**DEBTORS' MOTION FOR ENTRY OF INTERIM AND
FINAL ORDERS (I) AUTHORIZING THE PAYMENT OF CERTAIN
PREPETITION TAXES AND FEES AND (II) GRANTING RELATED RELIEF**

The above-captioned debtors and debtors in possession (collectively, the "Debtors") respectfully state the following in support of this motion (this "Motion"):

Relief Requested

1. The Debtors seek entry of interim and final orders, substantially in the forms attached hereto as **Exhibit A** and **Exhibit B** (respectively, the "Interim Order" and "Final Order"): (a) authorizing the Debtors, in their sole discretion, to remit and pay (or use applicable

¹ The last four digits of Debtor Frontier Communications Corporation's tax identification number are 9596. Due to the large number of debtor entities in these chapter 11 cases, for which the Debtors have requested joint administration, a complete list of the debtor entities and the last four digits of their federal tax identification numbers are not provided herein. A complete list of such information may be obtained on the website of the Debtors' proposed claims and noticing agent at <https://cases.primeclerk.com/ftc>. credits to offset) Taxes and Fees (as defined below); and (b) granting related relief. In addition, the Debtors request a final hearing be scheduled by the Court (as defined below) within approximately twenty-five days of the commencement of these chapter 11 cases to consider entry of the Final Order.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the Southern District of New York (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated February 1, 2012. The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the Court entering a final order in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested herein are sections 105(a), 363(b), 507(a)(8), and 541 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), Bankruptcy Rules 6003 and 6004, and rule 9013-1(a) of the Local Bankruptcy Rules for the Southern District of New York (the “Local Rules”).

Background

5. Frontier Communications Corporation (“Frontier”) is a publicly held provider of telecommunications services and the fourth largest Incumbent Local Exchange Carrier in the United States, offering a broad portfolio of communications services for 4.1 million consumer, commercial, and wholesale customers. Through a series of acquisitions culminating with the 2016 purchase of Verizon Communications Inc.’s broadband and landline services in the states of

California, Texas, and Florida (the “CTF Transaction”), the Debtors transformed in scale from a provider of services in mainly rural areas into one of the largest telecommunications businesses in the United States, with 2019 revenue of approximately \$8.1 billion.

6. In the years since the completion of the CTF Transaction, the Debtors have faced industry headwinds stemming from fierce competition in the telecommunications sector and changing consumer preferences. Moreover, shifting technology has redefined what infrastructure telecommunications companies need to excel in the industry, most notably an industry overhaul from broadband networks relying on copper cables to those relying on optical fiber. These conditions have rendered the Debtors’ approximately \$17.5 billion in outstanding funded debt unsustainable.

7. Rather than execute a liability management transaction that would at best delay maturities without addressing their capital structure in a comprehensive manner, the Debtors have negotiated with their key stakeholders. After extensive, arm’s-length negotiations that played out over several months, the Debtors executed the Restructuring Support Agreement with certain holders of unsecured notes (the “Noteholder Groups”), which puts the Debtors on a path to file a plan of reorganization during the course of these chapter 11 cases that would maximize stakeholder recoveries, allow operational continuity, and ensure a viable enterprise upon emergence.

8. On April 14, 2020 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. A detailed description surrounding the facts and circumstances of these chapter 11 cases is set forth in the *Declaration of Carlin Adrianopoli, Executive Vice President of Strategic Planning, in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”), filed contemporaneously with this Motion.²

² Capitalized terms not defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

9. The Debtors continue to operate their businesses and manage their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Concurrent with the filing of this Motion, the Debtors filed a motion requesting procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no committees have been appointed or designated.

The Debtors' Tax Obligations

10. The Debtors bill, collect, incur, remit, and/or pay sales and use taxes, personal and real property taxes, and/or various other governmental taxes, fees, and assessments, as applicable (collectively, the "Taxes and Fees")³ to various federal, state, local, and tribal governmental units, including taxing authorities (collectively, the "Governmental Authorities"). A schedule identifying the Governmental Authorities as of the Petition Date is attached hereto as Exhibit C.⁴ The Debtors have remitted and paid Taxes and Fees through checks and electronic transfers processed through the Debtors' cash management system.

11. The Debtors pay various forms of taxes, including, among others, sales, use, telecom, 911 fees, business licenses, franchise taxes, and gross receipts taxes in almost every federal and state taxing jurisdiction. Many of these tax jurisdictions are paid directly by the Debtors. However, a portion of these taxes are paid via third-party service provider Anybill, Inc.

³ The Debtors do not seek authority to collect and remit state and federal employee-related withholding taxes by this Motion. That relief is requested in the *Debtors' Motion for Entry of Interim and Final Orders Authorizing the Debtors to (I) Pay Prepetition Employee Wages, Salaries, Other Compensation, and Reimbursable Employee Expenses and (II) Continue Employee Benefits Programs*, filed concurrently herewith.

⁴ The Debtors may have inadvertently omitted one or more Governmental Authorities on Exhibit C. By this Motion, the Debtors request relief applicable to all Governmental Authorities, regardless of whether such Governmental Authority is specifically identified on Exhibit C. Further, due to the volume of known addresses, Exhibit C may have inadvertently omitted some addresses of certain entities, although all addresses will be served for noticing purposes.

(the “Third-Party Servicer”). Frontier funds a third-party bank account, which is administered by the Third-Party Servicer, for the taxes due for each applicable period. The Third-Party Servicer makes the payments to the applicable taxing authority on behalf of Frontier.

12. Frontier collects certain government Taxes and Fees from its customers including, among others, Gross Revenue Tax, Federal and State Universal Service Fund (“USF”) Charges, Telecommunication Relay Service Surcharges, 911 surcharges, and Video Surcharges (each as described below). Frontier does not retain these surcharges, as they are paid on a flow-through basis to the Governmental Authorities. The Debtors estimate that up to approximately \$344.2 million in Taxes and Fees relating to the prepetition period are accrued and unpaid as of the Petition Date.⁵ The following table contains descriptions of such Taxes and Fees:

Category	Description	Approximate Amount Accrued and Unpaid as of the Petition Date
Property Taxes	The Debtors remit property taxes directly to Governmental Authorities relating to personal and real property that the Debtors use in the operation of their business, whether owned or leased.	\$185,674,000
State, County, Local Sales and Use Taxes	The Debtors collect and remit sales, use, and related taxes to the relevant Governmental Authorities in connection with the sale of their products and services. Generally, the Debtors collect and remit Sales and Use Taxes to the relevant Governmental Authorities on a weekly, monthly, or quarterly basis, depending on sales volume and the applicable jurisdiction.	\$52,314,000

⁵ The Debtors are currently subject to ongoing audit investigations and may be subject to further investigations on account of tax returns and/or obligations in prior years (collectively, the “Audits”). This figure includes investigations by certain Government Authorities with respect to the below categories, which may result in the imposition of additional prepetition Taxes and Fees being assessed against the Debtors, including interest on late payment of taxes (such additional Taxes and Fees, the “Assessments”). This figure also includes Assessments that may already have been made but are being contested either informally or in appropriate judicial or administrative proceedings, as well as amounts that may need to be posted as collateral in order to contest asserted Assessment amounts. Nothing in the below table, this Motion, or any related order constitutes or should be construed as an admission of liability by the Debtors with respect to any Audit or Assessment. The Debtors expressly reserve all rights with respect to any Audit. Furthermore, the Debtors reserve the right to contest any Assessment, if any, claimed to be due as a result of the Audits.

Category	Description	Approximate Amount Accrued and Unpaid as of the Petition Date
Gross Revenue Taxes	All telephone companies must pay a gross tax assessed on total revenue. This funds various state defined services and operations. Customers pay this surcharge and the Debtors remit payment to various state agencies.	\$44,629,000
Federal and State USF Charges	FCC or state regulated charges support telecommunications services in schools, public libraries, and rural health-care facilities. Additionally, the charges subsidize local service to high-cost areas and low-income customers on a federal and state level. Customers pay these surcharges and the Debtors remit payment to the FCC (or state agency).	\$19,490,000
Video Surcharges	State, county, or municipality franchise fee applied to video and TV services. Also includes federal copyright fees. Customers pay the franchise fee surcharge and the Debtors remit payment to the state, county, or municipality. Federal copyright fees are assessed upon the provider only.	\$12,689,000
State Franchise Taxes	The Debtors remit certain taxes, permitting charges, and related fees required to conduct business in the ordinary course pursuant to local law.⁶	\$9,776,000
Emergency Service Fees for 911	State-law mandated fees to cover costs of local jurisdictions providing 911 emergency response services to citizens. Customers pay this surcharge and the Debtors remit payment to the applicable state agency.	\$4,961,000
Telecommunication Relay Service Surcharges	FCC and state regulated charges which subsidize provision of special-needs equipment, facilities, and services for the deaf and hearing impaired. Customers pay the state surcharge and the Debtors remit payment to the state agency. FCC charges are assessed to the service provider and are not directly passed onto customers.	\$3,507,000
FCC Regulatory Fees	Fees collected by the FCC to recover the regulatory costs associated with code enforcement, policy and rulemaking, user information, and international activities. These fees are assessed to service providers and are not directly passed onto customers.	\$2,363,000

⁶ State Franchise Taxes include the Texas margins tax, the Ohio commercial activity tax, the Oregon commercial activity tax, and other miscellaneous state franchise taxes.

Category	Description	Approximate Amount Accrued and Unpaid as of the Petition Date
Federal Excise Taxes	The Debtors pay local telephone service and facilities taxes. This is assessed as a percentage of cost of services and paid directly to the IRS.	\$1,930,000
Municipal Right of Way Fees	Similar to a franchise tax, various municipalities charge for use of "rights of way." Payment of these taxes are required in order to conduct business in the municipality. Customers pay this surcharge and the Debtors remit payment to the municipality.	\$1,446,000
Telecom Utility Taxes	The Debtors pay taxes to the relevant Governmental Authority to operate as a telecommunications business in the applicable taxing jurisdictions.	\$1,165,000
State Regulatory Fees	Fees collected by various state utility commissions to cover administration of the organization's duties.	\$1,160,000
Annual Reports / Business Licenses	The Debtors pay fees for various business licenses, permits, and annual reports associated with conducting business pursuant to state and local laws.	\$1,139,000
Outsourced Tax Support Fees	The Debtors routinely engage a variety of consultants, advisors, and contractors to assist with various tax-related processes (audit, preparation, systems implementation, transaction consultation, etc.).	\$1,900,000
Other State, County, and Local Taxes	The Debtors remit various other taxes and charges assessed at a local level.	\$67,000
Total		\$344,210,000

13. The Debtors believe that failing to pay the Taxes and Fees could materially disrupt the Debtors' business operations in several ways. **First**, failing to pay certain of the Taxes and Fees likely would cause the Debtors to lose their ability to conduct business in certain jurisdictions. **Second**, the Governmental Authorities could initiate audits, suspend operations, file liens, or seek to lift the automatic stay, which would unnecessarily divert the Debtors' attention from the reorganization process. **Third**, failing to pay Taxes and Fees could potentially subject certain of the Debtors' directors and officers to claims of personal liability, which likely would distract those key persons from their duties related to the Debtors' restructuring. **Fourth**, unpaid Taxes and Fees may result in penalties, the accrual of interest, or both, which could negatively impact the Debtors'

business or the reorganization process. Moreover, the Debtors collect and hold certain outstanding tax liabilities in trust for the benefit of the applicable Governmental Authorities, and these funds may not constitute property of the Debtors' estate. Accordingly, the Debtors seek authority, but not direction, to pay the Taxes and Fees in the ordinary course of business consistent with historic practice as set forth more fully herein.

Basis for Relief

I. Certain of the Taxes and Fees Are Not Property of the Debtors' Estates.

14. Many of the Taxes and Fees are collected or withheld by the Debtors on behalf of the applicable Governmental Authorities and are held in trust by the Debtors. *See, e.g.*, I.R.C. § 7501 (stating that certain Taxes and Fees are held in trust). As such, these Taxes and Fees are not property of the Debtors' estates under section 541 of the Bankruptcy Code. *See, e.g.*, 11 U.S.C. § 541(d); *Begier v. IRS*, 496 U.S. 53, 57–60 (1990) (holding that any prepetition payment of trust fund taxes is not an avoidable preference since funds are not the debtor's property); *In re Shank*, 792 F.2d 829, 833 (9th Cir. 1986) (finding that sales tax required by state law to be collected by sellers from their customers is a "trust fund" tax and not released by bankruptcy discharge); *DeChiaro v. N.Y. State Tax Comm'n*, 760 F.2d 432, 435–36 (2d Cir. 1985) (same). To the extent these "trust fund" taxes are collected, they are not property of the Debtors' estates under section 541(d) of the Bankruptcy Code. *See In re Am. Int'l Airways, Inc.*, 70 B.R. 102, 104–05 (Bankr. E.D. Pa. 1987); *see also* I.R.C. § 7501 (stating that certain Taxes and Fees are held in trust). Because the Debtors do not have an equitable interest in any of the "trust fund" Taxes and Fees held on account of the Governmental Authorities, the Debtors should

be permitted to pay those funds to the Governmental Authorities as they become due in the ordinary course of business on a postpetition basis.⁷

II. Payment of the Taxes and Fees as Provided Herein Is a Sound Exercise of the Debtors' Business Judgment.

15. Courts in this jurisdiction generally acknowledge that it is appropriate to authorize the payment of prepetition obligations where necessary to protect and preserve the estate, including an operating business's going-concern value. *See In re Ionosphere Clubs, Inc.*, 98 B.R. 174, 175 (Bankr. S.D.N.Y. 1989) (granting authority to pay prepetition wages); *Armstrong World Indus., Inc. v. James A. Phillips, Inc. (In re James A. Phillips, Inc.)*, 29 B.R. 391, 398 (S.D.N.Y. 1983) (granting authority to pay prepetition claims of suppliers); *see also In re CoServ, L.L.C.*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002). In doing so, these courts acknowledge that several legal theories rooted in sections 105(a) and 363(b) of the Bankruptcy Code support the payment of prepetition claims as provided herein.

16. Pursuant to section 363(b) of the Bankruptcy Code, courts may authorize payment of prepetition obligations where a sound business purpose exists for doing so. *See In re Ionosphere Clubs*, 98 B.R. at 175 (noting that section 363(b) provides "broad flexibility" to authorize a debtor to honor prepetition claims where supported by an appropriate business justification); *see also James A. Phillips, Inc.*, 29 B.R. at 397 (relying upon section 363 as a basis to allow a contractor to pay the prepetition claims of suppliers who were potential lien claimants). Indeed, courts have recognized that there are instances when a debtor's fiduciary duty can "only be fulfilled by the pre-plan satisfaction of a prepetition claim." *In re CoServ*, 273 B.R. at 497.

⁷ For the avoidance of doubt, the Debtors hereby request authority to pay, in their sole discretion, the Taxes and Fees as provided herein regardless of whether such Taxes and Fees constitute trust fund obligations.

17. In addition, courts may authorize payment of prepetition claims in appropriate circumstances based on section 105(a) of the Bankruptcy Code, which codifies the Court's inherent equitable powers to "issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title." *See* 11 U.S.C. § 105(a). Under section 105(a) of the Bankruptcy Code, courts may authorize pre-plan payments of prepetition obligations when essential to the continued operation of a debtor's business. *See In re C.A.F. Bindery, Inc.*, 199 B.R. 828, 835 (Bankr. S.D.N.Y. 1996); *see also In re Fin. News Network Inc.*, 134 B.R. 732, 735-36 (Bankr. S.D.N.Y. 1991) (holding that the "doctrine of necessity" stands for the principle that a bankruptcy court may allow pre-plan payments of prepetition obligations where such payments are critical to the debtor's reorganization). Specifically, the Court may use its power under section 105(a) of the Bankruptcy Code to authorize payment of prepetition obligations pursuant to the "necessity of payment" rule (also referred to as the "doctrine of necessity"). *In re Ionosphere Clubs*, 98 B.R. at 176.

18. Several courts apply the doctrine of necessity where payment of a prepetition claim (a) is "necessary for the successful reorganization of the debtor," (b) falls within "the sound business judgment of the debtor," and (c) will not "prejudice other unsecured creditors." *In re United Am. Inc.*, 327 B.R. 776, 782 (Bankr. E.D. Va. 2005); *see also In re Ionosphere Clubs*, 98 B.R. at 176. A bankruptcy court's use of its equitable powers to "authorize the payment of prepetition debt when such payment is needed to facilitate the rehabilitation of the debtor is not a novel concept." *See, e.g., In re Ionosphere Clubs*, 98 B.R. at 175. That is because the rehabilitation of a debtor in reorganization cases remains "the paramount policy and goal of Chapter 11." *Id.* at 175-76; *see also In re Just For Feet*, 242 B.R. 821, 826 (D. Del 1999) (finding

that payment of prepetition claims to certain trade vendors was “essential to the survival of the debtor during the chapter 11 reorganization”).

19. Implicit in the fiduciary duties of any debtor in possession is the obligation to “protect and preserve the estate, including an operating business’s going concern value.” *See also In re CoServ*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002). Some courts note that there are instances in which a debtor can fulfill this fiduciary duty “only . . . by the preplan satisfaction of a prepetition claim.” *Id.* The court in *CoServ* specifically noted the preplan satisfaction of prepetition claims would be a valid exercise of the debtor’s fiduciary duty when the payment “is the only means to effect a substantial enhancement of the estate” *Id.* Consistent with a debtor’s fiduciary duties, courts have also authorized payment of prepetition obligations under section 363(b) of the Bankruptcy Code where a sound business purpose exists for doing so. *See, e.g., In re Ionosphere Clubs*, 98 B.R. at 175.

20. These standards are clearly satisfied here. The Debtors’ ability to pay the Taxes and Fees is critical to the efficient and value-maximizing administration of the Debtors’ estates. If certain Taxes and Fees remain unpaid, certain Governmental Authorities may seek to impose penalties on the Debtors’ directors, officers, and/or employees, thereby distracting them from the administration of the Debtors’ chapter 11 cases. *See, e.g.,* N.Y. Tax Law § 1133 (“[E]very person required to collect any tax imposed by this article shall be personally liable for the tax imposed, collected or required to be collected under this article.”); *Schmehl v. Helton*, 662 S.E.2d 697, 707 (W. Va. 2008) (noting that corporate officers may be held responsible for payment of certain corporate taxes); *see also In re Am. Motor Club, Inc.*, 139 B.R. 578, 581–83 (Bankr. E.D.N.Y. 1992) (stating “[i]f the employer fails to pay over the trust fund taxes, the IRS may collect an equivalent amount directly from officers or employees of the employer who are responsible for

collecting the tax” and finding a director personally liable for unpaid taxes) (citing *United States v. Energy Res. Co.*, 495 U.S. 545, 547 (1990)). Any collection action on account of such penalties, and any ensuing liability, would distract the Debtors and their personnel to the detriment of all parties in interest. The dedicated and active participation of the Debtors’ officers and employees is essential to the orderly administration of these chapter 11 cases and maximizing the value of the Debtors’ estates for the benefit of their stakeholders.

21. Furthermore, the Debtors’ obligations to pay the Taxes and Fees may ultimately result in increased tax liability for the Debtors if interest and penalties accrue on the tax claims. As priority claims, pursuant to section 507(a)(8)(C) of the Bankruptcy Code, the Debtors must pay these obligations in full in cash before any general unsecured obligations may be satisfied. Thus, the Debtors’ failure to pay the prepetition Taxes and Fees as they come due may ultimately increase the amount of priority claims held by the Governmental Authorities against the Debtors’ estates, to the detriment of the Debtors’ general unsecured creditors and other stakeholders. *See* 11 U.S.C. § 507(a)(8)(C), (G). Accordingly, the Court should grant the Debtors’ authority to pay, in their sole discretion, the prepetition Taxes and Fees as provided herein.

22. Courts in this jurisdiction have often authorized payment of prepetition taxes under section 363(b) of the Bankruptcy Code. *See, e.g., In re Barneys New York, Inc.*, Case No. 19-36300 (CGM) (Bankr. S.D.N.Y. Sept. 4, 2019) (authorizing debtors to pay prepetition taxes); *In re Hollander Sleep Products, LLC*, Case No. 19-11608 (MEW) (Bankr. S.D.N.Y. July 2, 2019) (same); *In re Windstream Holdings, Inc.*, Case No. 19-22312 (RDD) (Bankr. S.D.N.Y. Apr. 22, 2019) (same); *In re FULLBEAUTY Brands Holdings Corp.*, Case No. 19-22185 (Bankr. S.D.N.Y.

Feb. 7, 2019) (RDD) (same); *In re Aegean Marine Petrol. Network Inc.*, Case No. 18-13374 (MEW) (Bankr. S.D.N.Y. Dec. 6, 2018) (same).⁸

Processing of Checks and Electronic Fund Transfers Should Be Authorized

23. The Debtors have sufficient funds to pay the amounts described in this Motion by virtue of expected cash flows during the chapter 11 cases and anticipated access to cash collateral. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the Taxes and Fees. Accordingly, the Debtors believe that checks or wire transfer requests, other than those relating to authorized payments, will not be honored inadvertently. Therefore, the Debtors respectfully request that the Court authorize all applicable financial institutions to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion. Any such financial institution may rely on the representations of such Debtors as to which checks are issued or wire transfers are made (or, as applicable, requested to be issued or made) and authorized to be paid in accordance with this Motion without any duty of further inquiry and without liability for following the Debtors' instructions.

The Requirements of Bankruptcy Rule 6003 Are Satisfied

24. Bankruptcy Rule 6003 empowers a court to grant relief within the first twenty-one days after the Petition Date "to the extent that relief is necessary to avoid immediate and irreparable harm." As set forth in this Motion, the Debtors believe an immediate and orderly transition into chapter 11 is critical to the viability of their operations and that any delay in granting the relief requested could hinder the Debtors' operations and cause irreparable harm. Furthermore,

⁸ Because of the voluminous nature of the orders cited herein, such orders have not been attached to this Motion. Copies of these orders are available upon request to the Debtors' proposed counsel.

failure to receive the requested relief during the first twenty-one days of these chapter 11 cases would severely disrupt the Debtors' operations at this critical juncture and imperil the Debtors' restructuring. Accordingly, the Debtors submit that they have satisfied the "immediate and irreparable harm" standard of Bankruptcy Rule 6003 to support granting the relief requested herein.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

25. To successfully implement the foregoing, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the fourteen-day stay period under Bankruptcy Rule 6004(h).

Reservation of Rights

26. Nothing contained in this Motion or any actions taken pursuant to any order granting the relief requested by this Motion is intended or should be construed as: (a) an admission as to the validity of any particular claim against the Debtors; (b) a waiver of the Debtors' rights to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion or any order granting the relief requested by this Motion; (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) a waiver or limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law; or (g) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) satisfied pursuant to this Motion are valid, and the Debtors expressly reserve their rights to contest the extent, validity, or perfection or seek avoidance of all such liens. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should

not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

Motion Practice

27. This Motion includes citations to the applicable rules and statutory authorities upon which the relief requested herein is predicated and a discussion of their application to this Motion. Accordingly, the Debtors submit that this Motion satisfies Local Rule 9013-1(a).

Notice

28. The Debtors will provide notice of this Motion to the following parties and/or their respective counsel, as applicable: (a) the United States Trustee for the Southern District of New York; (b) the holders of the fifty largest unsecured claims against the Debtors (on a consolidated basis); (c) the agent under the proposed postpetition debtor in possession financing facility; (d) the administrative agents and indenture trustees under the Debtors' prepetition credit agreement and note indentures; (e) Akin Gump Strauss Hauer & Feld LLP and Milbank LLP, counsel to the Noteholder Groups; (f) the Pension Benefit Guaranty Corporation; (g) the United States Attorney's Office for the Southern District of New York; (h) the Internal Revenue Service; (i) the United States Securities and Exchange Commission; (j) the attorneys general in the states where the Debtors conduct their business operations; (k) the Federal Communications Commission; (l) the Governmental Authorities; and (m) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

29. No prior request for the relief sought in this Motion has been made to this or any other court.

[Remainder of page intentionally left blank.]

WHEREFORE, the Debtors respectfully request that the Court enter the Interim Order and Final Order granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

1. The Motion is granted on an interim basis as set forth herein.
2. The final hearing (the "Final Hearing") on the Motion shall be held on _____, 2020, at __:__.m., prevailing Eastern Time. In the event no objections to entry of a final order on the Motion are timely received, this Court may enter such final order without need for the Final

Hearing.

3. The Debtors are authorized to pay or remit (or use applicable credits to offset), in their sole discretion, the Taxes and Fees (including, for the avoidance of doubt, posting collateral or a letter of credit in connection with any dispute related to the Assessments), whether accrued prior to or after the Petition Date, that are payable during the pendency of these chapter 11 cases, on an interim basis, at such time when the Taxes and Fees are payable in the ordinary course of business. To the extent that the Debtors have overpaid any Taxes and Fees, the Debtors are authorized to seek a refund or credit on account of any such Taxes and Fees.

4. Nothing in this Interim Order authorizes the Debtors to accelerate any payments not otherwise due prior to the date of the Final Hearing.

5. The Debtors are authorized, but not directed, to honor any amounts owed on account of any audits conducted in connection with their Taxes and Fees in the ordinary course of business.

6. Notwithstanding the relief granted in this Interim Order and any actions taken pursuant to such relief, nothing in this Interim Order shall be deemed: (a) an admission as to the validity, priority, or amount of any particular claim against the Debtors; (b) a waiver of the Debtors' rights to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Interim Order or the Motion; (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) a waiver or limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law; or (g) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) satisfied pursuant to this Interim Order are valid, and the Debtors and all other parties-in-interest

expressly reserve their rights to contest the extent, validity, or perfection or seek avoidance of all such liens. Any payment made pursuant to this Interim Order is not intended and should not be construed as an admission as to the validity, priority, or amount of any particular claim or a waiver of the Debtors' or any other party-in-interest's rights to subsequently dispute such claim.

7. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized and directed to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Interim Order without any duty to inquire otherwise and without liability for following the Debtors' instructions.

8. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any Taxes and Fees.

9. For the avoidance of doubt, other than as relating to approval or consent to entry of this Interim Order (or the proposed form hereof), any consent or approval rights of the parties to the Restructuring Support Agreement shall remain in force unaffected from and after entry of this Interim Order, solely to the extent the Restructuring Support Agreement remains in effect.

10. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).

11. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

12. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order are immediately effective and enforceable upon its entry.

13. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Interim Order in accordance with the Motion.

14. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Interim Order.
