the stock Subscription Agreements as stated earlier, the Commission agrees with Staff's recommendations concerning the amount of each claim and the distribution of the bond proceeds. Therefore, the Commission finds that the claims against the bond covering July 1, 1998, through June 30, 1999, should be distributed based on Staff's recommendations regarding the amount and validity of each claim, with all unused bond money and interest earned on that bond returned to the bonding company. For the bond covering July 1, 1999, through June 30, 2000, the Commission first finds that the claim submitted by Harlan Eisenbraun after the hearing is a valid claim. The Commission further finds that the bond money should be distributed based on Staff's recommendations (except for its position on the stock Subscription Agreements as explained earlier) regarding the amount and validity of each claim, on a pro rata basis, including accrued interest. For the bond covering July 1, 2000, through June 30, 2001, the Commission finds that the bond money should be distributed based on Staff's recommendations regarding the amount and validity of each claim, on a pro rata basis, including accrued interest.

Based on the evidence of record, the Commission makes the following proposed findings of fact and conclusions of law:

PROPOSED FINDINGS OF FACT

1. On August 24, 2001, the Commission filed with the Fifth Judicial Circuit a Petition to Appoint South Dakota Public Utilities Commission as a receiver of Wheetco pursuant to SDCL 49-45-16 and

SDCL Chapter 21-21, to take possession of the cash proceeds of the following grain dealer's bonds: (1) the bond commencing July 1, 1998, and ending June 30, 1999; (2) the bond commencing July 1, 1999, and ending June 30, 2000; and (3) the bond commencing July 1, 2000, and ending June 30, 2001. On September 20, 2001, the Commission was appointed receiver by the Honorable Larry H. Lovrien of the Fifth Judicial Circuit of South Dakota.

2. Pursuant to the order of the Court, the Commission held a hearing as scheduled on the claims against the bonds as described above on January 16, 2002, beginning at 1:00 p.m., at the Department of Labor Meeting Room, 420 South Roosevelt, Aberdeen, South Dakota.

3. Although the notice of the hearings only mentioned the bonds covering July 1, 1998, through June 30, 2001, the Commission received four claims concerning transactions made outside that time period. One claim was submitted against the bond for July 1, 1995, through June 30, 1996; two claims were submitted against the bond for July 1, 1996, through June 30, 1997; and one claim was submitted against the bond for July 1, 1997, through June 30, 1998.

CLAIMS AGAINST BONDS FOR JULY 1, 1995 THROUGH JUNE 30, 1998

4. Pursuant to the Court's Order, the Commission finds that it has jurisdiction to receive claims only for the bonds covering July 1, 1998, through June 30, 2001. However, the Commission also notes that Commission Staff reviewed the claims for the earlier bonds and determined that none of the claims would have been valid claims under the bonds in question because the grain concerned deferred payment contracts which are not covered by the bond or the product involved did not fall under the definition of grain. TR. at 20-25. Pursuant to SDCL 49-45-9, a grain dealer's bond "may not benefit any person entering into a voluntary credit sale with a grain dealer." A voluntary credit sale is defined as "a sale of grain or seeds pursuant to which the sale price is to be paid more than thirty days after the delivery or release of the grain for sale, including those contracts commonly referred to as deferred-payment contracts, deferred-pricing contracts and price-later contracts." SDCL 49-45-1.1(5). Thus, deferred payment contracts are statutorily excluded from bond coverage and the claimants entered into deferred payment contracts may not receive any of the bond proceeds. In addition, the definition of grain under SDCL 49-45-1.1(2) excludes "grain that has been cleaned, processed and specifically identified for intended use of planting for reproduction and for which a grain warehouse receipt has not been issued." The Commission further points out that if any of these claimants believe they have a valid claim they may bring an action in circuit court and sue under the bond. See SDCL 49-45-17.

CLAIMS AGAINST BOND FOR JULY 1, 1998, THROUGH JUNE 30, 1999

5. Five claims were submitted against the bond for July 1, 1998, through June 30, 1999.

6. Miles Bretsch submitted a claim for $24,000.00 for sunflowers. Exhibit 1E. Based on company records, Commission Staff submitted documentation supporting $23,778.24. TR. at 25; Exhibit 3Z. The difference is due to the fact that the claimant had estimated his claim. TR. at 25. The Commission finds that the claimant has a valid claim for $23,778.24.

7. Kjerstad Farm Partnership/Stephanie Kjerstad submitted a claim for $18,015.00 of safflowers, which included $2,423.37 for interest. Exhibit 1F. Commission Staff supported an amount of $15,591.63, which excludes the claim for interest. TR. at 26. Commission Staff stated that interest charges are not covered by the bond. Id. The Commission agrees that interest charges are not covered by the bond and finds that the claimant has a valid claim for $15,591.63.

8. Lazy BS, LLP/Stan Anderson submitted a claim for $6,464.00 for sunflowers, which included $964.00 for interest. Exhibit 1G. Commission Staff supported an amount of $5,500.00, which excludes the claim for interest. TR. at 26-27; Exhibit 3AB. The Commission finds that interest charges are not covered by the bond and finds that the claimant has a valid claim for $5,500.00.

9. Gary Tiegs submitted a claim for $8,937.13 for millet. Exhibit 1H. Commission Staff supported this amount. TR. at 27; Exhibit 3AF. The Commission finds that the claimant has a valid claim for $8,937.13.

10. D & M Grain submitted a claim for $1,691.25 for durum, which included an amount of $191.25 for service charges. Exhibit 1I. Commission Staff supported an amount of $1,887.33. TR. at 27-28; Exhibit 3AH. The higher amount is based on company records that showed an amount of $2,010.33, less $123.00 for the claimant's accounts receivable balance. TR. at 27. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3AH. Commission Staff further recommended that the service charges not be recovered from the bond money. TR. at 28. The bonding company objected to the payment of any amount above D & M Grain's claim for $1,691.25 based on SDCL 49-45-19 that states a claim must be in writing. TR. at 103. The Commission disagrees with the bonding company that D & M Grain's written claim filed prior to the hearing limits D & M Grain to the amount listed in the claim. The evidence presented at the hearing demonstrates that company records show that D & M Grain is entitled to $1,887.33. The statute cited by the bonding company does not provide that a claim is limited to the written claim submitted prior to the hearing, especially when the evidence presented to the Commission at the hearing shows that the written claim is incorrect. The Commission finds the claimant has a valid claim for $1,887.33.

11. Based on findings of fact 6 through 10, the Commission finds that the claimants have valid claims totaling $55,694.33 against the $75,000.00 bond for July 1, 1998, through June 30, 1999. The bond money shall be distributed to the claimants in the amounts listed above and the remainder of the bond money, plus accrued interest, shall be returned to the bonding company.

CLAIMS AGAINST BOND FOR JULY 1, 1999, THROUGH JUNE 30, 2000

12. Twenty-four claims were submitted against the bond for July 1, 1999, through June 30, 2000.

13. Bert Raap submitted a claim for $8,957.16 for sunflowers. Exhibit 1B. Commission Staff supported an amount of $26.89. TR. at 29; Exhibit 3A. Commission Staff's recommendation was based on a stock Subscription Agreement entered into between Bert Raap and Wheetco. Id. Commission Staff stated that company records showed that $8,930.27 of the $8,957.16 owed for this bond period was converted to a Subscription Agreement for common stock, leaving $26.89. Id. According to the Subscription Agreement, Bert Raap subscribed to 1,434 shares of common stock of Wheetco at the price of $50.00 per share. Exhibit 3A. The Agreement purported to convert $71,700.00 of the current account of $71,726.89 owed to Bert Raap by Wheetco to common stock. Id. The Commission points out that only $8,957.16 of the $71,726.89 concerned this bonding year. A Subscription Agreement was given to Commission Staff by Larry Wheeting in September of 2000 and was not dated or notarized. TR. at 81. Commission Staff also submitted a Wheetco Stock Register, dated as of May 31, 2000, which stated that 600 shares were sold to Bert Raap between January 31, 2000, and May 31, 2000. Exhibit 3A. The Commission notes that other claimants who entered into stock Subscription Agreements did not actually sign the agreements until September of 2000. See Findings of Fact 17, 19, 38.

14. The Commission finds the Stock Register compiled by Wheetco is clearly not accurate since the Subscription Agreement referred to 1,434 shares and the Stock Register referred to 600 shares. Exhibit 3A. Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit 3A. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to Bert Raap. The Commission finds that the evidence does not support a finding that Bert Raap converted his grain payables into common stock. Thus, the Commission finds the claimant has a valid claim for $8,957.16.

15. North Central Farmers Elevator submitted a claim for $12,768.08 for millet and sunflowers. Exhibit 1J. Commission Staff supported an amount of $12,096.10. TR. at 30; Exhibit 3F. Commission Staff stated the difference in the amounts is due to dockage and a prepaid balance for rye purchased. TR. at 30. The Commission finds that the claimant has a valid claim for $12,096.10.

16. Kent Holler submitted a claim for $3,200.55 for sunflowers. Exhibit 1K. Commission Staff supported an amount of $3,175.02. TR. at 30; Exhibit 3G. The difference in the amounts is due to the sunflower checkoff not being deducted. Id. The Commission finds the claimant has a valid claim for $3,175.02.

17. Sam Schauer submitted a claim for $47,749.93 for sunflowers. Exhibit 1L. Commission Staff supported an amount of $2,488.94. TR. at 30-32; Exhibit 3H. Commission Staff's recommendation was based on a stock Subscription Agreement entered into between Sam Schauer/Schauer, Bros. and Wheetco and an error of $10.99 on an assembly sheet. Id. According to the Subscription Agreement, Sam Schauer/Schauer Bros. subscribed to 905 shares of common stock of Wheetco at the price of $50.00 per share. Exhibit 3H. The agreement purported to convert $45,250.00 of the current account of $47,479.93 owed to Sam Schauer/Schauer Bros. by Wheetco to common stock. Id. A Subscription Agreement was given to Commission Staff by Larry Wheeting in September of 2000 and was not dated or notarized. TR. at 81. Commission Staff also submitted a Wheetco Stock Register, dated as of May 31, 2000, which stated that 1500 shares were sold to the Schauers between January 31, 2000, and May 31, 2000. Exhibit 3H. Sam Schauer testified that he did not sign the Subscription Agreement until September 18, 2000. TR. at 98.

18. The Commission finds the Stock Register compiled by Wheetco is clearly not accurate since Sam Schauer did not enter into the Agreement until September 18, 2000. Exhibit 3H; TR. at 98. Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit 3H. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to Sam Schauer. Sam Schauer stated that there was no stock. TR. at 31. The Commission finds that the evidence does not support a finding that Sam Schauer converted his grain payables into common stock. The Commission also finds there was an error of $10.99 on an assembly sheet. Thus, the Commission finds the claimant has a valid claim for $47,738.94.

19. Jake Schauer submitted a claim for $29,751.42 for sunflowers. Exhibit 1M. Commission Staff supported an amount of $1.42. TR. at 32-33; Exhibit 3I. Commission Staff's recommendation was based on a stock Subscription Agreement entered into between Jake Schauer/Schauer Bros. and

Wheetco. Id. According to the Subscription Agreement, Jake Schauer/Schauer Bros. subscribed to 595 shares of common stock of Wheetco at the price of $50.00 per share. Exhibit 3I. The agreement purported to convert $29,750.00 of the current account of $29,751.42 owed to Jake Schauer/Schauer Bros. by Wheetco to common stock. Id. A Subscription Agreement was given to Commission Staff by Larry Wheeting in September of 2000 and was not dated or notarized. TR. at 81. Commission Staff also submitted a Wheetco Stock Register, dated as of May 31, 2000, which stated that 1500 shares were sold to the Schauers between January 31, 2000, and May 31, 2000. Exhibit 3I. After the hearing, Jake Schauer sent in the dated Subscription Agreement which shows it was notarized and signed on September 18, 2000. Late-filed Exhibit received February 5, 2002. A comparison of the Agreement given to Commission Staff with the Agreement sent in by Jake Schauer shows that the Subscription Agreement given to Commission Staff had the notarized date removed prior to giving the Agreement to Staff. See Exhibit 3I; Late-filed Exhibit received February 5, 2002.

20. The Commission finds that the Stock Register compiled by Wheetco is clearly not accurate since Jake Schauer did not enter into the Agreement until September 18, 2000. Exhibit 3I; Late-filed Exhibit received February 5, 2002. Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit 3I. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to Jake Schauer. The Commission finds that the evidence does not support a finding that Jake Schauer converted his grain payables into common stock. Thus, the Commission finds the claimant has a valid claim for $29,751.42.

21. Jim Schauer submitted a claim for $9,331.60 for sunflowers. Exhibit 1N. Commission Staff supported this amount. TR. at 33. The Commission finds the claimant has a valid claim for $9,331.60.

22. Mike Knoll submitted a claim for $11,613.66 for sunflowers. Exhibit 1Q. Commission Staff supported an amount of $9,613.16. TR. at 33; Exhibit 3L. The difference between the amounts is that Wheetco's records showed that the claimant also had an accounts receivable balance of $2,000.50. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3L. The Commission finds the claimant has a valid claim for $9,613.16.

23. Don Hearnen submitted a claim for $27,793.36 for sunflowers. Exhibit 1P. Commission Staff supported this amount. TR. at 33-35; Exhibit 3M. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $22,857.37, at an interest rate of 10%. TR. at 36; Exhibit 3M. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 34; Exhibit 3M. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry Wheeting "that the promissory notes would not be effective unless the financing package was approved." TR. at 34.

24. The Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the

same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $27,793.36.

25. Merritt Patterson & Sons, Dale Patterson, submitted a claim for $14,845.05 for safflowers. Exhibit 1Q. Commission Staff supported this amount. TR. at 35-36; Exhibit 3O. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $20,184.21. at an interest rate of 10%. TR. at 36; Exhibit 3O. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 35-36; Exhibit 3O. Commission Staff's position was that the letter substantiated "Mr. Wheeting's statement that the promissory notes would not be effective unless the financing package was approved." TR. at 36.

26. With respect to the promissory note signed by the claimant, the Commission first points out that the note was not signed by a Wheetco representative. In addition, the Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $14,845.05.

27. KSP Farms, Inc., Kevin Swanson submitted a claim for $3,573.77 for sunflowers. Exhibit 1R. Commission Staff supported this amount. TR. at 36. The Commission finds the claimant has a valid claim for $3,573.77.

28. Clark Roeber submitted a claim for $15,246.45 for sunflowers. Exhibit 1S. Commission Staff supported this amount. TR. at 36-37. The Commission finds the claimant has a valid claim for $15,246.45.

29. Joel Durheim/First National Bank of Frederick submitted a claim for $6,305.10 for sunflowers. Exhibit 1T. Commission Staff supported this amount. TR. at 37-38. The Commission finds the claimant has a valid claim for $6,305.10.

30. Joe Cameron submitted a claim for $5,038.57 for millet. Exhibit 1U. Commission Staff supported an amount of $3,188.49. TR. at 38; Exhibit 3R. The difference between the amounts is that Wheetco's records showed that the claimant also had an accounts receivable balance of $1,850.08. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3R. The Commission finds the claimant has a valid claim for $3,188.49.

31. Owen Elsen submitted a claim for $9,209.79 for sunflowers. Exhibit 1V. Commission Staff supported an amount of $8,071.29. TR. at 38-39; Exhibit 3T. The difference between the amounts is that Wheetco's records showed that the claimant also had an accounts receivable balance of $1,138.50. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3T. The Commission finds the claimant has a valid claim for $8,071.29.

32. The Bottum Brothers submitted a claim for $14,656.91 for sunflowers. Exhibit 1W. Commission Staff supported this amount. TR. at 39; Exhibit 3U. The Commission finds the claimant has a valid claim for $14,656.91.

33. KH, Inc. submitted a claim for $4,002.11 for sunflowers. Exhibit 1X. Commission Staff supported an amount of $3,950.00. TR. at 39; Exhibit 3V. The difference in the amounts is due to a deduction for the sunflower checkoff and a transfer fee. Id. The Commission finds the claimant has a valid claim for $3,950.00.

34. Witten Feed and Grain submitted a claim for $4,804.80 for milo. Exhibit 1Y. Commission Staff supported an amount of $4,290.49. TR. at 39-40; Exhibit 3W. The difference in the amounts is based on company records which showed $4,290.49 for milo and $511.74 for freight. TR. at 40; Exhibit 3W. Commission Staff recommended that the amount for freight not be included because freight charges are not a valid claim under the bond. TR. at 40. The Commission agrees and finds that the claimant has a valid claim for $4,290 49.

35. Clarence Wagner submitted a claim for $21,095.43 for sunflowers. Exhibit 1Z. Commission Staff supported this amount. TR. at 40. The Commission finds the claimant has a valid claim for $21,095.43.

36. Mark Saunders submitted a claim for $2,262.54 for sunflowers. Exhibit 1AA. Commission Staff supported this amount. TR. at 40. The Commission finds the claimant has a valid claim for $2,262.54.

37. Clem Handcock submitted a claim for $3,005.32, plus interest, for millet. Exhibit 1AB. Commission Staff supported an amount of $3,005.64 based on company records and recommended no interest charges be allowed. TR. at 40-41; Exhibit 3AC. The Commission finds the claimant has a valid claim for $3,005.64

38. The Schurrs submitted a claim for $95,601.11 for sunflowers. Exhibit 1AC. The Schurrs are comprised of Arnold Schurr and his son Steve Schurr. TR. at 89. Commission Staff stated that company records showed an amount of $96,050.00 but recommended that nothing be paid on this claim. TR. at 41-43; Exhibit 3AD. The difference between the Schurrs' claim of $95,601.11 and Staff's amount of $96,050.00 is due to the sunflower checkoff, assembly sheet errors, and a transfer fee. TR. at 41. Commission Staff's recommendation that nothing be paid on the claim was based on a stock Subscription Agreement entered into between the Schurrs and Wheetco. TR. at 41-43. According to the Subscription Agreement, the Schurrs subscribed to 1,921 shares of common stock of Wheetco at the price of $50.00 per share. Exhibit 3AD. The agreement purported to convert $96,050.00 of the current account of $96,050.00 owed to the Schurrs by Wheetco to common stock. Id. The Subscription Agreement was given to Commission Staff by Larry Wheeting in September of 2000 and was not dated or notarized. TR. at 81. Commission Staff also submitted a Wheetco Stock Register, dated as of May 31, 2000, which stated that 2000 shares were sold to the Schurrs between January 31, 2000, and May 31, 2000. Exhibit 3AD. At the hearing, Arnold Schurr submitted a dated Subscription Agreement which shows it was notarized and signed on September 19, 2000. Exhibit A. A comparison of the Agreement given to Commission Staff with the Agreement submitted by Arnold Schurr shows that the Subscription Agreement given to Commission Staff had the notarized date removed prior to giving the Agreement to Staff. See Exhibits 3AD, A.

39. The Commission finds that the Stock Register compiled by Wheetco is clearly not accurate since Arnold Schurr did not enter into the Agreement until September 19, 2000. Exhibit 3AD; Exhibit A.

Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit A. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to the Schurrs. The Commission finds that the evidence does not support a finding that the Schurrs converted their grain payables into common stock. Thus, the Commission finds the claimant has a valid claim for $96,050.00.

40. Rix Farms, Inc. submitted a claim for $62,672.12 for sunflowers, certified Oxen wheat, certified Ignot wheat, certified Russ wheat, and wheat. Exhibit 1AD. Commission Staff supported an amount of $14,495.30. TR. at 43-44; Exhibit 3AE. Commission Staff stated that $14,227.35 of the claim was for certified Oxen wheat, $13,022.67 of the claim was for Ignot wheat, and $20,926.80 of the claim was for Russ wheat. TR. at 43; Exhibit 3AE. Commission Staff stated that the certified wheat is not included in the definition of grain and is therefore not covered by the bond. TR. at 43. The Commission agrees that the certified wheat is not grain as defined by SDCL 49-45-1.1(2) which excludes "grain that has been cleaned, processed and specifically identified for intended use of planting for reproduction and for which a grain warehouse receipt has not been issued."

41. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $60,846.03, at an interest rate of 8%. TR. at 43; Exhibit 3AE. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 44; Exhibit 3AE. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry Wheeting "that the promissory notes would not be effective unless the financing package was approved." TR. at 44.

42. The Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Therefore, the Commission finds the claimant has a valid claim for $14,495.30.

43. Erickson Farms submitted a claim for $4,650.40 for wheat and millet, which included trucking costs. Exhibit 1AE. Commission Staff supported an amount of $4,175.62 which was based on company records that showed $3,822.00 for millet and $353.62 for wheat. TR. at 44-45; Exhibit 3AG. Commission Staff excluded the trucking expenses as not covered by the bond. TR. at 44. On March 1, 2002, the Commission received a claim from Harlan Eisenbraun stating that he had delivered $3,822.00 of millet to Wheetco on June 30, 2000. On March 5, 2002, the Commission received a Motion to Reopen the Record from Commission Staff. The motion explained that at the hearing held on January 16, 2002, Staff had recommended that Erickson Farms had a valid claim in the amount of $4,175.62, with $3,822.00 for millet and $353.62 for wheat. Following the hearing, Commission Staff learned that the millet was owned by Harlan Eisenbraun and Erickson Farms had merely performed the trucking service. Darrel Erickson confirmed that was the case. Late-filed Exhibit 10. Based on further documentation received from Wheetco, Commission Staff stated that Erickson Farms has a valid claim for $353.62 for wheat and Harlan Eisenbraun/First Western Bank has a valid claim for $3,822.00 for millet. Late-filed Exhibits 11A, 11B, 12A, 12B. At its March 28, 2002, meeting, the Commission granted Staff's Motion to Reopen Record. The Commission agrees

with Commission Staff that trucking costs are not covered under the bond and finds that Erickson Farms has a valid claim for $353.62.

44. On March 1, 2002, Harlan Eisenbraun submitted a claim for $3,822.00 of millet. Late-filed Exhibit 12A. As explained in the preceding paragraph, at the hearing, the $3,822.00 of millet was originally thought to have belonged to Erickson Farms. Based on documentation received after the hearing, Commission Staff is now recommending that Harlan Eisenbraun has a valid claim for $3,822.00. Late-filed Exhibits 10, 11A, 11B, 12A, 12B. The Commission agrees and finds the claimant has a valid claim for $3,822.00.

45. D & M Grain submitted a claim for $107,036.12 for sunflowers, oats, and millet, which included $478.00 for service charges. Exhibit 1I. Commission Staff supported an amount of $94,305.29. TR. at 45-46; Exhibit 3AH. The difference in the amounts is due to payments made by Wheetco, the difference in price per pound and per bushel, and an accounts receivable balance for D & M Grain. Id. Commission Staff also recommended denial of recovery of the service charges. TR. at 45-46. The Commission agrees with all of Commission Staff's recommendations and finds the claimant has a valid claim for $94,305.29.

46. Based on findings of fact 13 through 45, the Commission finds that the claimants have valid claims totaling $457,974.13 against the bond for July 1, 1999, through June 30, 2000. The bond money, including accrued interest, shall be distributed to the claimants on a pro rata basis.

CLAIMS AGAINST BOND FOR JULY 1, 2000, THROUGH JUNE 30, 2001

47. Twenty-five claims were submitted against the bond for July 1, 2000, through June 30, 2001.

48. Roger Hurlbert submitted a claim for $4,436.37 for sunflowers. Exhibit 1AF. Commission Staff supported an amount of $4,231.50. TR. at 46-47; Exhibit 3C. The difference in the amounts was due to dockage and the sunflower checkoff. TR. at 46; Exhibit 3C. The Commission finds the claimant has a valid claim for $4,231.50.

49. Russ Hurlbert submitted a claim for $2,957.58 for sunflowers. Exhibit 1AG. Commission Staff supported an amount of $2,821.00. TR. at 47; Exhibit 3D. The difference in amounts is due to dockage and the sunflower checkoff. Id. The Commission finds the claimant has a valid claim for $2,821.00.

50. Gary Meikeljohn submitted a claim for $23,639.64 for sunflowers. Exhibit 1AH. Commission Staff supported an amount of $23,468.64. TR. at 47; Exhibit 3E. The difference in amounts was due to the sunflower checkoff and the number of pounds on scale ticket no. 11370. Id. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $23,468.64, at an interest rate of 10.6%. TR. at 47-48; Exhibit 3E. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 48; Exhibit 3E. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry Wheeting "that the promissory notes would not be effective unless the financing package was approved." TR. at 48.

51. The Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the

same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $23,468.64.

52. The Duenwald Brothers/Bank of Hoven submitted a claim for $2,904.18 for sunflowers. Exhibit 1AI. Commission Staff supported this amount. TR. at 48. The Commission finds the claimant has a valid claim for $2,904.18.

53. Warner Co-operative Co. Elevator submitted a claim for $4,431.53 for millet. Exhibit 1AJ. Commission Staff supported this amount. TR. at 48. The Commission finds the claimant has a valid claim for $4,431.53.

54. PENCO of South Dakota submitted a claim for $24,636.20 for sunflowers, which included $4,893.56 for trucking expenses. Exhibit 1AK. Commission Staff supported an amount of $19,742.64 for the sunflowers but recommended denial of the trucking expenses as not covered by the bond. TR. at 49. The Commission agrees and finds the claimant has a valid claim for $19,742.64.

55. Densley Zambo submitted a claim for $8,079.75 for sunflowers. Exhibit 1AL. Commission Staff supported an amount of $7,668.47. TR. at 49; Exhibit 3J. The difference in the amounts is due to dockage and the sunflower checkoff. Id. The Commission finds the claimant has a valid claim for $7,668.47.

56. Holyoke Coop Association submitted a claim for $17,315.65 for millet. Exhibit 1AM. Commission Staff supported an amount of $12,477.73. TR. at 49-50; Exhibit 3K. The difference between the amounts is that Wheetco's records showed that the claimant also had an accounts receivable balance of $4,837.92. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3K. The Commission finds the claimant has a valid claim for $12,477.73.

57. Fred Eisenbraun/First Western Bank submitted a claim for $5,820.00 for safflowers. Exhibit 1AN. Commission Staff supported an amount of $5,659.15. TR. at 50; Exhibit 3N. The difference in the amounts is due to dockage and the safflower checkoff. Id. The Commission finds the claimant has a valid claim for $5,659.15.

58. RDZ Farms, Inc. submitted a claim for $6,138.31 for millet. Exhibit 1AQ. Commission Staff supported this amount. TR. at 50. The Commission finds the claimant has a valid claim for $6,138.31.

59. Merritt Patterson & Sons/Dale Patterson submitted a claim for $5,339.17 for safflowers. Exhibit 1Q. Commission Staff supported this amount. TR. at 51-52; Exhibit 3O. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $20,184.21. TR. at 51; Exhibit 3O. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 34; Exhibit 3O. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry Wheeting "that the promissory notes would not be effective unless the financing package was approved." TR. at 51.

60. With respect to the promissory note, the Commission first points out that the note was not signed by a Wheetco representative. In addition, the Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $5,339.17.

61. Gaylon Goldin submitted a claim for $4,782.81 for sunflowers. Exhibit 1AP. Commission Staff supported this amount. TR. at 52. The Commission finds the claimant has a valid claim for $4,782.81.

TR. at 53; Exhibit 3P. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 54; Exhibit 3P. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry "that the promissory notes would not be effective unless the financing package was approved." TR. at 54.

67. The Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $29,511.49.

68. Jim Faulstich/American State Bank of Pierre submitted a claim for $15,599.82 for sunflowers. Exhibit 1AV. Commission Staff supported an amount of $11,843.27. TR. at 54-55; Exhibit 3Q. The difference in the amounts is based on Wheetco records that showed a check for $3,756.55 had been paid to the claimant and had cleared the bank. Id. The Commission finds the claimant has a valid claim for $11,843.27.

69. Joe Cameron submitted a claim for $7,884.80 for millet. Exhibit 1U. Commission Staff supported an amount of $4,293.23. TR. at 55; Exhibit 3R. The difference in the amounts is due to dockage, price per pound, and additional scale tickets. Id. In addition, Wheetco's records showed that the claimant also had an accounts receivable balance of $3,962.40. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3R. The Commission finds the claimant has a valid claim for $4,293.23.

70. Clayton Kjerstad submitted a claim for $19,536.80 for millet, which included $800.00 for trucking expenses. Exhibit 1AW. Commission Staff supported an amount of $12,118.15. TR. at 55-56; Exhibit 3AJ. The difference in the amounts is due to dockage, a price difference, and that company records showed that one of the scale tickets had been paid. Id. In addition, Commission Staff recommended that the trucking expenses not be allowed because those expenses are not covered by the bond. TR. at 56. The Commission agrees and finds the claimant has a valid claim for $12,118.15.

71. Farmers Oil Company submitted a claim for $5,340.37 for sunflowers. Exhibit 1AX. Commission Staff supported an amount of $5,072.25. TR. at 56; Exhibit 3X. The difference in amounts is due to dockage and minor weight differences. Id. The Commission finds that the claimant has a valid claim for $5,072.25.

72. Kerwyn Holsing submitted a claim for $5,230.62 for sunflowers. Exhibit 1AY. Commission Staff supported this amount. TR. at 56. The Commission finds that the claimant has a valid claim for $5,230.62.

73. Myron Dieterle submitted a claim for $8,930.85 for sunflowers. Exhibit 1AZ. Commission Staff supported an amount of $8,863.65. TR. at 57; Exhibit 3Y. The difference in amounts is due to the sunflower checkoff and dockage. Id. The Commission finds the claimant has a valid claim for $8,863.65.

74. Equinox Enterprises submitted a claim for $5,885.98 for millet, which included a deduction for an accounts receivable balance. Exhibit 1BA. Commission Staff supported this amount. TR. at 57; Exhibit 3AA. Wheetco's records confirmed that the claimant had an accounts receivable balance of $4,085.76. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3AA. The Commission finds the claimant has a valid claim for $5,885.98.

75. Clem Handcock submitted a claim for $23,845.90, plus interest, for millet. Exhibit 1AB. Commission Staff supported an amount of $23,833.22. TR. at 57-58; Exhibit 3AC. The difference in the amounts is due to the claimant's inclusion of freight and storage charges, plus minor differences in the price and balances on some of the assembly sheets. Id. Commission Staff recommended that recovery of freight and storage charges and the request for interest charges be denied. TR. at 58. The Commission agrees and finds the claimant has a valid claim for $23,833.22.

76. Based on findings of fact 48 through 75, the Commission finds that the claimants have valid claims totaling $233,442.71 against the $75,000.00 bond for July 1, 2000, through June 30, 2001. The bond money, including any accrued interest, shall be distributed to the claimants on a pro rata basis.

INTEREST ON BOND MONEY

77. Commission Staff stated that all the interest earned on the bond money should be distributed on a pro rata basis to the claimants. TR. at 61-62. The bonding company's position was that any interest earned was the property of the bonding company and should be returned to the company. TR. at 104-105. The Commission disagrees with the bonding company's position. As a general rule, "[a]ny profit or benefit accruing from [a receiver's] management of or dealings with the property committed to [the receiver's] charge must inure to the trust estate." 75 C.J.S. Receivers § 182(a). Thus, the Commission finds that for the bond periods covering July 1, 1999, through June 30, 2001, all interest earned should be distributed on a pro rata basis to the claimants. For the bond period covering July 1, 1998, through June 30, 1999, the interest earned on the bond money shall be distributed to the bonding company.

PROPOSED CONCLUSIONS OF LAW

1. The Court has jurisdiction over this matter pursuant to SDCL 49-45-16, and SDCL Chapter 21-21.

2. The Commission has jurisdiction over this matter as a receiver appointed by the Court pursuant to SDCL Chapter 21-21, and SDCL Chapter 49-45, specifically 49-45-16.

3. The Commission does not have jurisdiction to consider the four claims received against the bonds covering July 1, 1995 through June 30, 1998. The Commission only received an appointment from the Court to act as a receiver for the bonds covering July 1, 1998, through June 30, 2001.

4. With respect to the promissory notes entered into between some of the claimants and Wheetco, the Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. The "[e]ssential elements of novation are: (1) a previous valid obligation, (2) agreement of all parties to the substitution under a new contract based on sufficient consideration, (3) extinguishment of the old contract, and (4) the validity of the new contract." Haggar v. Olfert, 387 N.W. 2d 45, 50 (S.D. 1986). Clear and convincing evidence is needed in order to find a novation. Id. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant.

5. Similarly, with respect to the stock Subscription Agreements, the Commission finds that the evidence does not support a finding that the claimants who signed stock Subscription Agreements converted their grain payables into common stock. The Commission finds that the Stock Register compiled by Wheetco which purported to reflect stockholders through May 31, 2000, is clearly not accurate given the Subscription Agreements entered into the record by some of the claimants which showed that the Agreements were not signed until September of 2000. See Exhibit 3AD; Exhibit A. Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit A. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to the claimants.

6. The Commission rejects the bonding company's claim that a claimant may not receive any amount above his written claim which is submitted prior to the hearing. The evidence presented at the hearing demonstrates that company records show that D & M Grain is entitled to $1,887.33. The statute cited by the bonding company, SDCL 49-45-19, does not provide that a claim is limited to the written claim submitted prior to the hearing, especially when the evidence presented to the Commission at the hearing shows that the written claim is incorrect.

7. The Commission finds that when the bond is not sufficient to cover 100% of the claims, the interest earned on the bond money should be distributed on a pro rata basis to the claimants. The Commission disagrees with the bonding company's position that any interest earned was the property of the bonding company and must be returned to the company. As a general rule, "[a]ny profit or benefit accruing from [a receiver's] management of or dealings with the property committed to [the receiver's] charge must inure to the trust estate." 75 C.J.S. Receivers § 182(a). Further, the Commission points out that the Commission was given the authority to invest the bond proceeds in an interest bearing account. "A receiver who has on hand such a sum of money belonging to the estate that if it were his own he would invest it, has been held to have the duty to ask leave of the court to invest it, and to try, in good faith, to keep it invested for the benefit of the persons ultimately entitled." Id. at § 173 (emphasis added). Thus, the Commission finds that for the bond periods covering July 1, 1999, through June 30, 2001, all interest earned should be distributed on a pro rata basis to the claimants. For the bond period covering July 1, 1998, through June 30, 1999, the interest earned on the bond money shall be distributed to the bonding company since the claimants received 100% of their claims.

8. All of the above claims found valid by the Commission in findings of fact 6-10 are legitimate claims on the proceeds of the $75,000.00 grain dealer's bond, commencing July 1, 1998, and ending June 30, 1999. All such claims shall be paid out of the proceeds of the bond. The remaining bond money shall be returned to the bonding company, along with accrued interest.

9. All of the above claims found valid by the Commission in findings of fact 13-45 are legitimate claims on the proceeds of the $75,000.00 grain dealer's bond, commencing July 1, 1999, and ending June 30, 2000. All such claims shall be paid out of the proceeds of the bond, along with accrued interest.

10. All of the above claims found valid by the Commission in findings of fact 48-75 are legitimate claims on the proceeds of the $75,000.00 grain dealer's bond, commencing July 1, 2000, and ending June 30, 2001. All such claims shall be paid out of the proceeds of the bond, along with accrued interest.

It is therefore

ORDERED, that if these findings of fact and conclusions of law are accepted by the Court, the Commission, as receiver, shall pay the above claims from the grain dealer's bonds in the amounts listed above. Accumulated interest on the grain dealer's bonds for the bonding period of July 1, 1999, through June 30, 2001, shall be distributed on a pro rata basis to the eligible claimants of the bond proceeds. Accumulated interest on the grain dealer's bond for the bonding period of July 1, 1998 through June 30, 1999, and all remaining bond proceeds shall be distributed to the bonding company.

Dated at Pierre, South Dakota, this 4th day of April, 2002.

	)	DECISION OF RECEIVER

PROCEDURAL HISTORY

This action comes before the Court upon petition of the South Dakota Public Utilities Commission (Commission) to be appointed as a receiver of Wheetco, Inc. (Wheetco) pursuant to SDCL 49-45-16 and SDCL Chapter 21-21, and to take possession of the cash proceeds of the following grain dealer's bonds: (1) the bond commencing July 1, 1998, and ending June 30, 1999; (2) the bond commencing July 1, 1999, and ending June 30, 2000; and (3) the bond commencing July 1, 2000, and ending June 30, 2001. On September 20, 2001, the Commission was appointed receiver.

Pursuant to the order of the Court, the Commission held a hearing to determine claims against the cash proceeds of the grain dealer's bonds. The hearing was held as scheduled on January 16, 2002, beginning at 1:00 p.m., at the Department of Labor Meeting Room, 420 South Roosevelt, Aberdeen, South Dakota.

On February 5, 2002, Jake Schauer filed a notarized Subscription Agreement with the Commission. On February 13, 2002, the Commission received a letter from attorney Jeffrey Sveen, filed on behalf of Arnold Schurr, concerning the stock Subscription Agreement that was signed by Mr. Schurr. On March 1, 2002, the Commission received a claim from Harlan Eisenbraun stating that he had delivered $3,822.00 of millet to Wheetco on June 30, 2000. On March 5, 2002, the Commission received a Motion to Reopen the Record from Commission Staff. The motion explained that at the hearing held on January 16, 2002, Staff had recommended that Erickson Farms had a valid claim in the amount of $4,175.62, with $3,822.00 for millet and $353.62 for wheat. Following the hearing, Commission Staff learned that the millet was owned by Harlan Eisenbraun and Erickson Farms had merely performed the trucking service. Darrel Erickson confirmed that was the case. Based on further documentation received from Wheetco, Commission Staff stated that Erickson Farms has not been paid for $353.62 for wheat and Harlan Eisenbraun/First Western Bank has a valid claim for $3,822.00 for millet. At its March 28, 2002, meeting, the Commission considered Staff's Motion to Reopen Record. No one objected to the motion. The Commission voted to open the record and received into evidence the claim submitted by Harlan Eisenbraun and the additional documentation submitted by Commission Staff.

At its March 28, 2002, meeting, the Commission considered this matter. The Commission voted to make the following recommendations to circuit court:

1. The Commission does not have jurisdiction to consider the four claims received against the bonds covering July 1, 1995 through June 30, 1998. The Commission only received an appointment from the Court to act as a receiver for the bonds covering July 1, 1998, through June 30, 2001;

2. The Commission disagrees with Staff's position that the claimants who entered into stock Subscription Agreements with Wheetco do not have valid claims against the bond for the amount listed in each Subscription Agreement. The Commission finds that the evidence does not support a finding that these claimants converted their grain payables into common stock. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreements and actually issued common stock to the claimants;

3. The Commission also disagrees with the bonding company's argument that D & M Grain is limited to the amount of its written claim submitted prior to the hearing. The Commission finds that the evidence presented at the hearing demonstrates that company records show that D & M Grain is entitled to $1,887.33. The statute cited by the bonding company does not provide that a claim is limited to the written claim submitted prior to the hearing, especially when the evidence presented to the Commission at the hearing shows that the written claim is incorrect;

4. The Commission further disagrees with the bonding company's argument that all of the interest earned on the bonds is the property of the bonding company and must be returned to the company. The Commission finds that when the bond is not sufficient to cover 100% of the claims, the interest earned on the bond money should be distributed on a pro rata basis to the claimants. Thus, the Commission finds that for the bond periods covering July 1, 1999, through June 30, 2001, all interest earned should be distributed on a pro rata basis to the claimants. For the bond period covering July 1, 1998, through June 30, 1999, the interest earned on the bond money shall be distributed to the bonding company since the claimants received 100% of their claims for that bonding period; and

5. Except for its position on the stock Subscription Agreements as stated earlier, the Commission agrees with Staff's recommendations concerning the amount of each claim and the distribution of the bond proceeds. Therefore, the Commission finds that the claims against the bond covering July 1, 1998, through June 30, 1999, should be distributed based on Staff's recommendations regarding the amount and validity of each claim, with all unused bond money and interest earned on that bond returned to the bonding company. For the bond covering July 1, 1999, through June 30, 2000, the Commission first finds that the claim submitted by Harlan Eisenbraun after the hearing is a valid claim. The Commission further finds that the bond money should be distributed based on Staff's recommendations (except for its position on the stock Subscription Agreements as explained earlier) regarding the amount and validity of each claim, on a pro rata basis, including accrued interest. For the bond covering July 1, 2000, through June 30, 2001, the Commission finds that the bond money should be distributed based on Staff's recommendations regarding the amount and validity of each claim, on a pro rata basis, including accrued interest.

The Commission submitted its proposed decision to this Court. The Commission made the following proposed findings of fact and conclusions of law:

FINDINGS OF FACT

1. On August 24, 2001, the Commission filed with the Fifth Judicial Circuit a Petition to Appoint South Dakota Public Utilities Commission as a receiver of Wheetco pursuant to SDCL 49-45-16 and

SDCL Chapter 21-21, to take possession of the cash proceeds of the following grain dealer's bonds: (1) the bond commencing July 1, 1998, and ending June 30, 1999; (2) the bond commencing July 1, 1999, and ending June 30, 2000; and (3) the bond commencing July 1, 2000, and ending June 30, 2001. On September 20, 2001, the Commission was appointed receiver by the Honorable Larry H. Lovrien of the Fifth Judicial Circuit of South Dakota.

2. Pursuant to the order of the Court, the Commission held a hearing as scheduled on the claims against the bonds as described above on January 16, 2002, beginning at 1:00 p.m., at the Department of Labor Meeting Room, 420 South Roosevelt, Aberdeen, South Dakota.

3. Although the notice of the hearings only mentioned the bonds covering July 1, 1998, through June 30, 2001, the Commission received four claims concerning transactions made outside that time period. One claim was submitted against the bond for July 1, 1995, through June 30, 1996; two claims were submitted against the bond for July 1, 1996, through June 30, 1997; and one claim was submitted against the bond for July 1, 1997, through June 30, 1998.

CLAIMS AGAINST BONDS FOR JULY 1, 1995 THROUGH JUNE 30, 1998

4. Pursuant to the Court's Order, the Commission finds that it has jurisdiction to receive claims only for the bonds covering July 1, 1998, through June 30, 2001. However, the Commission also notes that Commission Staff reviewed the claims for the earlier bonds and determined that none of the claims would have been valid claims under the bonds in question because the grain concerned deferred payment contracts which are not covered by the bond or the product involved did not fall under the definition of grain. TR. at 20-25. Pursuant to SDCL 49-45-9, a grain dealer's bond "may not benefit any person entering into a voluntary credit sale with a grain dealer." A voluntary credit sale is defined as "a sale of grain or seeds pursuant to which the sale price is to be paid more than thirty days after the delivery or release of the grain for sale, including those contracts commonly referred to as deferred-payment contracts, deferred-pricing contracts and price-later contracts." SDCL 49-45-1.1(5). Thus, deferred payment contracts are statutorily excluded from bond coverage and the claimants entered into deferred payment contracts may not receive any of the bond proceeds. In addition, the definition of grain under SDCL 49-45-1.1(2) excludes "grain that has been cleaned, processed and specifically identified for intended use of planting for reproduction and for which a grain warehouse receipt has not been issued." The Commission further points out that if any of these claimants believe they have a valid claim they may bring an action in circuit court and sue under the bond. See SDCL 49-45-17.

CLAIMS AGAINST BOND FOR JULY 1, 1998, THROUGH JUNE 30, 1999

5. Five claims were submitted against the bond for July 1, 1998, through June 30, 1999.

6. Miles Bretsch submitted a claim for $24,000.00 for sunflowers. Exhibit 1E. Based on company records, Commission Staff submitted documentation supporting $23,778.24. TR. at 25; Exhibit 3Z. The difference is due to the fact that the claimant had estimated his claim. TR. at 25. The Commission finds that the claimant has a valid claim for $23,778.24.

7. Kjerstad Farm Partnership/Stephanie Kjerstad submitted a claim for $18,015.00 of safflowers, which included $2,423.37 for interest. Exhibit 1F. Commission Staff supported an amount of $15,591.63, which excludes the claim for interest. TR. at 26. Commission Staff stated that interest charges are not covered by the bond. Id. The Commission agrees that interest charges are not covered by the bond and finds that the claimant has a valid claim for $15,591.63.

8. Lazy BS, LLP/Stan Anderson submitted a claim for $6,464.00 for sunflowers, which included $964.00 for interest. Exhibit 1G. Commission Staff supported an amount of $5,500.00, which excludes the claim for interest. TR. at 26-27; Exhibit 3AB. The Commission finds that interest charges are not covered by the bond and finds that the claimant has a valid claim for $5,500.00.

9. Gary Tiegs submitted a claim for $8,937.13 for millet. Exhibit 1H. Commission Staff supported this amount. TR. at 27; Exhibit 3AF. The Commission finds that the claimant has a valid claim for $8,937.13.

10. D & M Grain submitted a claim for $1,691.25 for durum, which included an amount of $191.25 for service charges. Exhibit 1I. Commission Staff supported an amount of $1,887.33. TR. at 27-28; Exhibit 3AH. The higher amount is based on company records that showed an amount of $2,010.33, less $123.00 for the claimant's accounts receivable balance. TR. at 27. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3AH. Commission Staff further recommended that the service charges not be recovered from the bond money. TR. at 28. The bonding company objected to the payment of any amount above D & M Grain's claim for $1,691.25 based on SDCL 49-45-19 that states a claim must be in writing. TR. at 103. The Commission disagrees with the bonding company that D & M Grain's written claim filed prior to the hearing limits D & M Grain to the amount listed in the claim. The evidence presented at the hearing demonstrates that company records show that D & M Grain is entitled to $1,887.33. The statute cited by the bonding company does not provide that a claim is limited to the written claim submitted prior to the hearing, especially when the evidence presented to the Commission at the hearing shows that the written claim is incorrect. The Commission finds the claimant has a valid claim for $1,887.33.

11. Based on findings of fact 6 through 10, the Commission finds that the claimants have valid claims totaling $55,694.33 against the $75,000.00 bond for July 1, 1998, through June 30, 1999. The bond money shall be distributed to the claimants in the amounts listed above and the remainder of the bond money, plus accrued interest, shall be returned to the bonding company.

CLAIMS AGAINST BOND FOR JULY 1, 1999, THROUGH JUNE 30, 2000

12. Twenty-four claims were submitted against the bond for July 1, 1999, through June 30, 2000.

13. Bert Raap submitted a claim for $8,957.16 for sunflowers. Exhibit 1B. Commission Staff supported an amount of $26.89. TR. at 29; Exhibit 3A. Commission Staff's recommendation was based on a stock Subscription Agreement entered into between Bert Raap and Wheetco. Id. Commission Staff stated that company records showed that $8,930.27 of the $8,957.16 owed for this bond period was converted to a Subscription Agreement for common stock, leaving $26.89. Id. According to the Subscription Agreement, Bert Raap subscribed to 1,434 shares of common stock of Wheetco at the price of $50.00 per share. Exhibit 3A. The Agreement purported to convert $71,700.00 of the current account of $71,726.89 owed to Bert Raap by Wheetco to common stock. Id. The Commission points out that only $8,957.16 of the $71,726.89 concerned this bonding year. A Subscription Agreement was given to Commission Staff by Larry Wheeting in September of 2000 and was not dated or notarized. TR. at 81. Commission Staff also submitted a Wheetco Stock Register, dated as of May 31, 2000, which stated that 600 shares were sold to Bert Raap between January 31, 2000, and May 31, 2000. Exhibit 3A. The Commission notes that other claimants who entered into stock Subscription Agreements did not actually sign the agreements until September of 2000. See Findings of Fact 17, 19, 38.

14. The Commission finds the Stock Register compiled by Wheetco is clearly not accurate since the Subscription Agreement referred to 1,434 shares and the Stock Register referred to 600 shares. Exhibit 3A. Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit 3A. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to Bert Raap. The Commission finds that the evidence does not support a finding that Bert Raap converted his grain payables into common stock. Thus, the Commission finds the claimant has a valid claim for $8,957.16.

15. North Central Farmers Elevator submitted a claim for $12,768.08 for millet and sunflowers. Exhibit 1J. Commission Staff supported an amount of $12,096.10. TR. at 30; Exhibit 3F. Commission Staff stated the difference in the amounts is due to dockage and a prepaid balance for rye purchased. TR. at 30. The Commission finds that the claimant has a valid claim for $12,096.10.

16. Kent Holler submitted a claim for $3,200.55 for sunflowers. Exhibit 1K. Commission Staff supported an amount of $3,175.02. TR. at 30; Exhibit 3G. The difference in the amounts is due to the sunflower checkoff not being deducted. Id. The Commission finds the claimant has a valid claim for $3,175.02.

17. Sam Schauer submitted a claim for $47,749.93 for sunflowers. Exhibit 1L. Commission Staff supported an amount of $2,488.94. TR. at 30-32; Exhibit 3H. Commission Staff's recommendation was based on a stock Subscription Agreement entered into between Sam Schauer/Schauer Bros. and Wheetco and an error of $10.99 on an assembly sheet. Id. According to the Subscription Agreement, Sam Schauer/Schauer Bros. subscribed to 905 shares of common stock of Wheetco at the price of $50.00 per share. Exhibit 3H. The agreement purported to convert $45,250.00 of the current account of $47,479.93 owed to Sam Schauer/Schauer Bros. by Wheetco to common stock. Id. A Subscription Agreement was given to Commission Staff by Larry Wheeting in September of 2000 and was not dated or notarized. TR. at 81. Commission Staff also submitted a Wheetco Stock Register, dated as of May 31, 2000, which stated that 1500 shares were sold to the Schauers between January 31, 2000, and May 31, 2000. Exhibit 3H. Sam Schauer testified that he did not sign the Subscription Agreement until September 18, 2000. TR. at 98.

18. The Commission finds the Stock Register compiled by Wheetco is clearly not accurate since Sam Schauer did not enter into the Agreement until September 18, 2000. Exhibit 3H; TR. at 98. Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit 3H. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to Sam Schauer. Sam Schauer stated that there was no stock. TR. at 31. The Commission finds that the evidence does not support a finding that Sam Schauer converted his grain payables into common stock. The Commission also finds there was an error of $10.99 on an assembly sheet. Thus, the Commission finds the claimant has a valid claim for $47,738.94.

19. Jake Schauer submitted a claim for $29,751.42 for sunflowers. Exhibit 1M. Commission Staff supported an amount of $1.42. TR. at 32-33; Exhibit 3I. Commission Staff's recommendation was based on a stock Subscription Agreement entered into between Jake Schauer/Schauer Bros. and

Wheetco. Id. According to the Subscription Agreement, Jake Schauer/Schauer Bros. subscribed to 595 shares of common stock of Wheetco at the price of $50.00 per share. Exhibit 3I. The agreement purported to convert $29,750.00 of the current account of $29,751.42 owed to Jake Schauer/Schauer Bros. by Wheetco to common stock. Id. A Subscription Agreement was given to Commission Staff by Larry Wheeting in September of 2000 and was not dated or notarized. TR. at 81. Commission Staff also submitted a Wheetco Stock Register, dated as of May 31, 2000, which stated that 1500 shares were sold to the Schauers between January 31, 2000, and May 31, 2000. Exhibit 3I. After the hearing, Jake Schauer sent in the dated Subscription Agreement which shows it was notarized and signed on September 18, 2000. Late-filed Exhibit received February 5, 2002. A comparison of the Agreement given to Commission Staff with the Agreement sent in by Jake Schauer shows that the Subscription Agreement given to Commission Staff had the notarized date removed prior to giving the Agreement to Staff. See Exhibit 3I; Late-filed Exhibit received February 5, 2002.

20. The Commission finds that the Stock Register compiled by Wheetco is clearly not accurate since Jake Schauer did not enter into the Agreement until September 18, 2000. Exhibit 3I; Late-filed Exhibit received February 5, 2002. Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit 3I. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to Jake Schauer. The Commission finds that the evidence does not support a finding that Jake Schauer converted his grain payables into common stock. Thus, the Commission finds the claimant has a valid claim for $29,751.42.

21. Jim Schauer submitted a claim for $9,331.60 for sunflowers. Exhibit 1N. Commission Staff supported this amount. TR. at 33. The Commission finds the claimant has a valid claim for $9,331.60.

22. Mike Knoll submitted a claim for $11,613.66 for sunflowers. Exhibit 1Q. Commission Staff supported an amount of $9,613.16. TR. at 33; Exhibit 3L. The difference between the amounts is that Wheetco's records showed that the claimant also had an accounts receivable balance of $2,000.50. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3L. The Commission finds the claimant has a valid claim for $9,613.16.

23. Don Hearnen submitted a claim for $27,793.36 for sunflowers. Exhibit 1P. Commission Staff supported this amount. TR. at 33-35; Exhibit 3M. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $22,857.37, at an interest rate of 10%. TR. at 36; Exhibit 3M. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 34; Exhibit 3M. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry Wheeting "that the promissory notes would not be effective unless the financing package was approved." TR. at 34.

24. The Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the

same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $27,793.36.

25. Merritt Patterson & Sons, Dale Patterson, submitted a claim for $14,845.05 for safflowers. Exhibit 1Q. Commission Staff supported this amount. TR. at 35-36; Exhibit 3O. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $20,184.21. at an interest rate of 10%. TR. at 36; Exhibit 3O. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 35-36; Exhibit 3O. Commission Staff's position was that the letter substantiated "Mr. Wheeting's statement that the promissory notes would not be effective unless the financing package was approved." TR. at 36.

26. With respect to the promissory note signed by the claimant, the Commission first points out that the note was not signed by a Wheetco representative. In addition, the Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $14,845.05.

27. KSP Farms, Inc., Kevin Swanson submitted a claim for $3,573.77 for sunflowers. Exhibit 1R. Commission Staff supported this amount. TR. at 36. The Commission finds the claimant has a valid claim for $3,573.77.

28. Clark Roeber submitted a claim for $15,246.45 for sunflowers. Exhibit 1S. Commission Staff supported this amount. TR. at 36-37. The Commission finds the claimant has a valid claim for $15,246.45.

29. Joel Durheim/First National Bank of Frederick submitted a claim for $6,305.10 for sunflowers. Exhibit 1T. Commission Staff supported this amount. TR. at 37-38. The Commission finds the claimant has a valid claim for $6,305.10.

30. Joe Cameron submitted a claim for $5,038.57 for millet. Exhibit 1U. Commission Staff supported an amount of $3,188.49. TR. at 38; Exhibit 3R. The difference between the amounts is that Wheetco's records showed that the claimant also had an accounts receivable balance of $1,850.08. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3R. The Commission finds the claimant has a valid claim for $3,188.49.

31. Owen Elsen submitted a claim for $9,209.79 for sunflowers. Exhibit 1V. Commission Staff supported an amount of $8,071.29. TR. at 38-39; Exhibit 3T. The difference between the amounts is that Wheetco's records showed that the claimant also had an accounts receivable balance of $1,138.50. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3T. The Commission finds the claimant has a valid claim for $8,071.29.

32. The Bottum Brothers submitted a claim for $14,656.91 for sunflowers. Exhibit 1W. Commission Staff supported this amount. TR. at 39; Exhibit 3U. The Commission finds the claimant has a valid claim for $14,656.91.

33. KH, Inc. submitted a claim for $4,002.11 for sunflowers. Exhibit 1X. Commission Staff supported an amount of $3,950.00. TR. at 39; Exhibit 3V. The difference in the amounts is due to a deduction for the sunflower checkoff and a transfer fee. Id. The Commission finds the claimant has a valid claim for $3,950.00.

34. Witten Feed and Grain submitted a claim for $4,804.80 for milo. Exhibit 1Y. Commission Staff supported an amount of $4,290.49. TR. at 39-40; Exhibit 3W. The difference in the amounts is based on company records which showed $4,290.49 for milo and $511.74 for freight. TR. at 40; Exhibit 3W. Commission Staff recommended that the amount for freight not be included because freight charges are not a valid claim under the bond. TR. at 40. The Commission agrees and finds that the claimant has a valid claim for $4,290.49.

35. Clarence Wagner submitted a claim for $21,095.43 for sunflowers. Exhibit 1Z. Commission Staff supported this amount. TR. at 40. The Commission finds the claimant has a valid claim for $21,095.43.

36. Mark Saunders submitted a claim for $2,262.54 for sunflowers. Exhibit 1AA. Commission Staff supported this amount. TR. at 40. The Commission finds the claimant has a valid claim for $2,262.54.

37. Clem Handcock submitted a claim for $3,005.32, plus interest, for millet. Exhibit 1AB. Commission Staff supported an amount of $3,005.64 based on company records and recommended no interest charges be allowed. TR. at 40-41; Exhibit 3AC. The Commission finds the claimant has a valid claim for $3,005.64

38. The Schurrs submitted a claim for $95,601.11 for sunflowers. Exhibit 1AC. The Schurrs are comprised of Arnold Schurr and his son Steve Schurr. TR. at 89. Commission Staff stated that company records showed an amount of $96,050.00 but recommended that nothing be paid on this claim. TR. at 41-43; Exhibit 3AD. The difference between the Schurrs' claim of $95,601.11 and Staff's amount of $96,050.00 is due to the sunflower checkoff, assembly sheet errors, and a transfer fee. TR. at 41. Commission Staff's recommendation that nothing be paid on the claim was based on a stock Subscription Agreement entered into between the Schurrs and Wheetco. TR. at 41-43. According to the Subscription Agreement, the Schurrs subscribed to 1,921 shares of common stock of Wheetco at the price of $50.00 per share. Exhibit 3AD. The agreement purported to convert $96,050.00 of the current account of $96,050.00 owed to the Schurrs by Wheetco to common stock. Id. The Subscription Agreement was given to Commission Staff by Larry Wheeting in September of 2000 and was not dated or notarized. TR. at 81. Commission Staff also submitted a Wheetco Stock Register, dated as of May 31, 2000, which stated that 2000 shares were sold to the Schurrs between January 31, 2000, and May 31, 2000. Exhibit 3AD. At the hearing, Arnold Schurr submitted a dated Subscription Agreement which shows it was notarized and signed on September 19, 2000. Exhibit A. A comparison of the Agreement given to Commission Staff with the Agreement submitted by Arnold Schurr shows that the Subscription Agreement given to Commission Staff had the notarized date removed prior to giving the Agreement to Staff. See Exhibits 3AD, A.

39. The Commission finds that the Stock Register compiled by Wheetco is clearly not accurate since Arnold Schurr did not enter into the Agreement until September 19, 2000. Exhibit 3AD; Exhibit A.

Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit A. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to the Schurrs. The Commission finds that the evidence does not support a finding that the Schurrs converted their grain payables into common stock. Thus, the Commission finds the claimant has a valid claim for $96,050.00.

40. Rix Farms, Inc. submitted a claim for $62,672.12 for sunflowers, certified Oxen wheat, certified Ignot wheat, certified Russ wheat, and wheat. Exhibit 1AD. Commission Staff supported an amount of $14,495.30. TR. at 43-44; Exhibit 3AE. Commission Staff stated that $14,227.35 of the claim was for certified Oxen wheat, $13,022.67 of the claim was for Ignot wheat, and $20,926.80 of the claim was for Russ wheat. TR. at 43; Exhibit 3AE. Commission Staff stated that the certified wheat is not included in the definition of grain and is therefore not covered by the bond. TR. at 43. The Commission agrees that the certified wheat is not grain as defined by SDCL 49-45-1.1(2) which excludes "grain that has been cleaned, processed and specifically identified for intended use of planting for reproduction and for which a grain warehouse receipt has not been issued."

41. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $60,846.03, at an interest rate of 8%. TR. at 43; Exhibit 3AE. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 44; Exhibit 3AE. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry Wheeting "that the promissory notes would not be effective unless the financing package was approved." TR. at 44.

42. The Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Therefore, the Commission finds the claimant has a valid claim for $14,495.30.

43. Erickson Farms submitted a claim for $4,650.40 for wheat and millet, which included trucking costs. Exhibit 1AE. Commission Staff supported an amount of $4,175.62 which was based on company records that showed $3,822.00 for millet and $353.62 for wheat. TR. at 44-45; Exhibit 3AG. Commission Staff excluded the trucking expenses as not covered by the bond. TR. at 44. On March 1, 2002, the Commission received a claim from Harlan Eisenbraun stating that he had delivered $3,822.00 of millet to Wheetco on June 30, 2000. On March 5, 2002, the Commission received a Motion to Reopen the Record from Commission Staff. The motion explained that at the hearing held on January 16, 2002, Staff had recommended that Erickson Farms had a valid claim in the amount of $4,175.62, with $3,822.00 for millet and $353.62 for wheat. Following the hearing, Commission Staff learned that the millet was owned by Harlan Eisenbraun and Erickson Farms had merely performed the trucking service. Darrel Erickson confirmed that was the case. Late-filed Exhibit 10. Based on further documentation received from Wheetco, Commission Staff stated that Erickson Farms has a valid claim for $353.62 for wheat and Harlan Eisenbraun/First Western Bank has a valid claim for $3,822.00 for millet. Late-filed Exhibits 11A, 11B, 12A, 12B. At its March 28, 2002, meeting, the Commission granted Staff's Motion to Reopen Record. The Commission agrees

with Commission Staff that trucking costs are not covered under the bond and finds that Erickson Farms has a valid claim for $353.62.

44. On March 1, 2002, Harlan Eisenbraun submitted a claim for $3,822.00 of millet. Late-filed Exhibit 12A. As explained in the preceding paragraph, at the hearing, the $3,822.00 of millet was originally thought to have belonged to Erickson Farms. Based on documentation received after the hearing, Commission Staff is now recommending that Harlan Eisenbraun has a valid claim for $3,822.00. Late-filed Exhibits 10, 11A, 11B, 12A, 12B. The Commission agrees and finds the claimant has a valid claim for $3,822.00.

45. D & M Grain submitted a claim for $107,036.12 for sunflowers, oats, and millet, which included $478.00 for service charges. Exhibit 1I. Commission Staff supported an amount of $94,305.29. TR. at 45-46; Exhibit 3AH. The difference in the amounts is due to payments made by Wheetco, the difference in price per pound and per bushel, and an accounts receivable balance for D & M Grain. Id. Commission Staff also recommended denial of recovery of the service charges. TR. at 45-46. The Commission agrees with all of Commission Staff's recommendations and finds the claimant has a valid claim for $94,305.29.

46. Based on findings of fact 13 through 45, the Commission finds that the claimants have valid claims totaling $457,974.13 against the bond for July 1, 1999, through June 30, 2000. The bond money, including accrued interest, shall be distributed to the claimants on a pro rata basis.

47. Twenty-five claims were submitted against the bond for July 1, 2000, through June 30, 2001.

48. Roger Hurlbert submitted a claim for $4,436.37 for sunflowers. Exhibit 1AF. Commission Staff supported an amount of $4,231.50. TR. at 46-47; Exhibit 3C. The difference in the amounts was due to dockage and the sunflower checkoff. TR. at 46; Exhibit 3C. The Commission finds the claimant has a valid claim for $4,231.50.

49. Russ Hurlbert submitted a claim for $2,957.58 for sunflowers. Exhibit 1AG. Commission Staff supported an amount of $2,821.00. TR. at 47; Exhibit 3D. The difference in amounts is due to dockage and the sunflower checkoff. Id. The Commission finds the claimant has a valid claim for $2,821.00.

50. Gary Meikeljohn submitted a claim for $23,639.64 for sunflowers. Exhibit 1AH. Commission Staff supported an amount of $23,468.64. TR. at 47; Exhibit 3E. The difference in amounts was due to the sunflower checkoff and the number of pounds on scale ticket no. 11370. Id. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $23,468.64, at an interest rate of 10.6%. TR. at 47-48; Exhibit 3E. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 48; Exhibit 3E. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry Wheeting "that the promissory notes would not be effective unless the financing package was approved." TR. at 48.

51. The Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the

same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $23,468.64.

52. The Duenwald Brothers/Bank of Hoven submitted a claim for $2,904.18 for sunflowers. Exhibit 1AI. Commission Staff supported this amount. TR. at 48. The Commission finds the claimant has a valid claim for $2,904.18.

53. Warner Co-operative Co. Elevator submitted a claim for $4,431.53 for millet. Exhibit 1AJ. Commission Staff supported this amount. TR. at 48. The Commission finds the claimant has a valid claim for $4,431.53.

Commission Staff supported an amount of $19,742.64 for the sunflowers but recommended denial of the trucking expenses as not covered by the bond. TR. at 49. The Commission agrees and finds the claimant has a valid claim for $19,742.64.

55. Densley Zambo submitted a claim for $8,079.75 for sunflowers. Exhibit 1AL. Commission Staff supported an amount of $7,668.47. TR. at 49; Exhibit 3J. The difference in the amounts is due to dockage and the sunflower checkoff. Id. The Commission finds the claimant has a valid claim for $7,668.47.

56. Holyoke Coop Association submitted a claim for $17,315.65 for millet. Exhibit 1AM. Commission Staff supported an amount of $12,477.73. TR. at 49-50; Exhibit 3K. The difference between the amounts is that Wheetco's records showed that the claimant also had an accounts receivable balance of $4,837.92. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3K. The Commission finds the claimant has a valid claim for $12,477.73.

57. Fred Eisenbraun/First Western Bank submitted a claim for $5,820.00 for safflowers. Exhibit 1AN. Commission Staff supported an amount of $5,659.15. TR. at 50; Exhibit 3N. The difference in the amounts is due to dockage and the safflower checkoff. Id. The Commission finds the claimant has a valid claim for $5,659.15.

58. RDZ Farms, Inc. submitted a claim for $6,138.31 for millet. Exhibit 1AQ. Commission Staff supported this amount. TR. at 50. The Commission finds the claimant has a valid claim for $6,138.31.

59. Merritt Patterson & Sons/Dale Patterson submitted a claim for $5,339.17 for safflowers. Exhibit 1Q. Commission Staff supported this amount. TR. at 51-52; Exhibit 3O. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $20,184.21. TR. at 51; Exhibit 3O. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 34; Exhibit 3O. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry Wheeling "that the promissory notes would not be effective unless the financing package was approved." TR. at 51.

60. With respect to the promissory note, the Commission first points out that the note was not signed by a Wheetco representative. In addition, the Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $5,339.17.

61. Gaylon Goldin submitted a claim for $4,782.81 for sunflowers. Exhibit 1AP. Commission Staff supported this amount. TR. at 52. The Commission finds the claimant has a valid claim for $4,782.81.

TR. at 53; Exhibit 3P. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 54; Exhibit 3P. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry "that the promissory notes would not be effective unless the financing package was approved." TR. at 54.

67. The Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $29,511.49.

68. Jim Faulstich/American State Bank of Pierre submitted a claim for $15,599.82 for sunflowers. Exhibit 1AV. Commission Staff supported an amount of $11,843.27. TR. at 54-55; Exhibit 3Q. The Commission finds the claimant has a valid claim for $11,843.27.

69. Joe Cameron submitted a claim for $7,884.80 for millet. Exhibit 1U. Commission Staff supported an amount of $4,293.23. TR. at 55; Exhibit 3R. In addition, Wheetco's records showed that the claimant also had an accounts receivable balance of $3,962.40. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3R. The Commission finds the claimant has a valid claim for $4,293.23.

70. Clayton Kjerstad submitted a claim for $19,536.80 for millet, which included $800.00 for trucking expenses. Exhibit 1AW. Commission Staff supported an amount of $12,118.15. TR. at 55-56; Exhibit 3AJ. The difference in the amounts is due to dockage, a price difference, and that company records showed that one of the scale tickets had been paid. Id. In addition, Commission Staff recommended that the trucking expenses not be allowed because those expenses are not covered by the bond. TR. at 56. The Commission agrees and finds the claimant has a valid claim for $12,118.15.

71. Farmers Oil Company submitted a claim for $5,340.37 for sunflowers. Exhibit 1AX. Commission Staff supported an amount of $5,072.25. TR. at 56; Exhibit 3X. The difference in amounts is due to dockage and minor weight differences. Id. The Commission finds that the claimant has a valid claim for $5,072.25.

72. Kerwyn Holsing submitted a claim for $5,230.62 for sunflowers. Exhibit 1AY. Commission Staff supported this amount. TR. at 56. The Commission finds that the claimant has a valid claim for $5,230.62.

73. Myron Dieterle submitted a claim for $8,930.85 for sunflowers. Exhibit 1AZ. Commission Staff supported an amount of $8,863.65. TR. at 57; Exhibit 3Y. The difference in amounts is due to the sunflower checkoff and dockage. Id. The Commission finds the claimant has a valid claim for $8,863.65.

TR. at 57; Exhibit 3AA. Wheetco's records confirmed that the claimant had an accounts receivable balance of $4,085.76. Id. The Commission finds the claimant has a valid claim for $5,885.98.

75. Clem Handcock submitted a claim for $23,845.90, plus interest, for millet. Exhibit 1AB. Commission Staff supported an amount of $23,833.22. TR. at 57-58; Exhibit 3AC. The difference in the amounts is due to the claimant's inclusion of freight and storage charges, plus minor differences in the price and balances on some of the assembly sheets. Id. Commission Staff recommended that recovery of freight and storage charges and the request for interest charges be denied. TR. at 58. The Commission agrees and finds the claimant has a valid claim for $23,833.22.

76. Based on findings of fact 48 through 75, the Commission finds that the claimants have valid claims totaling $233,442.71 against the $75,000.00 bond for July 1, 2000, through June 30, 2001. The bond money, including any accrued interest, shall be distributed to the claimants on a pro rata basis.

INTEREST ON BOND MONEY

77. Commission Staff stated that all the interest earned on the bond money should be distributed on a pro rata basis to the claimants. TR. at 61-62. The bonding company's position was that any interest earned was the property of the bonding company and should be returned to the company. TR. at 104-105. The Commission disagrees with the bonding company's position. As a general rule, "[a]ny profit or benefit accruing from [a receiver's] management of or dealings with the property committed to [the receiver's] charge must inure to the trust estate." 75 C.J.S. Receivers § 182(a). Thus, the Commission finds that for the bond periods covering July 1, 1999, through June 30, 2001, all interest earned should be distributed on a pro rata basis to the claimants. For the bond period covering July 1, 1998, through June 30, 1999, the interest earned on the bond money shall be distributed to the bonding company.

CONCLUSIONS OF LAW

1. The Court has jurisdiction over this matter pursuant to SDCL 49-45-16, and SDCL Chapter 21-21.

2. The Commission has jurisdiction over this matter as a receiver appointed by the Court pursuant to SDCL Chapter 21-21, and SDCL Chapter 49-45, specifically 49-45-16.

3. The Commission does not have jurisdiction to consider the four claims received against the bonds covering July 1, 1995 through June 30, 1998. The Commission only received an appointment from the Court to act as a receiver for the bonds covering July 1, 1998, through June 30, 2001.

4. With respect to the promissory notes entered into between some of the claimants and Wheetco, the Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. The "[e]ssential elements of novation are: (1) a previous valid obligation, (2) agreement of all parties to the substitution under a new contract based on sufficient consideration, (3) extinguishment of the old contract, and (4) the validity of the new contract." Haggar v. Olfert, 387 N.W. 2d 45, 50 (S.D. 1986). Clear and convincing evidence is needed in order to find a novation. Id. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant.

5. Similarly, with respect to the stock Subscription Agreements, the Commission finds that the evidence does not support a finding that the claimants who signed stock Subscription Agreements converted their grain payables into common stock. The Commission finds that the Stock Register compiled by Wheetco which purported to reflect stockholders through May 31, 2000, is clearly not accurate given the Subscription Agreements entered into the record by some of the claimants which showed that the Agreements were not signed until September of 2000. See Exhibit 3AD; Exhibit A. Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit A. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to the claimants.

6. The Commission rejects the bonding company's claim that a claimant may not receive any amount above his written claim which is submitted prior to the hearing. The evidence presented at the hearing demonstrates that company records show that D & M Grain is entitled to $1,887.33. The statute cited by the bonding company, SDCL 49-45-19, does not provide that a claim is limited to the written claim submitted prior to the hearing, especially when the evidence presented to the Commission at the hearing shows that the written claim is incorrect.

7. The Commission finds that when the bond is not sufficient to cover 100% of the claims, the interest earned on the bond money should be distributed on a pro rata basis to the claimants. The Commission disagrees with the bonding company's position that any interest earned was the property of the bonding company and must be returned to the company. As a general rule, "[a]ny profit or benefit accruing from [a receiver's] management of or dealings with the property committed to [the receiver's] charge must inure to the trust estate." 75 C.J.S. Receivers § 182(a). Further, the Commission points out that the Commission was given the authority to invest the bond proceeds in an interest bearing account. "A receiver who has on hand such a sum of money belonging to the estate that if it were his own he would invest it, has been held to have the duty to ask leave of the court to invest it, and to try, in good faith, to keep it invested for the benefit of the persons ultimately entitled." Id. at § 173 (emphasis added). Thus, the Commission finds that for the bond periods covering July 1, 1999, through June 30, 2001, all interest earned should be distributed on a pro rata basis to the claimants. For the bond period covering July 1, 1998, through June 30, 1999, the interest earned on the bond money shall be distributed to the bonding company since the claimants received 100% of their claims.

8. All of the above claims found valid by the Commission in findings of fact 6-10 are legitimate claims on the proceeds of the $75,000.00 grain dealer's bond, commencing July 1, 1998, and ending June 30, 1999. All such claims shall be paid out of the proceeds of the bond. The remaining bond money shall be returned to the bonding company, along with accrued interest.

9. All of the above claims found valid by the Commission in findings of fact 13-45 are legitimate claims on the proceeds of the $75,000.00 grain dealer's bond, commencing July 1, 1999, and ending June 30, 2000. All such claims shall be paid out of the proceeds of the bond, along with accrued interest.

10. All of the above claims found valid by the Commission in findings of fact 48-75 are legitimate claims on the proceeds of the $75,000.00 grain dealer's bond, commencing July 1, 2000, and ending June 30, 2001. All such claims shall be paid out of the proceeds of the bond, along with accrued interest.

ORDERED:

1. The Commission's Proposed Findings of Fact and Conclusions of Law, and Decision is approved and adopted by this Court. The Commission, as receiver, shall pay the above claims from the grain dealer's bonds in the amounts listed above. Accumulated interest on the grain dealer's bonds for the bonding period of July 1, 1999, through June 30, 2001, shall be distributed on a pro rata basis to the eligible claimants of the bond proceeds. Accumulated interest on the grain dealer's bond for the bonding period of July 1, 1998 through June 30, 1999, and all remaining bond proceeds shall be distributed to the bonding company.

RE: In the Matter of the Grain Dealer's
Bonds of Wheetco, Inc.
Civ. 01-807

Dear Ms. Kuhfeld:

We discovered an error in the document we sent you on April 9, 2002, with reference to the above captioned matter. On page 15, Conclusion of Law 6, fourth line, we mentioned "D & M Grain," when in fact it should have been "the bonding company."

Therefore, enclosed you will find a corrected page 15 with reference to the Proposed Findings of Fact and Conclusions of Law and Decision of Receiver. The beginning of line 4, Conclusion of Law 6, has been corrected to read "statute cited by the bonding company" rather than "statute cited by D & M Grain." Please replace page 15 in this document with the enclosed corrected page.

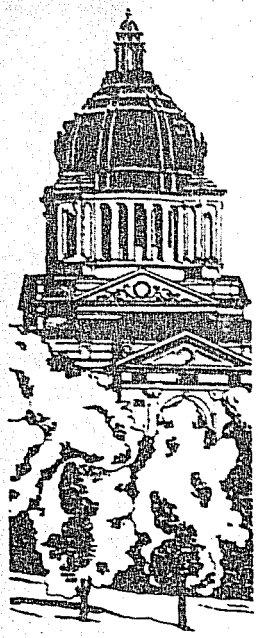

We sent the original proposed Judgment and Order Approving Proposed Findings of Fact and Conclusions of Law and Decision of Receiver to Judge Lovrien. The same correction needed to be made in that document and we have sent the Judge a corrected page 15 to the proposed Judgment. In the event that he has handed that to you for filing prior to receiving the corrected page, we are enclosing a corrected page 15 and ask that you also replace page 15 in the proposed Judgment with the enclosed corrected page. We apologize for the error.

Very truly yours,

IN THE MATTER OF THE GRAIN DEALER'S BONDS OF WHEETCO, INC.	)	CIV. 01-807
	)	JUDGMENT AND
	)	ORDER APPROVING PROPOSED
	)	FINDINGS OF FACT AND
	)	CONCLUSIONS OF LAW AND
	)	DECISION OF RECEIVER

PROCEDURAL HISTORY

This action comes before the Court upon petition of the South Dakota Public Utilities Commission (Commission) to be appointed as a receiver of Wheetco, Inc. (Wheetco) pursuant to SDCL 49-45-16 and SDCL Chapter 21-21, and to take possession of the cash proceeds of the following grain dealer's bonds: (1) the bond commencing July 1, 1998, and ending June 30, 1999; (2) the bond commencing July 1, 1999, and ending June 30, 2000; and (3) the bond commencing July 1, 2000, and ending June 30, 2001. On September 20, 2001, the Commission was appointed receiver.

Pursuant to the order of the Court, the Commission held a hearing to determine claims against the cash proceeds of the grain dealer's bonds. The hearing was held as scheduled on January 16, 2002, beginning at 1:00 p.m., at the Department of Labor Meeting Room, 420 South Roosevelt, Aberdeen, South Dakota.

On February 5, 2002, Jake Schauer filed a notarized Subscription Agreement with the Commission. On February 13, 2002, the Commission received a letter from attorney Jeffrey Sveen, filed on behalf of Arnold Schurr, concerning the stock Subscription Agreement that was signed by Mr. Schurr. On March 1, 2002, the Commission received a claim from Harlan Eisenbraun stating that he had delivered $3,822.00 of millet to Wheetco on June 30, 2000. On March 5, 2002, the Commission received a Motion to Reopen the Record from Commission Staff. The motion explained that at the hearing held on January 16, 2002, Staff had recommended that Erickson Farms had a valid claim in the amount of $4,175.62, with $3,822.00 for millet and $353.62 for wheat. Following the hearing, Commission Staff learned that the millet was owned by Harlan Eisenbraun and Erickson Farms had merely performed the trucking service. Darrel Erickson confirmed that was the case. Based on further documentation received from Wheetco, Commission Staff stated that Erickson Farms has not been paid for $353.62 for wheat and Harlan Eisenbraun/First Western Bank has a valid claim for $3,822.00 for millet. At its March 28, 2002, meeting, the Commission considered Staff's Motion to Reopen Record. No one objected to the motion. The Commission voted to open the record and received into evidence the claim submitted by Harlan Eisenbraun and the additional documentation submitted by Commission Staff.

At its March 28, 2002, meeting, the Commission considered this matter. The Commission voted to make the following recommendations to circuit court:

1. The Commission does not have jurisdiction to consider the four claims received against the bonds covering July 1, 1995 through June 30, 1998. The Commission only received an appointment from the Court to act as a receiver for the bonds covering July 1, 1998, through June 30, 2001;

2. The Commission disagrees with Staff's position that the claimants who entered into stock Subscription Agreements with Wheetco do not have valid claims against the bond for the amount listed in each Subscription Agreement. The Commission finds that the evidence does not support a finding that these claimants converted their grain payables into common stock. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreements and actually issued common stock to the claimants;

3. The Commission also disagrees with the bonding company's argument that D & M Grain is limited to the amount of its written claim submitted prior to the hearing. The Commission finds that the evidence presented at the hearing demonstrates that company records show that D & M Grain is entitled to $1,887.33. The statute cited by the bonding company does not provide that a claim is limited to the written claim submitted prior to the hearing, especially when the evidence presented to the Commission at the hearing shows that the written claim is incorrect;

4. The Commission further disagrees with the bonding company's argument that all of the interest earned on the bonds is the property of the bonding company and must be returned to the company. The Commission finds that when the bond is not sufficient to cover 100% of the claims, the interest earned on the bond money should be distributed on a pro rata basis to the claimants. Thus, the Commission finds that for the bond periods covering July 1, 1999, through June 30, 2001, all interest earned should be distributed on a pro rata basis to the claimants. For the bond period covering July 1, 1998, through June 30, 1999, the interest earned on the bond money shall be distributed to the bonding company since the claimants received 100% of their claims for that bonding period; and

5. Except for its position on the stock Subscription Agreements as stated earlier, the Commission agrees with Staff's recommendations concerning the amount of each claim and the distribution of the bond proceeds. Therefore, the Commission finds that the claims against the bond covering July 1, 1998, through June 30, 1999, should be distributed based on Staff's recommendations regarding the amount and validity of each claim, with all unused bond money and interest earned on that bond returned to the bonding company. For the bond covering July 1, 1999, through June 30, 2000, the Commission first finds that the claim submitted by Harlan Eisenbraun after the hearing is a valid claim. The Commission further finds that the bond money should be distributed based on Staff's recommendations (except for its position on the stock Subscription Agreements as explained earlier) regarding the amount and validity of each claim, on a pro rata basis, including accrued interest. For the bond covering July 1, 2000, through June 30, 2001, the Commission finds that the bond money should be distributed based on Staff's recommendations regarding the amount and validity of each claim, on a pro rata basis, including accrued interest.

The Commission submitted its proposed decision to this Court. The Commission made the following proposed findings of fact and conclusions of law:

FINDINGS OF FACT

1. On August 24, 2001, the Commission filed with the Fifth Judicial Circuit a Petition to Appoint South Dakota Public Utilities Commission as a receiver of Wheetco pursuant to SDCL 49-45-16 and

SDCL Chapter 21-21, to take possession of the cash proceeds of the following grain dealer's bonds: (1) the bond commencing July 1, 1998, and ending June 30, 1999; (2) the bond commencing July 1, 1999, and ending June 30, 2000; and (3) the bond commencing July 1, 2000, and ending June 30, 2001. On September 20, 2001, the Commission was appointed receiver by the Honorable Larry H. Lovrien of the Fifth Judicial Circuit of South Dakota.

2. Pursuant to the order of the Court, the Commission held a hearing as scheduled on the claims against the bonds as described above on January 16, 2002, beginning at 1:00 p.m., at the Department of Labor Meeting Room, 420 South Roosevelt, Aberdeen, South Dakota.

3. Although the notice of the hearings only mentioned the bonds covering July 1, 1998, through June 30, 2001, the Commission received four claims concerning transactions made outside that time period. One claim was submitted against the bond for July 1, 1995, through June 30, 1996; two claims were submitted against the bond for July 1, 1996, through June 30, 1997; and one claim was submitted against the bond for July 1, 1997, through June 30, 1998.

CLAIMS AGAINST BONDS FOR JULY 1, 1995 THROUGH JUNE 30, 1998

4. Pursuant to the Court's Order, the Commission finds that it has jurisdiction to receive claims only for the bonds covering July 1, 1998, through June 30, 2001. However, the Commission also notes that Commission Staff reviewed the claims for the earlier bonds and determined that none of the claims would have been valid claims under the bonds in question because the grain concerned deferred payment contracts which are not covered by the bond or the product involved did not fall under the definition of grain. TR. at 20-25. Pursuant to SDCL 49-45-9, a grain dealer's bond "may not benefit any person entering into a voluntary credit sale with a grain dealer." A voluntary credit sale is defined as "a sale of grain or seeds pursuant to which the sale price is to be paid more than thirty days after the delivery or release of the grain for sale, including those contracts commonly referred to as deferred-payment contracts, deferred-pricing contracts and price-later contracts." SDCL 49-45-1.1(5). Thus, deferred payment contracts are statutorily excluded from bond coverage and the claimants entered into deferred payment contracts may not receive any of the bond proceeds. In addition, the definition of grain under SDCL 49-45-1.1(2) excludes "grain that has been cleaned, processed and specifically identified for intended use of planting for reproduction and for which a grain warehouse receipt has not been issued." The Commission further points out that if any of these claimants believe they have a valid claim they may bring an action in circuit court and sue under the bond. See SDCL 49-45-17.

CLAIMS AGAINST BOND FOR JULY 1, 1998, THROUGH JUNE 30, 1999

5. Five claims were submitted against the bond for July 1, 1998, through June 30, 1999.

6. Miles Bretsch submitted a claim for $24,000.00 for sunflowers. Exhibit 1E. Based on company records, Commission Staff submitted documentation supporting $23,778.24. TR. at 25; Exhibit 3Z. The difference is due to the fact that the claimant had estimated his claim. TR. at 25. The Commission finds that the claimant has a valid claim for $23,778.24.

7. Kjerstad Farm Partnership/Stephanie Kjerstad submitted a claim for $18,015.00 of safflowers, which included $2,423.37 for interest. Exhibit 1F. Commission Staff supported an amount of $15,591.63, which excludes the claim for interest. TR. at 26. Commission Staff stated that interest charges are not covered by the bond. Id. The Commission agrees that interest charges are not covered by the bond and finds that the claimant has a valid claim for $15,591.63.

8. Lazy BS, LLP/Stan Anderson submitted a claim for $6,464.00 for sunflowers, which included $964.00 for interest. Exhibit 1G. Commission Staff supported an amount of $5,500.00, which excludes the claim for interest. TR. at 26-27; Exhibit 3AB. The Commission finds that interest charges are not covered by the bond and finds that the claimant has a valid claim for $5,500.00.

9. Gary Tiegs submitted a claim for $8,937.13 for millet. Exhibit 1H. Commission Staff supported this amount. TR. at 27; Exhibit 3AF. The Commission finds that the claimant has a valid claim for $8,937.13.

10. D & M Grain submitted a claim for $1,691.25 for durum, which included an amount of $191.25 for service charges. Exhibit 1I. Commission Staff supported an amount of $1,887.33. TR. at 27-28; Exhibit 3AH. The higher amount is based on company records that showed an amount of $2,010.33, less $123.00 for the claimant's accounts receivable balance. TR. at 27. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3AH. Commission Staff further recommended that the service charges not be recovered from the bond money. TR. at 28. The bonding company objected to the payment of any amount above D & M Grain's claim for $1,691.25 based on SDCL 49-45-19 that states a claim must be in writing. TR. at 103. The Commission disagrees with the bonding company that D & M Grain's written claim filed prior to the hearing limits D & M Grain to the amount listed in the claim. The evidence presented at the hearing demonstrates that company records show that D & M Grain is entitled to $1,887.33. The statute cited by the bonding company does not provide that a claim is limited to the written claim submitted prior to the hearing, especially when the evidence presented to the Commission at the hearing shows that the written claim is incorrect. The Commission finds the claimant has a valid claim for $1,887.33.

11. Based on findings of fact 6 through 10, the Commission finds that the claimants have valid claims totaling $55,694.33 against the $75,000.00 bond for July 1, 1998, through June 30, 1999. The bond money shall be distributed to the claimants in the amounts listed above and the remainder of the bond money, plus accrued interest, shall be returned to the bonding company.

CLAIMS AGAINST BOND FOR JULY 1, 1999, THROUGH JUNE 30, 2000

12. Twenty-four claims were submitted against the bond for July 1, 1999, through June 30, 2000.

13. Bert Raap submitted a claim for $8,957.16 for sunflowers. Exhibit 1B. Commission Staff supported an amount of $26.89. TR. at 29; Exhibit 3A. Commission Staff's recommendation was based on a stock Subscription Agreement entered into between Bert Raap and Wheetco. Id. Commission Staff stated that company records showed that $8,930.27 of the $8,957.16 owed for this bond period was converted to a Subscription Agreement for common stock, leaving $26.89. Id. According to the Subscription Agreement, Bert Raap subscribed to 1,434 shares of common stock of Wheetco at the price of $50.00 per share. Exhibit 3A. The Agreement purported to convert $71,700.00 of the current account of $71,726.89 owed to Bert Raap by Wheetco to common stock. Id. The Commission points out that only $8,957.16 of the $71,726.89 concerned this bonding year. A Subscription Agreement was given to Commission Staff by Larry Wheeting in September of 2000 and was not dated or notarized. TR. at 81. Commission Staff also submitted a Wheetco Stock Register, dated as of May 31, 2000, which stated that 600 shares were sold to Bert Raap between January 31, 2000, and May 31, 2000. Exhibit 3A. The Commission notes that other claimants who entered into stock Subscription Agreements did not actually sign the agreements until September of 2000. See Findings of Fact 17, 19, 38.

14. The Commission finds the Stock Register compiled by Wheetco is clearly not accurate since the Subscription Agreement referred to 1,434 shares and the Stock Register referred to 600 shares. Exhibit 3A. Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit 3A. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to Bert Raap. The Commission finds that the evidence does not support a finding that Bert Raap converted his grain payables into common stock. Thus, the Commission finds the claimant has a valid claim for $8,957.16.

15. North Central Farmers Elevator submitted a claim for $12,768.08 for millet and sunflowers. Exhibit 1J. Commission Staff supported an amount of $12,096.10. TR. at 30; Exhibit 3F. Commission Staff stated the difference in the amounts is due to dockage and a prepaid balance for rye purchased. TR. at 30. The Commission finds that the claimant has a valid claim for $12,096.10.

16. Kent Holler submitted a claim for $3,200.55 for sunflowers. Exhibit 1K. Commission Staff supported an amount of $3,175.02. TR. at 30; Exhibit 3G. The difference in the amounts is due to the sunflower checkoff not being deducted. Id. The Commission finds the claimant has a valid claim for $3,175.02.

17. Sam Schauer submitted a claim for $47,749.93 for sunflowers. Exhibit 1L. Commission Staff supported an amount of $2,488.94. TR. at 30-32; Exhibit 3H. Commission Staff's recommendation was based on a stock Subscription Agreement entered into between Sam Schauer/Schauer Bros. and Wheetco and an error of $10.99 on an assembly sheet. Id. According to the Subscription Agreement, Sam Schauer/Schauer Bros. subscribed to 905 shares of common stock of Wheetco at the price of $50.00 per share. Exhibit 3H. The agreement purported to convert $45,250.00 of the current account of $47,479.93 owed to Sam Schauer/Schauer Bros. by Wheetco to common stock. Id. A Subscription Agreement was given to Commission Staff by Larry Wheeting in September of 2000 and was not dated or notarized. TR. at 81. Commission Staff also submitted a Wheetco Stock Register, dated as of May 31, 2000, which stated that 1500 shares were sold to the Schauers between January 31, 2000, and May 31, 2000. Exhibit 3H. Sam Schauer testified that he did not sign the Subscription Agreement until September 18, 2000. TR. at 98.

18. The Commission finds the Stock Register compiled by Wheetco is clearly not accurate since Sam Schauer did not enter into the Agreement until September 18, 2000. Exhibit 3H; TR. at 98. Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit 3H. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to Sam Schauer. Sam Schauer stated that there was no stock. TR. at 31. The Commission finds that the evidence does not support a finding that Sam Schauer converted his grain payables into common stock. The Commission also finds there was an error of $10.99 on an assembly sheet. Thus, the Commission finds the claimant has a valid claim for $47,738.94.

19. Jake Schauer submitted a claim for $29,751.42 for sunflowers. Exhibit 1M. Commission Staff supported an amount of $1.42. TR. at 32-33; Exhibit 3I. Commission Staff's recommendation was based on a stock Subscription Agreement entered into between Jake Schauer/Schauer Bros. and

Wheetco. Id. According to the Subscription Agreement, Jake Schauer/Schauer Bros. subscribed to 595 shares of common stock of Wheetco at the price of $50.00 per share. Exhibit 3I. The agreement purported to convert $29,750.00 of the current account of $29,751.42 owed to Jake Schauer/Schauer Bros. by Wheetco to common stock. Id. A Subscription Agreement was given to Commission Staff by Larry Wheeting in September of 2000 and was not dated or notarized. TR. at 81. Commission Staff also submitted a Wheetco Stock Register, dated as of May 31, 2000, which stated that 1500 shares were sold to the Schauers between January 31, 2000, and May 31, 2000. Exhibit 3I. After the hearing, Jake Schauer sent in the dated Subscription Agreement which shows it was notarized and signed on September 18, 2000. Late-filed Exhibit received February 5, 2002. A comparison of the Agreement given to Commission Staff with the Agreement sent in by Jake Schauer shows that the Subscription Agreement given to Commission Staff had the notarized date removed prior to giving the Agreement to Staff. See Exhibit 3I; Late-filed Exhibit received February 5, 2002.

20. The Commission finds that the Stock Register compiled by Wheetco is clearly not accurate since Jake Schauer did not enter into the Agreement until September 18, 2000. Exhibit 3I; Late-filed Exhibit received February 5, 2002. Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit 3I. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to Jake Schauer. The Commission finds that the evidence does not support a finding that Jake Schauer converted his grain payables into common stock. Thus, the Commission finds the claimant has a valid claim for $29,751.42.

21. Jim Schauer submitted a claim for $9,331.60 for sunflowers. Exhibit 1N. Commission Staff supported this amount. TR. at 33. The Commission finds the claimant has a valid claim for $9,331.60.

22. Mike Knoll submitted a claim for $11,613.66 for sunflowers. Exhibit 1Q. Commission Staff supported an amount of $9,613.16. TR. at 33; Exhibit 3L. The difference between the amounts is that Wheetco's records showed that the claimant also had an accounts receivable balance of $2,000.50. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3L. The Commission finds the claimant has a valid claim for $9,613.16.

23. Don Hearnen submitted a claim for $27,793.36 for sunflowers. Exhibit 1P. Commission Staff supported this amount. TR. at 33-35; Exhibit 3M. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $22,857.37, at an interest rate of 10%. TR. at 36; Exhibit 3M. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 34; Exhibit 3M. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry Wheeting "that the promissory notes would not be effective unless the financing package was approved." TR. at 34.

24. The Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the

same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $27,793.36.

25. Merritt Patterson & Sons, Dale Patterson, submitted a claim for $14,845.05 for safflowers. Exhibit 1Q. Commission Staff supported this amount. TR. at 35-36; Exhibit 3O. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $20,184.21. at an interest rate of 10%. TR. at 36; Exhibit 3O. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 35-36; Exhibit 3O. Commission Staff's position was that the letter substantiated "Mr. Wheeting's statement that the promissory notes would not be effective unless the financing package was approved." TR. at 36.

26. With respect to the promissory note signed by the claimant, the Commission first points out that the note was not signed by a Wheetco representative. In addition, the Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $14,845.05.

27. KSP Farms, Inc., Kevin Swanson submitted a claim for $3,573.77 for sunflowers. Exhibit 1R. Commission Staff supported this amount. TR. at 36. The Commission finds the claimant has a valid claim for $3,573.77.

28. Clark Roeber submitted a claim for $15,246.45 for sunflowers. Exhibit 1S. Commission Staff supported this amount. TR. at 36-37. The Commission finds the claimant has a valid claim for $15,246.45.

29. Joel Durheim/First National Bank of Frederick submitted a claim for $6,305.10 for sunflowers. Exhibit 1T. Commission Staff supported this amount. TR. at 37-38. The Commission finds the claimant has a valid claim for $6,305.10.

30. Joe Cameron submitted a claim for $5,038.57 for millet. Exhibit 1U. Commission Staff supported an amount of $3,188.49. TR. at 38; Exhibit 3R. The difference between the amounts is that Wheetco's records showed that the claimant also had an accounts receivable balance of $1,850.08. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3R. The Commission finds the claimant has a valid claim for $3,188.49.

31. Owen Elsen submitted a claim for $9,209.79 for sunflowers. Exhibit 1V. Commission Staff supported an amount of $8,071.29. TR. at 38-39; Exhibit 3T. The difference between the amounts is that Wheetco's records showed that the claimant also had an accounts receivable balance of $1,138.50. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3T. The Commission finds the claimant has a valid claim for $8,071.29.

32. The Bottum Brothers submitted a claim for $14,656.91 for sunflowers. Exhibit 1W. Commission Staff supported this amount. TR. at 39; Exhibit 3U. The Commission finds the claimant has a valid claim for $14,656.91.

33. KH, Inc. submitted a claim for $4,002.11 for sunflowers. Exhibit 1X. Commission Staff supported an amount of $3,950.00. TR. at 39; Exhibit 3V. The difference in the amounts is due to a deduction for the sunflower checkoff and a transfer fee. Id. The Commission finds the claimant has a valid claim for $3,950.00.

34. Witten Feed and Grain submitted a claim for $4,804.80 for milo. Exhibit 1Y. Commission Staff supported an amount of $4,290.49. TR. at 39-40; Exhibit 3W. The difference in the amounts is based on company records which showed $4,290.49 for milo and $511.74 for freight. TR. at 40; Exhibit 3W. Commission Staff recommended that the amount for freight not be included because freight charges are not a valid claim under the bond. TR. at 40. The Commission agrees and finds that the claimant has a valid claim for $4,290.49.

35. Clarence Wagner submitted a claim for $21,095.43 for sunflowers. Exhibit 1Z. Commission Staff supported this amount. TR. at 40. The Commission finds the claimant has a valid claim for $21,095.43.

36. Mark Saunders submitted a claim for $2,262.54 for sunflowers. Exhibit 1AA. Commission Staff supported this amount. TR. at 40. The Commission finds the claimant has a valid claim for $2,262.54.

37. Clem Handcock submitted a claim for $3,005.32, plus interest, for millet. Exhibit 1AB. Commission Staff supported an amount of $3,005.64 based on company records and recommended no interest charges be allowed. TR. at 40-41; Exhibit 3AC. The Commission finds the claimant has a valid claim for $3,005.64

38. The Schurrs submitted a claim for $95,601.11 for sunflowers. Exhibit 1AC. The Schurrs are comprised of Arnold Schurr and his son Steve Schurr. TR. at 89. Commission Staff stated that company records showed an amount of $96,050.00 but recommended that nothing be paid on this claim. TR. at 41-43; Exhibit 3AD. The difference between the Schurrs' claim of $95,601.11 and Staff's amount of $96,050.00 is due to the sunflower checkoff, assembly sheet errors, and a transfer fee. TR. at 41. Commission Staff's recommendation that nothing be paid on the claim was based on a stock Subscription Agreement entered into between the Schurrs and Wheetco. TR. at 41-43. According to the Subscription Agreement, the Schurrs subscribed to 1,921 shares of common stock of Wheetco at the price of $50.00 per share. Exhibit 3AD. The agreement purported to convert $96,050.00 of the current account of $96,050.00 owed to the Schurrs by Wheetco to common stock. Id. The Subscription Agreement was given to Commission Staff by Larry Wheeting in September of 2000 and was not dated or notarized. TR. at 81. Commission Staff also submitted a Wheetco Stock Register, dated as of May 31, 2000, which stated that 2000 shares were sold to the Schurrs between January 31, 2000, and May 31, 2000. Exhibit 3AD. At the hearing, Arnold Schurr submitted a dated Subscription Agreement which shows it was notarized and signed on September 19, 2000. Exhibit A. A comparison of the Agreement given to Commission Staff with the Agreement submitted by Arnold Schurr shows that the Subscription Agreement given to Commission Staff had the notarized date removed prior to giving the Agreement to Staff. See Exhibits 3AD, A.

39. The Commission finds that the Stock Register compiled by Wheetco is clearly not accurate since Arnold Schurr did not enter into the Agreement until September 19, 2000. Exhibit 3AD; Exhibit A.

Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit A. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to the Schurrs. The Commission finds that the evidence does not support a finding that the Schurrs converted their grain payables into common stock. Thus, the Commission finds the claimant has a valid claim for $96,050.00.

40. Rix Farms, Inc. submitted a claim for $62,672.12 for sunflowers, certified Oxen wheat, certified Ignot wheat, certified Russ wheat, and wheat. Exhibit 1AD. Commission Staff supported an amount of $14,495.30. TR. at 43-44; Exhibit 3AE. Commission Staff stated that $14,227.35 of the claim was for certified Oxen wheat, $13,022.67 of the claim was for Ignot wheat, and $20,926.80 of the claim was for Russ wheat. TR. at 43; Exhibit 3AE. Commission Staff stated that the certified wheat is not included in the definition of grain and is therefore not covered by the bond. TR. at 43. The Commission agrees that the certified wheat is not grain as defined by SDCL 49-45-1.1(2) which excludes "grain that has been cleaned, processed and specifically identified for intended use of planting for reproduction and for which a grain warehouse receipt has not been issued."

41. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $60,846.03, at an interest rate of 8%. TR. at 43; Exhibit 3AE. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 44; Exhibit 3AE. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry Wheeting "that the promissory notes would not be effective unless the financing package was approved." TR. at 44.

42. The Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Therefore, the Commission finds the claimant has a valid claim for $14,495.30.

43. Erickson Farms submitted a claim for $4,650.40 for wheat and millet, which included trucking costs. Exhibit 1AE. Commission Staff supported an amount of $4,175.62 which was based on company records that showed $3,822.00 for millet and $353.62 for wheat. TR. at 44-45; Exhibit 3AG. Commission Staff excluded the trucking expenses as not covered by the bond. TR. at 44. On March 1, 2002, the Commission received a claim from Harlan Eisenbraun stating that he had delivered $3,822.00 of millet to Wheetco on June 30, 2000. On March 5, 2002, the Commission received a Motion to Reopen the Record from Commission Staff. The motion explained that at the hearing held on January 16, 2002, Staff had recommended that Erickson Farms had a valid claim in the amount of $4,175.62, with $3,822.00 for millet and $353.62 for wheat. Following the hearing, Commission Staff learned that the millet was owned by Harlan Eisenbraun and Erickson Farms had merely performed the trucking service. Darrel Erickson confirmed that was the case. Late-filed Exhibit 10. Based on further documentation received from Wheetco, Commission Staff stated that Erickson Farms has a valid claim for $353.62 for wheat and Harlan Eisenbraun/First Western Bank has a valid claim for $3,822.00 for millet. Late-filed Exhibits 11A, 11B, 12A, 12B. At its March 28, 2002, meeting, the Commission granted Staff's Motion to Reopen Record. The Commission agrees

with Commission Staff that trucking costs are not covered under the bond and finds that Erickson Farms has a valid claim for $353.62.

44. On March 1, 2002, Harlan Eisenbraun submitted a claim for $3,822.00 of millet. Late-filed Exhibit 12A. As explained in the preceding paragraph, at the hearing, the $3,822.00 of millet was originally thought to have belonged to Erickson Farms. Based on documentation received after the hearing, Commission Staff is now recommending that Harlan Eisenbraun has a valid claim for $3,822.00. Late-filed Exhibits 10, 11A, 11B, 12A, 12B. The Commission agrees and finds the claimant has a valid claim for $3,822.00.

45. D & M Grain submitted a claim for $107,036.12 for sunflowers, oats, and millet, which included $478.00 for service charges. Exhibit 1I. Commission Staff supported an amount of $94,305.29. TR. at 45-46; Exhibit 3AH. The difference in the amounts is due to payments made by Wheetco, the difference in price per pound and per bushel, and an accounts receivable balance for D & M Grain. Id. Commission Staff also recommended denial of recovery of the service charges. TR. at 45-46. The Commission agrees with all of Commission Staff's recommendations and finds the claimant has a valid claim for $94,305.29.

46. Based on findings of fact 13 through 45, the Commission finds that the claimants have valid claims totaling $457,974.13 against the bond for July 1, 1999, through June 30, 2000. The bond money, including accrued interest, shall be distributed to the claimants on a pro rata basis.

CLAIMS AGAINST BOND FOR JULY 1, 2000, THROUGH JUNE 30, 2001

47. Twenty-five claims were submitted against the bond for July 1, 2000, through June 30, 2001.

48. Roger Hurlbert submitted a claim for $4,436.37 for sunflowers. Exhibit 1AF. Commission Staff supported an amount of $4,231.50. TR. at 46-47; Exhibit 3C. The difference in the amounts was due to dockage and the sunflower checkoff. TR. at 46; Exhibit 3C. The Commission finds the claimant has a valid claim for $4,231.50.

49. Russ Hurlbert submitted a claim for $2,957.58 for sunflowers. Exhibit 1AG. Commission Staff supported an amount of $2,821.00. TR. at 47; Exhibit 3D. The difference in amounts is due to dockage and the sunflower checkoff. Id. The Commission finds the claimant has a valid claim for $2,821.00.

50. Gary Meikeljohn submitted a claim for $23,639.64 for sunflowers. Exhibit 1AH. Commission Staff supported an amount of $23,468.64. TR. at 47; Exhibit 3E. The difference in amounts was due to the sunflower checkoff and the number of pounds on scale ticket no. 11370. Id. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $23,468.64, at an interest rate of 10.6%. TR. at 47-48; Exhibit 3E. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 48; Exhibit 3E. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry Wheeting "that the promissory notes would not be effective unless the financing package was approved." TR. at 48.

51. The Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the

same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $23,468.64.

52. The Duenwald Brothers/Bank of Hoven submitted a claim for $2,904.18 for sunflowers. Exhibit 1AI. Commission Staff supported this amount. TR. at 48. The Commission finds the claimant has a valid claim for $2,904.18.

53. Warner Co-operative Co. Elevator submitted a claim for $4,431.53 for millet. Exhibit 1AJ. Commission Staff supported this amount. TR. at 48. The Commission finds the claimant has a valid claim for $4,431.53.

54. PENCO of South Dakota submitted a claim for $24,636.20 for sunflowers, which included $4,893.56 for trucking expenses. Exhibit 1AK. Commission Staff supported an amount of $19,742.64 for the sunflowers but recommended denial of the trucking expenses as not covered by the bond. TR. at 49. The Commission agrees and finds the claimant has a valid claim for $19,742.64.

55. Densley Zambo submitted a claim for $8,079.75 for sunflowers. Exhibit 1AL. Commission Staff supported an amount of $7,668.47. TR. at 49; Exhibit 3J. The difference in the amounts is due to dockage and the sunflower checkoff. Id. The Commission finds the claimant has a valid claim for $7,668.47.

56. Holyoke Coop Association submitted a claim for $17,315.65 for millet. Exhibit 1AM. Commission Staff supported an amount of $12,477.73. TR. at 49-50; Exhibit 3K. The difference between the amounts is that Wheetco's records showed that the claimant also had an accounts receivable balance of $4,837.92. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3K. The Commission finds the claimant has a valid claim for $12,477.73.

57. Fred Eisenbraun/First Western Bank submitted a claim for $5,820.00 for safflowers. Exhibit 1AN. Commission Staff supported an amount of $5,659.15. TR. at 50; Exhibit 3N. The difference in the amounts is due to dockage and the safflower checkoff. Id. The Commission finds the claimant has a valid claim for $5,659.15.

58. RDZ Farms, Inc. submitted a claim for $6,138.31 for millet. Exhibit 1AQ. Commission Staff supported this amount. TR. at 50. The Commission finds the claimant has a valid claim for $6,138.31.

59. Merritt Patterson & Sons/Dale Patterson submitted a claim for $5,339.17 for safflowers. Exhibit 1Q. Commission Staff supported this amount. TR. at 51-52; Exhibit 3O. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $20,184.21. TR. at 51; Exhibit 3O. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 34; Exhibit 3O. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry Wheeting "that the promissory notes would not be effective unless the financing package was approved." TR. at 51.

60. With respect to the promissory note, the Commission first points out that the note was not signed by a Wheetco representative. In addition, the Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $5,339.17.

61. Gaylon Goldin submitted a claim for $4,782.81 for sunflowers. Exhibit 1AP. Commission Staff supported this amount. TR. at 52. The Commission finds the claimant has a valid claim for $4,782.81.

62. Paoli Farmers Coop Elevator Co. submitted a claim for $3,190.80 for red millet. Exhibit 1AQ. Commission Staff supported this amount. TR. at 52; Exhibit 3S. The Commission finds the claimant has a valid claim for $3,190.80.

63. B & L Gorman/First Bank of Gackle submitted a claim for $14,283.20 for sunflowers. Exhibit 1AR. Commission Staff supported this amount. TR. at 52-53. The Commission finds the claimant has a valid claim for $14,283.20.

64. Carl Peterson submitted a claim for $3,076.16 for sunflowers. Exhibit 1AS. Commission Staff supported this amount. TR. at 53. The Commission finds the claimant has a valid claim for $3,076.16.

65. Leo Naber submitted a claim for $6,575.56 for millet. Exhibit 1AT. Commission Staff supported this amount. TR. at 53. The Commission finds the claimant has a valid claim for $6,575.56.

66. Roger Vandervorste submitted a claim for $29,511.49 for sunflowers. Exhibit 1AU. Commission Staff supported this amount. TR. at 53-54; Exhibit 3P. Commission Staff also pointed out that the claimant had entered into a promissory note with Wheetco stating that the claimant agreed to lend Wheetco $29,511.49, at an interest rate of 10%. TR. at 53; Exhibit 3P. However, Commission Staff also submitted a letter from Wheetco dated October 30, 2000, to the note holders that stated that an exact commencement date on the note payments was not listed and, until confirmation and completion of the loan application was done, no certain date could be listed. TR. at 54; Exhibit 3P. Commission Staff's position was that the letter substantiated a statement made to Staff by Larry "that the promissory notes would not be effective unless the financing package was approved." TR. at 54.

67. The Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant. Thus, the Commission finds the claimant has a valid claim for $29,511.49.

68. Jim Faulstich/American State Bank of Pierre submitted a claim for $15,599.82 for sunflowers. Exhibit 1AV. Commission Staff supported an amount of $11,843.27. TR. at 54-55; Exhibit 3Q. The difference in the amounts is based on Wheetco records that showed a check for $3,756.55 had been paid to the claimant and had cleared the bank. Id. The Commission finds the claimant has a valid claim for $11,843.27.

69. Joe Cameron submitted a claim for $7,884.80 for millet. Exhibit 1U. Commission Staff supported an amount of $4,293.23. TR. at 55; Exhibit 3R. The difference in the amounts is due to dockage, price per pound, and additional scale tickets. Id. In addition, Wheetco's records showed that the claimant also had an accounts receivable balance of $3,962.40. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3R. The Commission finds the claimant has a valid claim for $4,293.23.

70. Clayton Kjerstad submitted a claim for $19,536.80 for millet, which included $800.00 for trucking expenses. Exhibit 1AW. Commission Staff supported an amount of $12,118.15. TR. at 55-56; Exhibit 3AJ. The difference in the amounts is due to dockage, a price difference, and that company records showed that one of the scale tickets had been paid. Id. In addition, Commission Staff recommended that the trucking expenses not be allowed because those expenses are not covered by the bond. TR. at 56. The Commission agrees and finds the claimant has a valid claim for $12,118.15.

71. Farmers Oil Company submitted a claim for $5,340.37 for sunflowers. Exhibit 1AX. Commission Staff supported an amount of $5,072.25. TR. at 56; Exhibit 3X. The difference in amounts is due to dockage and minor weight differences. Id. The Commission finds that the claimant has a valid claim for $5,072.25.

72. Kerwyn Holsing submitted a claim for $5,230.62 for sunflowers. Exhibit 1AY. Commission Staff supported this amount. TR. at 56. The Commission finds that the claimant has a valid claim for $5,230.62.

73. Myron Dieterle submitted a claim for $8,930.85 for sunflowers. Exhibit 1AZ. Commission Staff supported an amount of $8,863.65. TR. at 57; Exhibit 3Y. The difference in amounts is due to the sunflower checkoff and dockage. Id. The Commission finds the claimant has a valid claim for $8,863.65.

74. Equinox Enterprises submitted a claim for $5,885.98 for millet, which included a deduction for an accounts receivable balance. Exhibit 1BA. Commission Staff supported this amount. TR. at 57; Exhibit 3AA. Wheetco's records confirmed that the claimant had an accounts receivable balance of $4,085.76. Id. Commission Staff submitted a letter from Wheetco's Bankruptcy Trustee in which the Trustee agreed to offset the accounts receivable against the accounts payable. Exhibit 3AA. The Commission finds the claimant has a valid claim for $5,885.98.

75. Clem Handcock submitted a claim for $23,845.90, plus interest, for millet. Exhibit 1AB. Commission Staff supported an amount of $23,833.22. TR. at 57-58; Exhibit 3AC. The difference in the amounts is due to the claimant's inclusion of freight and storage charges, plus minor differences in the price and balances on some of the assembly sheets. Id. Commission Staff recommended that recovery of freight and storage charges and the request for interest charges be denied. TR. at 58. The Commission agrees and finds the claimant has a valid claim for $23,833.22.

76. Based on findings of fact 48 through 75, the Commission finds that the claimants have valid claims totaling $233,442.71 against the $75,000.00 bond for July 1, 2000, through June 30, 2001. The bond money, including any accrued interest, shall be distributed to the claimants on a pro rata basis.

INTEREST ON BOND MONEY

77. Commission Staff stated that all the interest earned on the bond money should be distributed on a pro rata basis to the claimants. TR. at 61-62. The bonding company's position was that any interest earned was the property of the bonding company and should be returned to the company. TR. at 104-105. The Commission disagrees with the bonding company's position. As a general rule, "[a]ny profit or benefit accruing from [a receiver's] management of or dealings with the property committed to [the receiver's] charge must inure to the trust estate." 75 C.J.S. Receivers § 182(a). Thus, the Commission finds that for the bond periods covering July 1, 1999, through June 30, 2001, all interest earned should be distributed on a pro rata basis to the claimants. For the bond period covering July 1, 1998, through June 30, 1999, the interest earned on the bond money shall be distributed to the bonding company.

CONCLUSIONS OF LAW

1. The Court has jurisdiction over this matter pursuant to SDCL 49-45-16, and SDCL Chapter 21-21.

2. The Commission has jurisdiction over this matter as a receiver appointed by the Court pursuant to SDCL Chapter 21-21, and SDCL Chapter 49-45, specifically 49-45-16.

3. The Commission does not have jurisdiction to consider the four claims received against the bonds covering July 1, 1995 through June 30, 1998. The Commission only received an appointment from the Court to act as a receiver for the bonds covering July 1, 1998, through June 30, 2001.

4. With respect to the promissory notes entered into between some of the claimants and Wheetco, the Commission finds that there is not clear and convincing evidence that the promissory note constituted a novation. A "novation is made by the substitution of a new obligation between the same parties, with intent to extinguish the old obligation." SDCL 20-7-6. The "[e]ssential elements of novation are: (1) a previous valid obligation, (2) agreement of all parties to the substitution under a new contract based on sufficient consideration, (3) extinguishment of the old contract, and (4) the validity of the new contract." Haggar v. Olfert, 387 N.W. 2d 45, 50 (S.D. 1986). Clear and convincing evidence is needed in order to find a novation. Id. A review of the promissory note shows that no mention is made that the loan was intended to replace the grain payable amount owed to the claimant.

5. Similarly, with respect to the stock Subscription Agreements, the Commission finds that the evidence does not support a finding that the claimants who signed stock Subscription Agreements converted their grain payables into common stock. The Commission finds that the Stock Register compiled by Wheetco which purported to reflect stockholders through May 31, 2000, is clearly not accurate given the Subscription Agreements entered into the record by some of the claimants which showed that the Agreements were not signed until September of 2000. See Exhibit 3AD; Exhibit A. Further, the Commission notes that the Subscription Agreement stated that Wheetco could reject the application before issuance of stock. Exhibit A. Pursuant to paragraph 4 of the Subscription Agreement, "Wheetco, Inc. may reject this application before issuance of stock and conversion of the account by notice to the subscriber and return of any monies paid hereunder." Id. No evidence was presented that, after the parties signed the Subscription Agreement, Wheetco accepted the Agreement and issued common stock to the claimants.

6. The Commission rejects the bonding company's claim that a claimant may not receive any amount above his written claim which is submitted prior to the hearing. The evidence presented at the hearing demonstrates that company records show that D & M Grain is entitled to $1,887.33. The statute cited by the bonding company, SDCL 49-45-19, does not provide that a claim is limited to the written claim submitted prior to the hearing, especially when the evidence presented to the Commission at the hearing shows that the written claim is incorrect.

7. The Commission finds that when the bond is not sufficient to cover 100% of the claims, the interest earned on the bond money should be distributed on a pro rata basis to the claimants. The Commission disagrees with the bonding company's position that any interest earned was the property of the bonding company and must be returned to the company. As a general rule, "[a]ny profit or benefit accruing from [a receiver's] management of or dealings with the property committed to [the receiver's] charge must inure to the trust estate." 75 C.J.S. Receivers § 182(a). Further, the Commission points out that the Commission was given the authority to invest the bond proceeds in an interest bearing account. "A receiver who has on hand such a sum of money belonging to the estate that if it were his own he would invest it, has been held to have the duty to ask leave of the court to invest it, and to try, in good faith, to keep it invested for the benefit of the persons ultimately entitled." Id. at § 173 (emphasis added). Thus, the Commission finds that for the bond periods covering July 1, 1999, through June 30, 2001, all interest earned should be distributed on a pro rata basis to the claimants. For the bond period covering July 1, 1998, through June 30, 1999, the interest earned on the bond money shall be distributed to the bonding company since the claimants received 100% of their claims.

8. All of the above claims found valid by the Commission in findings of fact 6-10 are legitimate claims on the proceeds of the $75,000.00 grain dealer's bond, commencing July 1, 1998, and ending June 30, 1999. All such claims shall be paid out of the proceeds of the bond. The remaining bond money shall be returned to the bonding company, along with accrued interest.

9. All of the above claims found valid by the Commission in findings of fact 13-45 are legitimate claims on the proceeds of the $75,000.00 grain dealer's bond, commencing July 1, 1999, and ending June 30, 2000. All such claims shall be paid out of the proceeds of the bond, along with accrued interest.

10. All of the above claims found valid by the Commission in findings of fact 48-75 are legitimate claims on the proceeds of the $75,000.00 grain dealer's bond, commencing July 1, 2000, and ending June 30, 2001. All such claims shall be paid out of the proceeds of the bond, along with accrued interest.

It is therefore

ORDERED, that if these findings of fact and conclusions of law are accepted by the Court, the Commission, as receiver, shall pay the above claims from the grain dealer's bonds in the amounts listed above. Accumulated interest on the grain dealer's bonds for the bonding period of July 1, 1999, through June 30, 2001, shall be distributed on a pro rata basis to the eligible claimants of the bond proceeds. Accumulated interest on the grain dealer's bond for the bonding period of July 1, 1998 through June 30, 1999, and all remaining bond proceeds shall be distributed to the bonding company.
