**NOTICE OF RELINQUISHMENT OF ELIGIBLE  
TELECOMMUNICATIONS CARRIER DESIGNATIONS**

Verizon Wireless and Alltel Communications, LLC ("Alltel")<sup>1</sup> (collectively, "Verizon Wireless"), pursuant to 47 U.S.C. § 214(e)(4) and 47 C.F.R. § 54.205(a)-(b), hereby notify the Commission of the relinquishment of its eligible telecommunications carrier ("ETC")

designations in Alabama, Florida, Georgia, North Carolina and Virginia effective December 31, 2012.

Verizon Wireless is relinquishing its ETC status in these Commission-designated territories because its universal service funding will be eliminated at the end of this year under the terms of the *Alltel Acquisition Order*.<sup>2</sup> The Commission confirmed the elimination of Verizon Wireless' ETC support in the *USF-ICC Transformation Order*<sup>3</sup> and in a subsequent Wireline Competition Bureau ("WCB") decision.<sup>4</sup> As discussed below, relinquishment of ETC status will have no impact on Verizon Wireless network coverage in any state, and there will be no impact on Verizon Wireless' announced, industry-leading roll-out of 4G LTE broadband and voice services.<sup>5</sup>

In support of its notice of relinquishment, Verizon Wireless states as follows:

1. Verizon Wireless is licensed by the Commission to provide commercial mobile radio service ("CMRS") in Alabama, Florida, Georgia, North Carolina and Virginia.

<sup>3</sup> *Connect America Fund, et al.*, Report and Order and Further Notice of Proposed Rulemaking, 26 FCC Rcd 17663 (2011) ("*USF-ICC Transformation Order*") Certain non-controlled partnerships and after-acquired properties will continue to receive universal service support, subject to the larger phase-out of legacy competitive ETC support.

<sup>5</sup> Should Verizon Wireless later seek to participate in the developing and as-yet indeterminate Connect America Fund Phase II or Mobility Fund Phase II, Verizon Wireless will re-apply for ETC status in appropriate states and/or with the Commission.

2. By Order dated September 24, 2004, the WCB granted Alltel's request for designation as an ETC in Alabama, Florida, Georgia, North Carolina and Virginia.<sup>6</sup> In 2004, the WCB also designated Virginia Cellular, LLC ("Virginia Cellular") as an ETC in Virginia.<sup>7</sup> In 2006, Alltel acquired Virginia Cellular's operations in Virginia.

3. In 2002, the Commission designated RCC Minnesota, Inc. ("RCC")<sup>8</sup> as an ETC in Alabama.<sup>9</sup> In 2008, the Commission approved the expansion of Alltel's designated service areas in Alabama, North Carolina and Virginia and RCC's designated service area in Alabama.<sup>10</sup>

On August 6, 2008, Verizon Wireless acquired Rural Cellular Corporation and each of its subsidiaries and affiliates.<sup>11</sup> On January 9, 2009, Verizon Wireless acquired Alltel Corporation and each of its subsidiaries and affiliates. *Alltel Acquisition Order*. ETC designations held by Alltel, RCC, Virginia Cellular and their affiliated legal entities to reflect Verizon Wireless as the designated entity in Alabama, North Carolina and Virginia.<sup>12</sup>

5. Verizon Wireless' designated ETC service areas in Alabama, Florida, Georgia, North Carolina and Virginia include each of the incumbent local exchange carrier ("ILEC") wire centers and/or study areas set forth in **Exhibit A** (the "Designated Areas").

6. Consistent with 47 U.S.C. § 214(e)(4) and 47 C.F.R. § 54.205(a)-(b) Verizon Wireless has determined to relinquish its ETC designations in Alabama, Florida, Georgia, North Carolina and Virginia.

7. Relinquishment of Verizon Wireless' ETC designations will not affect the amount of federal high-cost universal service support available to other ETCs, nor, as discussed below, Verizon Wireless' continued operations in Alabama, Florida, Georgia, North Carolina and Virginia.

8. Pursuant to the Commission's recently amended universal service rules and associated orders, the federal high-cost universal service support available to Verizon Wireless will be phased out effective December 31, 2012. *USF-ICC Transformation Order* ¶ 520. Likewise, the Commission has capped the amount of federal high-cost universal service support available to all competitive ETCs and further clarified that the relinquishment of an ETC designation by one carrier will not affect the amount of federal high-cost universal service support received by other ETCs.

9. 47 U.S.C. § 214(e)(4) states, in pertinent part:

A State commission (or the Commission in the case of a common carrier designated under paragraph (6)) shall permit an eligible telecommunications

carrier to relinquish its designation as such a carrier in any area served by more than one eligible telecommunications carrier. An eligible telecommunications carrier that seeks to relinquish its eligible telecommunications carrier designation for an area served by more than one eligible telecommunications carrier shall give advance notice to the State commission (or the Commission in the case of a common carrier designated under paragraph (6)) of such relinquishment. Prior to permitting a telecommunications carrier designated as an eligible telecommunications carrier to cease providing universal service in an area served by more than one eligible telecommunications carrier, the State commission (or the Commission in the case of a common carrier designated under paragraph (6)) shall require the remaining eligible telecommunications carrier or carriers to ensure that all customers served by the relinquishing carrier will continue to be served, and shall require sufficient notice to permit the purchase or construction of adequate facilities by any remaining eligible telecommunications carrier. The State commission (or the Commission in the case of a common carrier designated under paragraph (6)) shall establish a time, not to exceed one year after the State commission (or the Commission in the case of a common carrier designated under paragraph (6)) approves such relinquishment under this paragraph, within which such purchase or construction shall be completed

*Id.* (emphasis added); *see also* 47 C.F.R. § 54.205(a)-(b). Verizon Wireless satisfies all of these requirements.

10. Verizon Wireless seeks to relinquish its ETC designations throughout its Designated Areas, which are areas smaller than Verizon Wireless' licensed service area in each state.

11. As set forth in 47 U.S.C. § 214(e)(4) and 47 C.F.R. § 54.205(a)-(b), Commission approval of a competitive ETC's notice of relinquishment is mandatory. The Commission shall permit the relinquishment of an ETC designation in any area served by at least one other ETC.

12. Following relinquishment of its ETC designations, Verizon Wireless will continue to offer and provide wireless service in the Designated Areas. Verizon Wireless coverage will not be affected. Further, Verizon Wireless' announced, industry-leading roll-out of 4G LTE voice and broadband services will continue. No Verizon Wireless customer will lose service as a result of relinquishment. Indeed, Verizon Wireless continues to aggressively upgrade its network.

13. Following relinquishment of Verizon Wireless' ETC designations, each of the ILEC wire centers identified in **Exhibit A** will also continue to be served by at least one ETC. To the best of Verizon Wireless' knowledge, each of the wire centers will continue to be served by an ILEC ETC. In addition, the Commission or a state commission has designated other competitive ETCs to provide service in each applicable state, including within portions of the Designated Areas. *See Exhibit B.*

14. To the best of Verizon Wireless' knowledge, none of the remaining ETCs will be required to purchase or construct additional facilities to continue providing service within the wire centers and/or study areas comprising the Designated Areas.

15. Only a very small number – fewer than 600 customers – that subscribe to the Verizon Wireless Lifeline plan in the Designated Areas are conceivably affected by Verizon Wireless' relinquishment. And if these Lifeline customers do decide to switch providers (now or later) there are several alternatives. In addition to the ILEC and other competitive ETCs that participate in the Lifeline program, discounted services offered by “Lifeline-only” ETCs (primarily wireless resellers such as TracFone, Virgin Mobile, Nexus, and others) are rapidly expanding. The Commission continues to grant forbearance petitions in multiple states so that these ETCs may provide additional competitive options for Lifeline beneficiaries.<sup>13</sup> Lifeline

providers operating in Alabama, Florida, Georgia, North Carolina and Virginia are identified in **Exhibit B**.

16. Moreover, Verizon Wireless is voluntarily taking significant steps to mitigate the impact of relinquishment on these few customers. Verizon Wireless will grandfather the existing Lifeline discount as an equivalent, carrier-provided discount – for one year (through December 31, 2013) if the customer chooses to continue as a Verizon Wireless subscriber. The extended discount will give Lifeline customers ample time to decide whether to remain with Verizon Wireless or to switch to another Lifeline service provider. And if an existing Verizon Wireless Lifeline customer does decide to switch providers, Verizon Wireless will waive early termination fees for cancelling service.

17. Verizon Wireless Lifeline customers will also receive ample notice. At least forty-five (45) days prior to the effective date of its relinquishment, Verizon Wireless will provide written notice by U.S. Mail to each of its then-current Lifeline customers, advising that Verizon Wireless will no longer provide Lifeline assistance as an ETC effective December 31, 2012. The notice will also make clear, as discussed above, that Verizon Wireless will continue to provide its existing Lifeline customers with an equivalent carrier-provided discount through December 31, 2013, if the customer chooses to continue as a Verizon Wireless subscriber Lifeline on his or her existing Lifeline service plan. Attached as **Exhibit C** is a sample copy of the notice Verizon Wireless intends to send to the Lifeline customers. In addition, consistent

with recent guidance, after issuance of the notices to current Lifeline customers, Verizon Wireless will not enroll any new Lifeline customers.<sup>14</sup>

### CONCLUSION

For the foregoing reasons, Verizon Wireless respectfully requests that the Commission approve the relinquishment of its ETC designations in Alabama, Florida, Georgia, North Carolina and Virginia effective December 31, 2012.

Respectfully submitted,

### NOTICE

#### Termination of Lifeline Service Discounts

Dear Lifeline Customer:

Effective December 31, 2012, Verizon Wireless will no longer participate in the Lifeline program. This means that effective December 31, 2012, Verizon Wireless will no longer offer Lifeline assistance in your area. However, if you wish to continue your service with Verizon Wireless under the same terms and conditions of your current Lifeline service plan, Verizon Wireless will provide an equivalent monthly discount for one year – through December 31, 2013 – at which time the discount will automatically terminate. **This means that if you wish to remain a Verizon Wireless customer on your same plan with a discount equal to your current Lifeline discount, then nothing will change until December 31, 2013.**

If you would like to switch to another consumer rate plan now and forego the receipt of any further monthly discounts, please contact us directly at 1-800-924-0585 and our customer service team will be happy to assist you. You can also review our available rate plans online at [www.verizonwireless.com](http://www.verizonwireless.com).

If you wish to continue receiving Lifeline assistance, you will need to contact another ETC service provider in your area. For more information on the ETC service providers in your area, you may contact your local community action agency, the [State Commission] at 1-800-\_\_\_\_-\_\_\_\_\_, or [www.lifelinesupport.org](http://www.lifelinesupport.org). If you choose to obtain Lifeline benefits from another service provider, you will not be subject to an early termination fee for cancelling your service with us.

We value your business and hope to continue to serve your wireless needs.

Sincerely,
