On March 28, 2018, the South Dakota Public Utilities Commission (Commission) received a filing from the Commission's staff (Staff) regarding an Electric Service Territory Boundary Agreement (Agreement) between MidAmerican Energy Company and Union County Electric Cooperative, Inc. This filing is made pursuant to current efforts of the Commission to verify electric territory mapping data for conversion to electronic format and use in a Geographic Information System database. With the assistance of the above-referenced utilities, Staff has confirmed the service territory boundary shared by these utilities and has prepared updated mapping information. Staff requests approval of the agreement to update official mapping data to properly reflect the service territory boundaries shared by the utilities in this docket.

On March 29, 2018, the Commission electronically transmitted notice of the filing and the intervention deadline of April 13, 2018, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv. Staff requested approval of the Agreement in order to update the official electric service territory mapping data to accurately reflect the current service territories served by the utilities. The Commission voted unanimously to approve the Agreement. It is therefore
