

Attachment A

North American's Proposed ETC Service Area

North American's Proposed ETC Service Area includes:

- All non-rural telephone company wire centers within the state of South Dakota;
- All rural telephone company study areas within the state of South Dakota; and
- All Tribal areas within the nonrural and rural telephone company areas within the state.

Attached is a copy of the South Dakota Telecommunications Service Area Map, which identifies the nonrural and rural telephone companies within the state of South Dakota (*see* <https://puc.sd.gov/commission/telecom/serviceterritory.pdf>).
