Subject: SD PUC storm damage notice-all grain buyers/warehouses

Due to recent severe weather events in our state, the South Dakota Public Utilities Commission reminds licensed grain buyers and licensed grain warehouses that South Dakota Codified Law [49-43-39](#) and [49-45-24](#) require notification to the commission if the facility of a grain buyer or a grain warehouse is substantially damaged or destroyed.

Please report such events to the PUC's Grain Warehouse staff by emailing PUC@state.sd.us or calling 1-800-332-1782. Our staff is available to assist your company through any losses that may have occurred.

We extend our best wishes to those impacted by weather events as you engage in clean-up efforts.
